FWIW - I bought some GMRS radios at RS a few years back, branded with the RS name, and they work *great*, excellent range, excellent voice sound and pitch, and they don't chew up batteries either. Tough as nails too - they've been dropped, kicked and soaked, and they still run great. I suspect their output is around 1 - 1.5 w, because they communicate farther and more clearly and easily than any FRS radio with which I am familiar. At $45 the pair, I'd stand by these units anytime.

I have had junk from RS too, but these units are not among them.

I don't invert my speech ;-)

I realize that this isn't a repair group, but has anyone here had experience cleaning the membrane keypad on a scanner? My 15 year old Radioshack Pro-51 works fine, except that I have to press harder than normal on the keys to get the scanner to operate. I haven't opened it up yet, but the keypad may be the conductive type that touches contacts on a PC board. Does that sound right, and can the keys or PC board be cleaned? Thanks ahead of time.

N.Morrow

Hi folks. I was wondering if someone who knows a bit more about this can help me out. I have an old Realistic PRO-77a scanner which belonged to my grandfather, which was passed along to my dad when he died, who then used it for years until the city here switched to an 800mhz trunk system. His brother bought him a new scanner, so he put the Realistic in storage for a while, until he finally gave it to me and said to sell it or whatever if I wanted since it wouldn't do him any good anymore, and it was just piled up in the way now, etc.

In the meantime, I found that some of the city's public works channels are still separate from the trunk system and in the 150-160mhz range. My dad used to work for public works, so he likes to listen in when the weather is bad and such. But the scanner he uses isn't like some of the newer ones, and can't track single frequencies and a trunk at the same time, so he has to manually switch in and out of trunk mode and only listen to one at a time.

Well, I'm not only a bit of a pack rat, but I guess the sentimental side of me couldn't part with it. So the Realistic is still laying here. And as I've taught myself more about electronics/radio/etc, I've started wondering about how I might make this thing usable for something again. I mean sure, I could order crystals at all the different frequencies, assuming I could find them all. But it seems like a good learning experience for me to do it a different way. Not to mention, surprise my dad with the results!

What I had in mind was to build some kind of variable oscillator to connect to one of the crystal sockets. The PRO-77a is capable of 30-50mhz low and 148-174mhz high. So the high range is fine for the public works frequencies I want to receive. How to build such a thing is the question, though.

I doubt I could build a totally external oscillator and feed it in there, since the scanner would have components to make the crystal start oscillating and interfere with that. Right?

I also doubt I could use anything crystal-based since they're fairly fixed in frequency as far as I know, so I assume some kind of LC oscillator might work? I don't have any service manual or anything so I have no idea how the internals of the scanner work, so whatever I built would have to pretty much simulate a crystal.

I don't know any formulas to determine the values of inductors/capacitors to do anything like that, so I'm hoping someone can point me in the right direction. Assuming it's possible, of course. I think I heard about people doing it before though, so it seems like a fun project to try!

my suggestions (FWIW): consult a lawyer. asking anyone in here for a

useful answer
is about as useful as pounding a hole in water (and as you ahve
already seen, some
of the responses or necessarily stupid).

It's too late. Use the radio properly, don't invert the speech, don't
tell or boast to anyone what model it is, and no-one at the other end
will be any the wiser.

Do you have any examples or observations that back up the statement?

I'm tired of half assed comments with no facts to back them up.

I say screw the HOA who tries to give you a hard time

I own 20 acres in southeastern Arizona. I am my own HOA and have no neighbor for at least 1/4 mile on either side. I can put up antennas on my roof, in my window etc and only have to answer to me

If I were in the city, I would tell anyone who complains to go to hell. I paid for my house and it's my property.... I stay out of your business, you stay out of mine.... (be reasonable and fair) I of course would not put up a 200ft tower but something big enough to receive or get a decent signal out....

I had a SONY 2010 and would often have a long wire antenna stapled to the roof or strung between trees. Some Anennas hide better than others...

JOHN

Hello,

Hope this for-sale doesn't violate any protocols, but thought someone here might be interested.

Have a Uniden 996T for sale.
Am in my 70's now, and frankly haven't used it for the past year.

Perfect condition, both operationally and cosmetically.
Always used indoors.

Also have my "Butel Arc996 Basic" keys for their software program I purchased that I'll provide. Also a copy of the install program (but no guarantees if it will work)

Have everything that came with the unit, except I can't find the 2 plastic "keys" for the units easy removal from the DIN-E sleeve if mounted in an auto. Will keep looking.

$ 350. Too old now to start learning PayPal or eBay, so would request cash, or a Bank Cert. Check.

More than happy to meet in Sudbury, MA Library for anyone to play with it a bit, if desired, and you live locally outside of Boston.

If not, I'd pay shipping and insurance.

Contact me at Xrgsrose@comcast.net (remove the "X")

Thanks,
Bob

Hello,
I am looking for a program for Windows Vista so that you can record sound when there is sound. I've tried several (eg scanrec) but you should speak directly into the microphone for recording the sound. If the source is 2 meter away, the sensitivity of the input signal has to be so high that the noise of the microphone itself is being recorded. That is not what I want but maybe I am doing something wrong. So I'm looking for something that is voice activated, but also works when the source a few feet away. Maybe by setting a range of frequencies which have to be recorded.

Joris.

You could add a CTCSS decoder to it, but it will cost over $100. You should investigate a Radio Shack PRO-163 or 164 refurbished at overstock.com. They support PL/CTCSS decoding.

Hello. I am happy to join the forum. This is to anyone that owns the BC898t scanner. I am able to put in frequencies and talkgroups in all systems such as E2-800, E2-900, E2-Hi, E2-UHF, EDACS The problem is with the E1 (Motorola Type 1)
I am able to put in talkgroups, ids and fleetmap size codes. I don't pick up any transmission. I would like to know from the following options which goes on and which goes off.   Looking forward to any solutions.

1. Off/On?
2. S-Bit?
3. Eot
4. Cconly Plan1, Plan2, Plan3, Plan4.

A place to start: http://www.spynumbers.com/

The Lincolnshire Poacher, at least in its later years was generally believed to be via Cyprus.

What do you do when you have TWO HOAs? This hoa madness has got to
stop. Requiring you and your house belong to TWO hoas for a single
family in a single house is now very common in areas like Washington.

There would and will surely be conflicts in the requirements of what
you're not allowed to have and do and what you must have and do.

I was at Burgwe King one day and overheard another guy talking about his neighbor who keeps calling the cops and hoa on him every single day for breaking the hoa rules.

He thought his blue car was okay since the hoa rules requires you must have ONLY a blue car. No other colors or shades are allowed.

She called the cops on him and reported him to the hoa for illegally breakinng the law by illegally having a light blue car against hoa rules instead of a blue car as required.

Towed and impounded. So next he bought a car ONE shade darker to be in compliance. No manufacturer makes a shade between what he had which was towed and impounded and what he bought to be in compliance.

She called the cops on him and reported him to the hoa for illegally breaking the law by illegally having a dark blue car instead of a blue car as required.

Towed and impounded and once again fined by the hoa.

Now, since he was only middle class, he could not afford a third car.

So he started taking the public bus to work.

She called the cops and reported him to the hoa for that. She did not like seeing the public bus in the neighborhood.. according to her, he was now breaking several hoa rules at the same time since "taking the public bus lowers the property values of the houses since only poor people take public transportation and buses to work and elsewhere and violates the hoa rules against "residents are not allowed to do anything which lowers property values" and the hoa rules against "no obnoxious activities allowed"

among others.

In this last case, about the bus, the cops told him to just keep doing what he is doing since he's not doing anything illegal. (according to the cops).

Of course that didn't and doesn't stop his hoa from saying it is indeed illegal to take a public bus even when it stops on a public street in front of the hoa since it lowers the property values of the hoa homes since only poor people ride public buses and public transportation (according to the hoa) and that's the impression other people get of the neighborhood when they see him getting on or off the public bus. 9according to the hoa) and fining him for it.

Which he can't afford since he's only middle class.

Also even when she just sees him outside waiting for the bus to come, she reports him for it daily. Even when she doesn't see him waiting for it, such as if he comes out of his house right before getting on, she reports him for it.

Because she doesn't like to see public buses since she equates them with "undesirable poor people who I don't want to see in this neighborjhood because they don't make as much money as I think they should make to be desirable people" despite enviromental groups trying to get everyone to ride public buses instead of driving cars.

Having owned scanners for almost 20 years, I currently have a collection
of
Yupiterus, 7100, 9000, and a 3300.
For Shortwave I have a Sangean doing a great job with most SW,but a
little below par with LSW/USB comms.
With Digital TV and Digital comms around us now, these do not seem to
be capable of receiving digital comms.
I have been tempted lately of moving on to an AOR 8200 Mk3 and since
acquiring a MACBOOK Pro lap top , the computer control of the AOR
interests me.
While I realize that the AOR is not likely to make any inroads to
receiving digital,at least one of these could keep my interest going.
Has anyone found a way to receive digital comms,especially TV sound on
any scanners currently available ?

Should I ditch my Yupiteru 9000 for an AOR ?
I cannot bear to part with the 7100 though,it is rarely ever turned off,while the 3300 is fitted into my car, it is not in the same class as the other Yupis. In fact I do not have a manual and only was able to programme it due to my experience with the other Yupiterus

Why is an antenna on a Grundig YB 400PE radio that is legal and not against hoa rules all of a sudden an illlegal antenna against hoa rules just because you changed the station on your radio?

In other words, what makes it all of a sudden become " a ham antenna" or "a cb antenna" just because you changed the station from a fm broadcast station or an am broadcast station to a ham station or cb station?

It's the same frickin' antenna on the same frickin' radio.

If it's a ham antenna or cb antenna when it's tuned to a ham or cb station, then it's a ham antenna when it's tuned to a am/fm broadcast station and not to a ham or cb station.

If it's not a ham antenna or cb antenna when tuned to an am/fm broadcast station, then it's not a ham antenna or cb antenna when tuned to a ham or cb station.

It's the SAME friuckin' antenna on the SAME frickin' radio.

How about when it's tuned to a frequency which picks up both broadcasts and hams at the same time.

you pro-hoa nazis say there's no such thing and never was.

Well, you're wrong as usual. Part of the 7 mhz band used to be used by both broadcasters and hams, and still is from what I hear on it, although it's not supposed to be being used by broadcasters anymore.

The SAME frequency was sometimes a broadcaster, then later a ham radio operator in the SAME night and vice versa. And sometimes it was both a broadcaster and ham radio operator at the EXACT SAME TIME.

So what it is it then, a legal broadcast antenna allowed by hoas or an illegal ham radio antenna not allowed by hoas???

I don't understand this new radio theory that the EXACT SAME FRICKIN antenna on the EXACT SAME FRICKIN radio is a legal antenna nott against hoa rules and not a ham antenna when tuned to an am/fm/sw broadcast station all of a sudden becomes an illegal ham antenna when the tuning knob on the radio is turned from 1100 khz to 28700 khz and becomes an illegal cb antenna when the tuning knob on the radio is tuned to 27185 khz.

Why don't you list it in your rules then that homeowners are not allowed to tune their indoor portable radios to anywhere on the dial the radio can cover, but only to the stations.the hoa says the residents are allowed to tune to?

Oh and since you'tre doing that anyways, why not add a clause that also says which broadcast tv stations the residents are and are not allowed to watch inside the privacy of their own homes???

And which cable tv stations the hoa residents are and are not allowed to watch inside the privacy of their own homes???

You hoas are against everything the founding fathers of this country stood for and everything this country stood for and is supposed to still stand for.

All you hoas should be outlawed permanently.

Regarding the above description of radios and antennas, The same goes
for the Icom Ic-R3.

IT'S THE SAME FRICKIN ANTENNA ON THE SAME FRICKIN RADIO.

My signature is NOT on any hoa contract. I NEVER signed any such
thing. I do NOT even live on hoa property. I live in a non-cc&r non-
Hoa house and on non-CC&R non-HOA land as I previously stated.

   Actually, FCC has been clear about this. You can't sign away
```

those rights to HOA's. A licensed amateur, CB operator, may have an exterior antenna. And the equal housing laws say you have the right to live anywhere you choose, so he may put up an antenna, and the HOA may not compel him to remove it.

Further, TV and small dish satellite antennae are protected species. They can't be removed by HOA fiat, either.

And...(ahem....apologies to Garrett Morris) IF YOU ACTUALLY READ THE POST, HE SAID HE LIVES ON AN NON HOA PROPERTY.

As, in fact, do I.

Sadly, and in fact, many HOAs are not aware of the FCC exoneration, so the
silly, angry malcontents hire an attorney to force an Injunction upon the
Ham operator. (Sorry, but CB ops are not included Peter)
What results is a often construed and costly legal action for both parties,
only to find that the HOA was in the wrong. All too many lawyers are not
aware of the FCC regulations and when they side with the HOA, and after
several hours and hundreds of dollars later, the HOA ends up with a hefty
legal fee.
What I have seen many times over is that the complaining neighbors don't
like the FCC exemption and will continue to bicker with the Ham neighbor
over their perceived "property value devaluation". They claim that they are
getting TVI, RFI, or other issues with their electronic devices when, in
actuality, it is almost always a nearby CB type who is causing the problem.

Also, our city recently made an attempt to ban those small satellite TV
dishes that are appearing. The city wanted to ban the dishes to the back
yards or the rear of the homes. A local Ham op became involved and set the
City straight and the Mayor and his City Council dropped the ordinance from
the books.

Bravo for you. A good example is someone driving from pa to ohio to
michigan. or vice versa.

If someone in Ohio is talking to so someone in pa, they get yelled at
that they're not following the band plan, then when they switch to
follow the band plan they're told to, the other operator gets yelled
at thet they're not following the band plan.

So what is a person living near the state line supposed to do, use the
Ohio bandplan or the PA bandplan??

No, using the bandplan of the state you're currently in (as suggested
in these newsgroups long ago) does NOT work.

When driving from your job in the one state to your home in another
state, and you're talking to your friend, then you cross the state
line while you're friend is at home in the other state, if you both
switch to the bandplan of the state you're in, then your friend gets
yelled at for not following the bandplan. If you remain following the
bandplan of the state you're friend is in, then you get yelled at for
not following the bandplan.

The same for Michigan and Ohio.

And it gets even more complicated when you're having a three way
conversation between Michigan, Ohio, and PA repeaters and/or simplex.

So yes, I also will use my amateur radio on any frequency I want to
any way I want to, within FCC rules.

I have already noticed at least FOUR different 2 meter bandplans that
can be heard and contacted from my area.

There may be more, but as of this writing, I only know of four.

What is simplex for some is repeater inputs for the others.

What are repeater outputs is simplex for some.

Now, which of the FOUR bandplans should I use?

If I want to use the repeaters, I don't have any choice except to violate one or more of the bandplans.

If I want to use simplex, I don't have any choice but to violate one or more of the bandplans.

The usual answer to this is to follow the ARRL bansplan.

Wrong, the ARRL bansplan says local bandplans superceded the ARRL bandplan.

There are FOUR DIFFERENT local 2 meter bandplans in this area.

So again, which of the FOUR bandplans should I use?

It is really hard for "Me" to believe that you (RadioGuy) are this STUPID. but the again we see your kind on JayWalking all the time....

BandPlans are nothing more than a convention used by local, regional and country Ham Organizations to structure a working agreement for cooperative use of Licensed Frequencies. They hold NO Force of Law, beyond that specified in Part 97.

If you were not such a DUFUS, you would understand this from the getgo... Maybe you are "To Stupid to be Licensed"... Has that thought ever occurred to you...

   Around here, they are. They stood up for themselves against a
local HOA, and they won, under the same provisions as Hams.

Every FRS/GMRS radio I have seen all scan. Therefore, they are definitely scanners.

Since the deseral exemption applies only to ham radio operators and even then only to ham radio transcievers which can also scan out of band, and not to any other type of scanner.

It is against the law to use a frs/gmrs radio while mobile in New York, Kentucky and a few other states.

And in Indiana, not only is it illegal to use your frs/gmrs radio while mobile, it's also against the law for you or your kids to use your frs/gmrs while portable (while walking around outside of your house since thast is "in puiblic". where the public can see you.

Cops have already illegally confiscated ham hts they see in vehicles.

Sometimes the ham can get out of it by showing the cop their fcc-issued ham license.

And somerimes not. i read that the LAPD does not and will not accept federally FCC-issued ham licenses as proof of license and that they only accept proof of being licensed to use your ham radio if the ham radio permit was issued by the LAPD. from what I read posted elsewhere.

But what does a unlicenced frs user do when a cop sees their frs radio which doesn't even cover gmrs frequencies in the car?

It's still a scanner, but in that case, the driver has no radio license to show to the cop since it's FRS and a GMRS license wouldn't cover it anyway, even if the radio was one of the newer fts/gmrs radios and the driver was a gmrs licensee since federal law doesn't erxempt gmrs licensees, only ham licensees.

It's also against the U.S. Constitution to apply laws unequally to U.S. citizens.

Therefore, to remain constitutional, either ALL citizens including hams must be banned from having radios capable of scanning while in their vewhicles or ALL citizens including non-hams must be allowed to have radios capable of scanning the exact same frequencies while driving.

And in Indiana, not only is it illegal to use your frs/gmrs radio while mobile, it's also against the law for you or your kids to use your frs/gmrs while portable (while walking around outside of your house since thast is "in puiblic". where the public can see you.

This is just so much Bovine Manure that I can only laugh.

What SHOULD be illegal is dimwits such as yourself walking the streets, especially "in puiblic"

I have been driving for years without any accidents,
sometimes while
talking on a radio, sometimes not,

Then one day, my nost nimby neighbor started complaining

about the way
I was driving (the way where I never had any accidents at
all) because
the way I was , had been, and was still driving was and is
offensive
to her and a gives a bad impression of the neighborhood
thereby
lowering her property values.

and then this same nosy nimby neighbor proceeded telling me
how I
should be driving and the ONLY correct way (to her) for me t
o drive.

The result: I was in an automobie accident.

So if states and cities want to ban using crll phones
without a hands
free device, they should also outlaw all passengers talking
to the
driver in a car.

Because it's a fact that backseat drivers are more dangerous
than and
cause even more accidents than talking on a cellphone
without a hands
free device while driving.

If you get stopped for a violation, answer to the violation first.
The cop is not going to look at your radio and ask you if it is a GMRS, FRS,
or a friggin' CB.

OTOH, if your radio is receiving police frequencies, you WILL be asked about
that.

Since GMRS, FRS and CB radios do not receive Public Safety frequencies, you
are good to go.

In Indiana, the posession of a radio that receives police frequencies is a
misdemeanor. An officer can confiscate the scanner and arrest you via
citation OR can take you into custody. For most first offenses the officer
will cite and release and your scanner will be returned to you after your
Court Hearing.
Indiana police officers do not make arrests for those who wander around in
public while using FRS or GMRS radios.
Radioguy is lying. He is a troll.

The point was your use of your first initial followed by your middle and
last name.
This seems to the fad du jour of late, especially for attorneys.

The law is preposterous and illegal, of course -- there is no Constitutional justification for making mere possession of anything a crime (just because a criminal might use a cast iron skillet to bash you on the head and take your money doesn't mean legislators have any right to criminalize skillet possession), and if someone causes radio waves to pass through your property or body, you certainly have the common law right to demodulate (or do anything whatever to) those waves.

But, if charged, one has to be realistic and realize that the mental abilities of many judges and jurors are too low to understand the above -- especially since they've been propagandized almost from birth with the false idea that legislators can make any laws they choose.

But one could still be free from the scanner prohibition, as long as you operate a news blog, since the section of the pretended law I quote above exempts anyone who is "regularly engaged in newsgathering activities."

With all good wishes,

Kevin, WB4AIO.

That's been a "fad" for decades - watch some 1940's movies some time
to see how various "holier than thou" people would adopt such a
moniker (often for comedy and often at their own expense)...

In Peter's Case, I think he just likes his middle name :-)

Based on the reading, I am not even sure that a scanner capable of receiving police frequencies is illegal unless it is used to commit a crime or hinder emergency services (although it is easy to see how the law could be construed to mean otherwise). The law allows the use of a "police radio" (let's assume for a minute that this means a scanner or a Realistic Patrolman portable) during the course of a person's otherwise lawful business. That could be practically anything a person does from making breakfast to driving the kids to school to fishing under the old sycamore tree.

What you laugh at, sleeves not withstanding, is your affair, and of no interest to anyone but you.

Actually, I'm a broadcaster. I have always gone by "Pete" or "Peter." The 'D.' is part of my signature, nothing more. My grandfather called "Pete." My parents called me "Pete." But for official purposes, the signature has always been "D. Peter" or "David Peter," since I was taught how to write.

Why this bothers you, or why you think you should have input on the practice is beyond ken.

But you feel free to make this about me.

My post was actually about something far more important. And, repeating, I'm actually on your side: You SHOULD be able to decide 'where and how I should operate my station. I will do it my way, and will do so without your "guidance".'

But again, feel free to make this about me.

(b) Subsection (a)(1) and (a)(2) DO NOT APPLY TO:
;

(5) a person WHO HAS WRITTEN PERMISSION from the chief
executive officer of a law enforcement agency to possess a police radio;

(6) A PERSON WHO HOLDS AN AMATEUR RADIO LICENSE issued by the
Federal Communications Commission if the person is not transmitting over
a frequency assigned for police emergency purposes;

(7) a person who uses a police radio ONLY IN THE PERSON'S DWELLING OR
PLACE OF BUSINESS;

(8) a person: (A) WHO IS REGULARLY ENGAGED IN NEWSGATERING ACTIVITIES;

(10) a person who possesses or uses a police radio during the
normal course of the person's lawful business.

(c) As used in this section, "police radio" means a radio that is
capable of sending or receiving signals transmitted on frequencies
assigned by the Federal Communications Commission for police emergency
purposes and that:
         (1) can be installed, maintained, or operated in a vehicle; or
         (2) can be operated while it is being carried by an individual.

The term DOES NOT include a radio designed FOR USE ONLY IN A DWELLING.

As added by Acts 1977, P.L.342, SEC.1. Amended by P.L.162-1994, SEC.1."

You're implying that mere possession of a "police radio" is a misdemeanor in the state of Indiana, period.

The law clearly states that it only applies to vehicular or portable use - NOT to possession of a "police radio" inside of a home or other building.

The law provides MANY exemptions, incuding licensed hams, newspaper or TV reporters, individuals who sell or service police radios, or basically anyone who has some form of written permission (a permit) from their local law enforcement.

In three places, the law makes it clear that there is nothing illegal about having a radio capable of receiving police frequencies in one's own home or place of business.

It would be really strange if ANY possession of a "police radio" was illegal in the state of Indiana, considering that the Electra company, who for all intents and purposes invented and popularized the police scanner with their famous "Bearcat" line, was located in Indiana (before merging with Uniden of Japan in the 1980's.)

Maybe poor wording, which is easily misunderstood.

First, the misleading subject:
CB and Ham radio are NOT outlawed. There is simply a ban on
the use of hand-held communication devices while driving a car.
This applies to ALL such devices, and there is even a ban on
use of hand held entertainment devices while driving.

There are presently exemptions for use within business, including
truckers using CB radio, and for Amateur Radio. These exemptions
last for 3 years, to allow the industries a chance to develop
hands free options.

Now, the "phasing out CB and Ham completely" suggestion:
This appears to be a very poorly written piece of reporting. The
3 years will be a reference to the 3 years exemption offered to
professional users of CB and to Hams. After that time, ALL
those users will be expected to use compliant equipment. This
may simply be an existing CB radio with hands-free technology
added (possibly plugged into the microphone socket).

When the UK government said that they were phasing out "27/81"
CB equipment, many people thought it was an end to CB. It
was really just that all new equipment would have to meet the
new standards.

Try going direct...
  http://www.e-laws.gov.on.ca/html/statutes/english/
elaws_statutes_90h08_e.htm#BK128
  http://www.e-laws.gov.on.ca/html/source/regs/english/2009/
elaws_src_regs_r09366_e.htm

For those not covered by an exemption, consider some hands-free options which have been available for decades. Repeat after me...

  Voice
    Operated
      Switch.
(aka VOX).

It is also fine to use microphones with a locking PTT, you are allowed to lock a microphone while driving as long as it is fixed down properly.
TTI appear to make a hands-free kit for CB radio.

Now your comment, "never heard of any accidents caused by people
      talking on the radio"
What you hear about is what the media decide to feed you. Mostly, this is a combination of what they (or the government) want you to hear and what will improve their ratings or sales. There are plenty of very common events that no longer get covered by the media, they are no longer shocking enough to bump up ratings.

It should also be remembered that the mobile communications market is massive. Not just devices, but rather profitable minutes are being sold. Calls made while in vehicles will account for a large portion of that income. Different reports give totally different figures for accidents caused that way, but one side want a total ban on mobile communications while driving, and the other wants to keep their profits.

It cannot be denied that some accidents occur, but the level of the problem appears to be unknown. We may not be able to trust any figures, as those collecting them will have been paid by someone who wants to get a certain result.

According to a 2001 report, compared to mobile phones, you are 7 times more likely to crash because of your car stereo and 7 times more likely to crash because of other occupants of the vehicle. It also suggests that you are twice as likely to crash due to adjusting normal car controls than using a mobile phone. I could show you a photo of the result of a driver being distracted by the gear stick (causing a head on smash). Clearly, having to fumble about for any controls is a distraction.
Once you go down the route of banning anything which could be a distraction, you end up with single person vehicles with everything possible being automatic and absolutely no audio system or other accessories.
  Johnny Cabs?

Regards,
Peter.

Hardly, just the end of holding a microphone in one hand and driving with the other. And only in that part of the world. Hands-free options have been about for years, but we have not been forced to use it.

> Perhaps the CB makers will spring up with hands free CB, to fill the need.

VOX equipment has been around for decades. Now TTI manufacture a hands-free device.

The problem may be marketing. CB is now a small market, so manufacturers do not push their products like other companies do. There is no money for high impact advertising, so I guess that many people do not know about the options available. That appears to include the law-makers, who have left a period for adjustment in the belief that there are no hands-free options for CB.

So truckers can continue to hold the microphone in one hand and a Yorkie bar* in the other, steering with their elbows. The only reason for hands-free kit is that they have run out of hands to operate the mobile phone with :~)

BTW: The Canadian law also allows police and other emergency services to continue to combine driving with using the radio. Clearly it's not dangerous when driving at high speed in an emergency.

Regards,
Peter.

 * Brits who remember the 1970s will get this side-swipe at
    the chocolate adverts. A TV advert showed truckers as
    good looking, chocolate munching (yet not overweight) knights
    of the road. Women of the day really believed this image,
    blissfully unaware that truckers only ever let lady drivers pass
    so that they ogle them and stare at their knockers - saving the
    trucker the price of paying a pavement princess for a quick peek.
    (A later campaign made it clear that this chocolate was "not
    for girls", even printing the slogan on the wrappers - for which
    they got in trouble.)

What do you do when you're travelling in a caravan and operating completely legally under your immediate relative's GMRS CB license and a cop pulls you over and demands to see YOUR radio license and then when you can't show or give it to him , he fines and tivkets you and arrests you and confiscates all your legal radio equipment because

"you're operating radio illegally since you don't have a radio license and if you do have one, you're operating illegally since you're not carrying it with you".

The courts in Officer Bubba's county, Officer Billy Bob's county, and Officer Deputy Dawg's county will NOT rule in your favor.

I didn't mention Barney Fife because I think even Barney Fife would hve more smarts than that.

I've seen several people here and on the net say the officer has the right to demand it and the right and even DUTY to arrest you if you're not carrying your radio license with you even if you are licensed.

And that it's your own fault if you don't have the license with you to prove it.

Again, the FCC does NOT issue a physical paper copy to all the immediate relatives of a GMRS licensee.

Although the relatives are covered under the GMRS licensee.

But you can't call your relative for help to being his license becaue
he's now out of range since the cop stopped you and cell phones don't
work because there aren't ant cell phone towers in the very rural tri
county area of Officers Bubba, Billy Bob, and Deputy Dawg.

Are you really this Stupid, or are you just a Morooon (Bugs Bunny Definition)

FRS and Citizens Band are Licensed under a Blanket License issued by the FCC that covers ALL US Citizens....

GMRS Licenses are issued to the Primary Licensee in Paper Form as are All FCC Licenses... To meet Posting Requirements established for each Radio Service, Photocopies are considered equal to FCC Original Licenses.

If you "Look" in the GMRS Rules, there will be a sub-section on License Posting Requirements, and if not, then Posting is Not Required, for that Radio Service, and therefor not REQUIRED to be in the operators personal possession. Duh....

Does this Mythical "Barney Fife", have a Copy of the Radio License for his "Cop Radio" on him? The answer is "NO", and the reason is, it is NOT REQUIRED For That Radio Service. It Is REQUIRED that the Original License be POSTED at the Principal Operating Position for that Radio System, which is designated ON the License..... and be available for Inspection, by FCC Personnel.

If you would just READ the FCC Rules for you Radio Service, this would all be clear to you, but apparently you are not capable of this.... So you post these stupid Rants here....

Why...

I live near Madison, WI and currently use a scanner from 1995. So I'm
looking to buy a new scanner next year so I can still listen to Dane
county after they update there system but still be able to listen to
other counties in the area. I'm looking for any sugestions on radios
around $250 or less.

Thank you
Kevin

Kevin,

You say that the county is going to "upgrade" their system. Need to know what you mean. Are they going to trunking, or what?

Have you seen this:

He has a R7100 for sale. "Government Model". These are really easy to unblock if you have the service manual. I really don't think it is a government model.

Here is an old blast from the past regarding Martyn:
<http://chat.qth.com/viewtopic.php?p=5243&sid=6e3b32aa2356c46c9996f1b589d6d734>

He used to have private feedback, but I guess ebay doesn't allow that anymore. He screwed 19 people in the last year.

Supposedly you can get a refund from Radio-Mart, but you have to
wonder about a person that writes glowing reviews for items that don't
work.

Incidentally the other person peddling a service manual for the radio
is another ripoff. It is free on the net.

Radio-Mart sells under one ID, and buys under another. So the lovely stuff he is selling is often some junk Martyn bought off ebay. He just writes a glowing description and puts it on red velvet.

Hi,
there is something nagging me about this thread, we used to have a guy in the UK that had a shop in Cambridgeshire, he had a similar reputation. Rumour was he also had an American wife. He disappeared suddenly from his shop some years ago, 5 + maybe. I'm sure his name was

Martin / Martyn, before I do any digging to see if it is the same fellow
I wonder if any of the above rings a bell with any one? This is just
out of curiosity, he doesn't owe me at all!!!!!!!

   Radio-Mart is Martyn Allison, and he is from the UK.

   He's been on eBay for a lot longer than 5 years, based in Kentucky.

Yes, it is the same guy - Martyn/Martin Allison (G4AGV).  His business
was called Multicomm2000 (all one word), and shop was in or around St.
Neots, Cambridgeshire

Thanks for that John,
I worked just around the corner from his shop, I was being intentionally
vague by saying Cambridgeshire in case it wasn't the same guy.  I bought
a few things from him, luckily only books and a few other relatively
safe purchases.  He did have somewhat of an "interesting" reputation
back then too.

Best of luck with him...........

So, don't use one in the U.S. of A. I thought that your moan was about Canada outlawing hand microphones. Is it a violation of FCC rules to have a spare microphone sat in the vehicle for when you are in other countries? What about the hands-free option? Do the FCC outlaw all safety related CB equipment?

Here in Europe, different countries have different standards. We do have a common standard, 40 channel FM, but each country may also have additional channels and rules. I can buy a CB which can do any of the European channels and modes. It is up to me to ensure that I only use it as allowed in whatever country I am in. For example, I can only use the UK band (27.60125 - 27.99125MHz) within the UK. If a European country says "hands-free only, then that is how I would have to use it there - even if the required hands-free equipment was illegal for CB use here in England.

Peter.

Yes, and I've been stopped while parked at a public park in the middle of the day for less than two minutes for illegally listening to a legal FCC-certified factory stock CB without the appropriate radio license which says that I'm allowed to transmit ham radio on the regular 40 channels and legaly allowed to conduct ham radio operations on the regular 40 channels, which is a clear violation of FCC rules, but the ONLY way that's legal according to the cop.

I was getting ready to go for a walk on the public trails at the public park in the middle of the day during normal business hours when the parj is open to the piblic., had been there less than two minutes. It takes longer than that to turn off my CB, gather up the things I'm going to bring on the trail, such as food and/or drinks and lock my car doors.

Before I could get out, a police car pulled up flashing it's lights, not s park ranger car, but the municipalities' police cars. They look different. The park rangers cars say ranger on tem and don't have the municipalities name on them like the cop cars do.

He made me show him my car insurance papers and drivers license even though I was completely parked and hadn't been speeding and called in my plates.

At first he claimed to have stopped me for loitering . Since when is two minutes loitering? As I said , it takes longer than that to get ready since you have to unbuckle your seat belts, state law requires having them buckled while driving, etcetera.

Then he claimed to have stopped me because he saw me at the park a different day.

After all, it's against the law for you to go to a public park near your house more than one time in your rntire life.

But most of his quesions and statements were about the completely legal 40 channel CB i had which I think is the real reason he stopped me, because he saw ONE antenna on my car.

He asked me if I had a ham radio license to use it. I I honestly replied it isn't a ham radio, it's a CB. And that I was only listening to it (which is all I was doing at that time) I was talking normally, not confrontational. Then he told me that it was the law that I still have to have a ham radio license permitting me to operate ham radio on those same CB channels (the legal 40) even just to listen and asked me if I was going to study for my ham radio license so that I would be operating leggally by operating ham radio on the CB channels.

Now I was nervous because I knew he was going to arrest me and haul me off to jail even though I didnt commit any crime, unless that county actually does have a law stating that, in which case they're telling innocent law abiding citizens that by law, they MUST violate FCC rules.

But is definitely against the law in that county to disagree with anything a police officer says to you (whether it's correct or nor), so I obeyed the law and told him yes, I was going to study fot the test for the license (which allows me to legally transmit ham radio on the regulart r40 CB channels).

Then instead of arresting me like he said before he was going to (when I answered honestly about it being a CB instead of ham radio) he said okay and that he was letting me go since I agreed to study for the license which says I;m allowed to transmity ham radio on th CB channels but that he was putting me on the criminal terrorist list since I broke the law by illegally listening to a CB radio without the REQUIRED license which specifically says I'm allowed to transmit ham radio on the CB channels and that he would be watching me from now on.

Well, the other week, I had to ask my car insurance agent something about my car insurancde card and papers, and without even mentioning the incident above, my car insurance agent said I won't have to worry about and won't have to show my car insurance card to any police officers as long as I'm not speeding and not committing any other moving vioation or parking violation.

Well, I imediately knew my car insurance agent was wrong and mistaken from the incident above, but I didn't say anything to him about it.

After all, my car insurance rates would go up if they knew I was also getting stopped by ploice while legally parked in a legal parking space.

Thankfully, the policed in my own county aren't that bad. Actually, the police in my own county are good and uphold the law, while I know for a fact that the police in the next county used to have a speed trap until the state got after them for it.

I've also been stopped by cops and told it is illegal to have a shortwave broadcast reciever in my car whether insttalled or not. Mine was installed. It covered ONLY the shortwave broadcast bands, and not even all of them. No other crime was comitted and no other reason for the stop. I was even told by the cop that's why he stopped me. And it was NOT a crime in my state to have one in the car at the time, whether installed or not and it still isn't. Now, Michigan is a different story.

It covered only a few of the broadcast bands, such as 49 meters. It was not continous tuning across the entire shortwave spectrum but just a few broadcast bands. That's ALL it covered. What was so illegal about listening to the BBC while mobile here in the U.S.? And why is it any different than listening to the AM or FM broadcasters while mobile here in the U.S.?

And since it's illegal to listen to uch broadcasters as the BBC and Radio Netherlands while mobbile here in the U.S. (according to the cops), then why haven't they stopped and arrested the people using Sirius and XM radios in their vehicles while mobile?

As I understand it, those tadios can also pick up the illegal to listen to while mobile BBC and Radio Netherlands whilre mobile here in the U.S.?

And before you say I can just fight it in court, no I can't. I'm not rrich and can't even afford the huge regular court costs let alone another $300 required to appeal it if not ruled in my favor by the local court.

And that doesn't even count lawyer fees.

And no, I wasn'ty argumentive in any of thise conrontations with the cops when they stopped me and was NOT comitting any crimes whatsoever at the time, not even speeding.

They manufacture excuses and put innocent law abiding people on criminal lists which they can't be taken off of.

And that kinnd of thing NEEDS to be stopped.

Especially in this country where we're supposed to be free and innocent untril proven guilty.

And that is why a formerly friendly, formerly shy person who used to mind his own business and tried to be friendly to everyone had turned into Scrooge.

Because of policer syopping me and putting me on a criminal listfor the crime of listening to a FCC-type accepred Cb without the REQUIRED license allowing ham radio license on the regular 40 CB channels in direct violation of the FCC rules because obeying the FCC rules is illegal (according to the cop).

That didn't stop multiple cops from arresting someone for "illegally" legally "transmitting" on a GMRS radio on his own property.

Where is the REQUIRED license saying that I'm allowed to conduct ham radio operations on the regular 40 CB channels in violation of FCC rules so that I'm legal???

Clue.... It doesn't exist. The FCC issues no such license since it's a violation of it's rules.

And my state certainly doesn't.

The only other possibility is it's either a county or city law (not my county or city, thankfully) issuing such licenses in direct violation of FCC rules, similar to OSU requiring people to use non-certidffied transmitters in violation of FCC rules if OSU says you must.

And therefore, the city or county has comitted a criminal act since only the FCC has authority over radio transmitting in this country.

Or the cop is making up the story about such a license being required, which I nelieve is the case- him making it up- in which case the cop is guilty of committing the federal crime of fraud, and incitring people to commit criminal acts. It is against the law to tell other people they must commit criminal acts.

Such as violating FCC rules, which according to him, is the only way to remain legal.

>

I've read them. At least the parts that concern me such as part 15, CB part 95, and FRS/GMRS.

And I understand them. It's the stupid idiotic cop that doesn't understand them.

I had a copy of part 95 rules with me at the time. And even that wasn't god enough for him. According to him, to remain legal, I still have to violate FCC rules, otherwise I'm breaking the law.

Not that I'm going to listen to him. He was one of the younger people who has attended public schools more recently. Which I have found out the hard way and through experience are idiots and jerks and atre that way from the public schools since everyone else I know who attended private school at the same time are not idiots nor jerks.

While the ones I know who did are all idiots and jerrks.

In any city I go to.

That's how I know it's because of the public schools' more recent teachings.

Your HOA has some very serious issues. I had a similar problem with the HOA, here, which was formed after I moved in. They went after my radio installation with a vengeance.

After some rudimentary research, I found that much of this was coming from the cable company which had funded the forming of the HOA. We, as a community, weren't wired for the most part, so to force the issue, the cable company bought into the HOA and pushed the antenna ban.

It took some time, but vigilance, not letting an HOA meeting go by without a presence, and reading the appropriate FCC Rules into the record, and a couple of face-downs in which the Sheriff's department had units in my driveway, I prevailed.

You have to stand your ground. An HOA is not a governmental entity with the power to overturn Federal Rules and Acts of Congress.

It's a fight, to be sure, but it's a fight that can be won. Both TV Antennae and small dish satellite systems are proteced species. And you have the clear understanding that it's NOT illegal to obey FCC rules and federal law.

You must use a part of the building over which you have total control, like your porch, patio, or window sill. You have no right to access a common area e.g. a shared rooftop.

Also, the rules do not allow HF antennae, unless they are disguised as TV reception antennas (which is easily doable).

When I started looking for houses I told the Realtor (www.evelyn.com) that I had antennas and a drum set. She said "Canyon Country!"

thanks to the cop who put me on the criminal list when I was NOT comitting any crime whatsoever because I do NOT commit any crimes.

Scrooge likes the fact that the D-Star users have xhosen the still currently in use by sstvers national sstv frequency as the national D-Star calling frequency.

It irritates the h out of both groups.

Scrooge likes the fact that there are at least four different amateur radio repeater coordinating groups in the same place at the same time.

It simultaneously irritates the h out of all the groups no matter what frequency you're transmitting on.

Scrooge likes that PRSG's actions resulted in lids being heard on 27 mhz decades after they would have otherwise been gone.

The 27 mhz lids irritated and still irritate the h out of people worldwide.

Probably because he's describing an issue that comes up more often each day. And HOA's are becoming more aggressive at harrassing people into surrendering their property use rights, in favor of the association's vision of what life, and media access should be like.

The rights and powers of HOA's are poorly understood. Most often by the HOA's themselves. And the conflicts that arise from HOA covenants and restrictions running square into Federal laws and regulations have left a lot of folks confused, frustrated, and in many cases unnerved.

Sonny, You are a Certified, Class A, Blue Ribbon, Moroooon (Bugs Bunny Definition).... This has ALL been explained to you before, But you don't seem to be able to understand The KINGS English....

Now it also seems that You, and your local Barney Fife, are of equally poor intelligence, and are to DimWitted, to understand how the Federal Statutes under which Radio Law in the USA is administered.

Old Barney there doesn't seem to understand that HE is exceeding his Jurisdiction, when he, according to you, tries to enforce some arbitrary Rules, that have to do with Radio Law, in the USA. If he had brought YOU, into a Court of Law, The Judge would certainly thrown out any charges that concerned Operation of a Radio, stemming from any local Statue, as the Local Statue would be in violation of Federal Preemption, and therefor unenforceable.

and you, Sonny, don't seem to be able to understand the difference between Part 95 and Part 97 of the FCC's Rules and Regulations. There is NO SUCH THING as "HAM Operations" on frequencies authorized in Part 95, since those frequencies were transfered from Part 97 to, the then NEW, Part 95.

You either operate under Part 95, or Part 97, but NOT both, in any one transmission.

Sounds like you and Barney Got into it, because you're an Ass, and he is an Idiot, and Barney won because HE had the BIGGER Gun..... and some how you never got in front of a Judge, who would have settled both your Hash's right quick.

Oh how In hate Stupid, because it can't be fixed, and you Sonny, are Stupid......

People have said the FCC made a mistake and didn't know what they were doing when they created FRS right exactly on GMRS frequencies and rigjht in the middle of GMRS frequencies.

Wrong!! It wasn't a maistake. Which I will shortly prove.

People said the FCC made a mistake and didn't know what they were doing by never trying to move the 27 mhz CB channels to UHF when 27 mhz got so bad.

Wrong! Back in the late 70's/early 80's when 27 mhz CB was it's worst, the FCC DID try to move it to the UHF band by attempting to create the Consumer Radio Service on or near the Class A CB/GMRS frequencies hoping all new CBers would use those channels thereby limiting CB lids to local areas no matter how much power they tried to use instead of the lids being heard worldwide where the FCC gets complaints about U.S. lids from the rest of the world.

But PRSG fought it all the way, and fortunately was sucessful enough at winning their case to keep the lids transmitting worldwide on 27 mhz for many more decades instead of allowing the FCC to create a service that most new cbers would flock to which would limit most of the lids transmissions to only their local area.

If most people had moved to the new consumer radio service (which never came into being at that time), the lids wouldn't have had anyone to annoy on 27 mhz CB since everyone else would have moved to the uhf "consumer radio service" to avoid the lids. Since that's where the majority of the activity would then be, the lids would follow to the uhf consumer radio service in order to annoy as many people as possible.

Now, the rest of the world doesn't hate that the U.S. has 27 mhz CB. They just hate the lids on it, as do most of the U.S. cbers.

So for all the rest of the world who hated hearing U.S. lids on 27 mhz for decades, you have PRSG to thank for it.

I know that even the MURS users hate both Corwin Moore and PRSG.

The currrent FRS IS the Consumer Radio Service, (which PRSG also fought against and partially lost this time), just under a different name and about twenty years later than it should have been thanks to PRSG.

Since the introduction of FRS, I now hear ONLY ONE lid on 27 mhz CB in my area.

Because the majority of the public has currently fled to FRS to avoid the 27 mhz lids.

And since FRS is now where most of the people are, the lids followed.

Except on UHF, they can't be heard out of their local area no matter how much power they attempt to run.

And if they atttempt to run too much power on UHF, it will be a self-correcting problem in one way or another.

So for everyone in the whole world who hated having all those lids on 27 mhz CB for decades, you all have PRSG to thank for it.

Otherwise the lids would have moved to UHF CB long ago.

All you have to do is look at today's FRS to see that that is true.
They usually flock to where they hear the most people.

That's obviously why the one lid in my area who still has only a CB has chosen channel 19, the truckers' channel. to promote his liddiness on.

Even MURS users hate both Corwin Moore and PRSG.

And for good reason, but that's a subject for another post.

People have said the FCC made a mistake and didn't know what they were doing when they created FRS right exactly on GMRS frequencies and rigjht in the middle of GMRS frequencies.

Wrong!! It wasn't a maistake. Which I will shortly prove.

People said the FCC made a mistake and didn't know what they were doing by never trying to move the 27 mhz CB channels to UHF when 27 mhz got so bad.

Wrong! Back in the late 70's/early 80's when 27 mhz CB was it's worst, the FCC DID try to move it to the UHF band by attempting to create the Consumer Radio Service on or near the Class A CB/GMRS frequencies hoping all new CBers would use those channels thereby limiting CB lids to local areas no matter how much power they tried to use instead of the lids being heard worldwide where the FCC gets complaints about U.S. lids from the rest of the world.

But PRSG fought it all the way, and fortunately was sucessful enough at winning their case to keep the lids transmitting worldwide on 27 mhz for many more decades instead of allowing the FCC to create a service that most new cbers would flock to which would limit most of the lids transmissions to only their local area.

If most people had moved to the new consumer radio service (which never came into being at that time), the lids wouldn't have had anyone to annoy on 27 mhz CB since everyone else would have moved to the uhf "consumer radio service" to avoid the lids. Since that's where the majority of the activity would then be, the lids would follow to the uhf consumer radio service in order to annoy as many people

as
possible.

Now, the rest of the world doesn't hate that the U.S. has 27
mhz CB.
They just hate the lids on it, as do most of the U.S. cbers.

So for all the rest of the world who hated hearing U.S. lids
on 27 mhz
for decades, you have PRSG to thank for it.

I know that even the MURS users hate both Corwin Moore and
PRSG.

The currrent FRS IS the Consumer Radio Service, (which PRSG
also
fought against and partially lost this time), just under a
different
name and about twenty years later than it should have been
thanks to
PRSG.

Since the introduction of FRS, I now hear ONLY ONE lid on 27
mhz CB in
my area.

Because the majority of the public has currently fled to FRS
to avoid
the 27 mhz lids.

And since FRS is now where most of the people are, the lids
followed.

Except on UHF, they can't be heard out of their local area
no matter
how much power they attempt to run.

And if they atttempt to run too much power on UHF, it will
be a self-
correcting problem in one way or another.

So for everyone in the whole world who hated having all
those lids on
27 mhz CB for decades, you all have PRSG to thank for it.

Otherwise the lids would have moved to UHF CB long ago.

All you have to do is look at today's FRS to see that that
is true.
They usually flock to where they hear the most people.

That's obviously why the one lid in my area who still has
only a CB

has chosen channel 19, the truckers' channel. to promote his
liddiness
on.

Even MURS users hate both Corwin Moore and PRSG.

And for good reason, but that's a subject for another post.

You can get the PRO-197 for $399.00 at Radio Shack that will easily handle SD County trunked systems. Radio Shack sells a small mobile magmount that I have been using in my apartment near a window.

The antenna that comes with the radio should work for close by monitoring.

This store might sell scanners in Vista, give them a call:

Vista, San Marcos? hehhe, I'd have to pack lunch to go that far :) I'm
right in the middle of the City of SD (University & Texas) and have been
told that the reception is terrible and that there is a lot of usage of all
channels, which bleed over unless you have a 40' high antenna cut to the
exact freq. you want. You're the first guy to say something positive :)
Possible you're right?

I want to listen to the zoo, ships in the bay + the military, transit
authority. I had a scanner a long time ago and found the police boring
because they have very good radio discipline and by the time you look up the
codes they use the conversation is long over.

Thanks,
Bob

Then your best bet is Ham Radio Outlet for Uniden or GRE or of course your local radio shack. The scanners you want to use are all capable of monitoring everything you want. With Radio Shack you can try for a while and take the radio back if it doesn't work for you. One thing that may help with close by radio stations that create intermod is the attenuation settings that help with overload, but still let you listen to stations.

I can speak highly of the BC246T, I have 2 of them. I bought the first one not long after they hit because of size. Was using a Pro95 (that still works) at work. The learning curve was a bit of a PITA since they are so different, but after a little frustration I had it programmed and working. I use the Radio Shack 800 MHz antennas on mine, they seem to work a little better on the 800 band and are easier to carry. I often carry it in a T-shirt pocket with another shirt over it. The reason I got the second one was after a couple years of hard use at work, the first one was having trouble with the switch for the earphone. It is used with an ear piece plugged in at work. That one does still work but now and then I have to push on the jack to get it to work. Second one has been going strong for a couple years now.

An amendment to the city's ordinance, recently approved by the Reidsville City Council, limits the use of electronic devices that may interfere with private radio, television or telephone reception. Basically stated, it is now unlawful for someone to operate within city limits any device "designed to transmit or receive communications signals, broadcasts or frequencies," according to the amendment, between 6 p.m. and midnight every day, as well as from noon to midnight on weekends. Those are the times when officials think people are more likely to be listening to AM or FM radio or watching television "prime viewing time," as City Attorney J. Michael Thomas called it. Such devices as CB's and HAM radios are targeted by the ordinance. When they are caught, violators will face a $100 civil penalty each day until the problem is corrected, although council must approve the fine before it is imposed. The ordinance amendment was spurred by frequent complaints about interference. It is not designed to prevent people from using communications devices, but rather limit use to hours when it will be less intrusive to other people. "People have a right to use this equipment," said Councilman Reid King. Thomas said it can be hard to trace down people causing interference. But with most of the people making complaints so far, he said, it has been "obvious" who the ones causing the interference were. Originally worded to mention only radio and TV reception, King asked for the word "telephone" to also be included in the amendment. Interference can occur on both conventional and cellular phones, he noted. The ordinance will not apply to any transmitter or broadcasting station operating under provisions of the federal or state regulation such as the local radio and television stations, the police fire and departments, municipal services, emergency workers and health care providers are also excluded.

And this local Ordinance would be Patently Unenforceable in court today, as the FCC, by Federal Statute, is the only Agency with Police Powers, with regard to Interference caused by Licensed Radio Services in the USA, PERIOD.....

Hello,

Regarding this pushbutton antenna switch that Grove offers:

http://www.grove-ent.com/SWC01.html
$19.95   SWC01

Was wondering if anyone is using it, or has any opinions on it ?
Sure is cheap enough.

They claim "usable" up to 2.0 GHz.

My application would be HF thru the vhf/uhf scanner frequencies,
BUT Receiving only.

Any thoughts on would be most appreciated.

Thanks,
Bob

Authorities say a Bonita Springs, Florida man whose car looked like an unmarked police cruiser is behind bars.

According to the Collier County Sheriff's Office, a deputy stopped 20-year old Nathaniel Fine on Saturday and reported that Fine's car was outfitted with red lights in the back, a police scanner and an expandable baton. There was also a Massachusetts State Police patch found inside the car. Fine told the officer he wasn't trying to pull people over.

The officer also found marijuana in the car.

Fine was arrested on charges of possessing marijuana and a radio scanner tuned to law enforcement frequencies.

Florida law prohibits the use of scanners in a car unless the operator has a radio license or the operator's job requires the use of a scanner in the car.

NOTE: It is unfortunate that my local mullet-wrapper newspaper chose to entitle the above item "Man arrested for having police scanner in car."
That is like saying OJ was arrested for carrying a knife.

Looked like?
Don't they allow these cars that are bought at auction to be registered in FL?
Red lights in the back? I thought all cars in the US had to have red lights in the back?
Was he going to drive in reverse to pull people over? Wave his expandable baton at them out the window? Maybe wave the patch from another State's Police at them? Or hold the patch out as he got out of his car?

I have for sale a PRO-2005 and a PRO-2006 scanner. You know the specs on these scanners so all I'll tell you is their condition.

The 2005 works great with no problems that I know of. The case is clean (case back halves have been painted medium gray but does not exactly match the front.) The operating manual is included. I want 85.00 for this scanner.

The 2006 was bought new and it still looks new. I did replace the el strip a while back so the display is bright. Mods have been made that opens up the frequency range and a jack to the discriminator tap installed on the rear panel. Included are the box and original operating manual as well as the service manual. I want 150.00 for this scanner.

Anyone buying the PRO-2005 will also receive free, a working Realistic Timekube receiver. Push buttons select 5, 10, or 15 MHz time signals.

Anyone buying the PRO-2006 will also receive free, a working BC-145xlt scanner minus the power adapter.

In addition, anyone buying both will receive free, Bill Cheek's THE ULTIMATE

Well, I've had my GRE PSR 300 for about three weeks now, and I must
say I'm extremely happy with it. It looks like my Pro 97, but this
scanner is way more sensitive. In fact, it may be to sensitive. It
pulls in weaker stations much better, but I have to really tune the
squelch way way back to stop it from picking up every annoying humm,
click, and other unwanted noise on the bands.

I would definitely rate it a "10" on a scale of ten. I already have
some trunking stuff programmed into it and that works well too.

Thanks for suggesting the GSE PSR 300. I'm as happy as a mouse in a
cheese factory now. And I only paid $148.00 for it.

I also bought a highly sensitive antenna from Scannermaster. It cost
me nearly $40.00 Perhaps that it is another reason why it receives so
well. The antenna is flexible rubber also. So when it get bent, or
jammed it springs back to it's original shape.

Yeah! If all you wanted to monitor was public service or if everything was digital they would be pretty well useless. However, that is not the case. There is a lot of stuff out there these older scanners are capable of receiving. Depends on what you want to listen to.   Scott

And you my fiend, are an ignorant, miseducated, paranoid,
schizophrenic, psychopath. People like you need to be sent to the deep

off. See how well you could fend for yourself there without any other

What mystifies me, is that this all is tied to the home state of Mot, Saul
Alinski, Capone, Barry Hussein, Bobby Rush, and this is supposed to put a
crimp in the Clinton bros. Coke habit?

As part of some similar work I did this last year, I spent a lot of time at PSAPs and radio sites. While the PSAPS have equipment < 5 years old in many cases, the RF equipment at the sites dates to the 80's and even earlier in most cases. Subscriber equipment is usually narrow band compliant, but the RF infrastructure in much of the country is woefully neglected. I have a theory as to why this is...

I have the PRO-2006 and the comparable PRO-43 handheld. They are both still useful. I listen to Ham Radio bands all the time, as a ham radio operator, and I find them very useful for that. I find they are more sensitive to reception and sound better than the small ham radio receivers I have. I scan on the PRO units, and if I want to talk I just use the ham unit. Also, the aviation bands are programmed in. I realize most public safety comms are now trunked, so these are not useful for that. I can pick up County and township operations locally, not city or state police which are trunked. However, there are some public safety agencies that "mirror" their comms on non trunked

channels for other agencies not n their trunked system to hear
communications, so you pick that up as well.

You can also pick up CB comms for traffic, as well as weather radio.
If you are into listening to FRS/GMRS radio, these scanners pick up
that as well. Since the PRO-2006 has a "tape out feature", I run into
VOX tape recorder and can record scans when I know there is something
I want to listen to is on and I am not around. I am playing with
having them connected to my PC via the audio in jack and recording the
scans to my hard drive via an audio VOX program on the PC.

Yep, you're right Richard, the atmosphere is full of radio signals these scanners will receive. I have a very nice old crystal scanner that still receives many signals and the audio quality on this old beast is very good. Still, if all you are interested in is trunked or digital trunked, they just won't cut the mustard. Thanks for the reply. Regards Scott

whackers will be arrested.

this is proof that anonymos norman was correct that even if it's
completely legal in your state, you must uninstall equipment installed
in your car while driving through another state.

So you must remove that legal tint from your car while on vacation
before driving through a state which prohibits that tint by law, you
must remove all cb equipment from your car and all ham radio
equipment.

I thought this violates the law that states must recognize all other
states's laws, especially in regards to vehicles,

but obviously not since this is proof that anonymous norman was
correct.

It wasn't directed to me since I was just readsing what had already been posted.

While reading the cop forums, the cops said "it is against the law to have a CB radio in your car unless the emergency channel on it is disabled.

and only then may you legally use it to transmit on the other non emergency channels.

The cops from all states agreed this was the law.

Now, the only emergency channel on a CB is 9.

Of course they know this. That is why they said "channel" and not "channels" like on a scanner.

I think disabling it defeats the purpose of having the channel on cb in the first place, but the law is the law, ansd good upstanding moral citixens MUST follow ALL laws, so it must be disabled from being able to transmit on cb channel 9 while keeping the ability to transmit on the other 39 channels in order to stay legal.

The problem is the only way this can be done is by modifying it to do so, and the cops say it must be modified in EXACTLY that way in order to stay legal, otherwise they will fine and arrest you and "hrow you in jail for your illegal activities of having transmit capability on CB channel 9 which only terrorists do, so you deserve to be in jail for committing illegal terrorist activities like that"

I thought modifying the CB to do such, voids the FCC type acceptance and makes it illegal and against the law to use on any channel if the emergency channel on it is disabled.

But I was obviously wrong, since the cops in EVERY state say the law is the opposite and that you will be thrown in jail for your illegal terrorist activities

of obeying the FCC rules. Which only terrorists do.

Okay, so they didn't say "of obeying the FCC rules", but that's obviously what they meant by saying the rest.

This concerns both ham radio and cb radio and possibly others.

Imo, the FCC made a mistake by allowing local police authority over CB radio.

Police should never have that authority. There have already been incidents over it.

One cop made posts attempting to show why local police have autrhority over (what the did not have authority over) and why they should be allowed to do so.

But in doing so, he only proved to those in the know why local police like him and local police departments like his should never have any authority over CB, ham, frs,gmrs, and any other radio the FCC allows the general public to use.

When asked how he can tell what is a legal radio and not and whether he was trained or not,

he replied his police department was trained in such matters and that after stopping a driver for a possible illegal radio or after entering someone's home in a rfi interference case, which the local cops have all aithority under , to determine if the radio is legal or not, with the other local cops from the police department, if it has a FCC type accepted sticker on the back, then it is a legal radio and the person won't be arrested, but if it dpesn't have a fcc type acceptance sticker on it, whether cb, ham, or any other type of radio, then the person will be arrested, ticketed, and fined since that is proof positive the person is guilty of both illegal activities and rfi.

Great, so what the cop just did, if that situation ever arised in his jurisdiction, he just let all illegal cbers who modify legal fcc certified/type accepted cbs to operate on the freeband and/or 10 meter and 6 meter ham bands go scott free since there's either an FCC type accrptance sticker or an FCC certified sticker on the back of the cb, depending on when it was made, off scott free and free to continue their federally illegal activities while arresting all legally operating ham radio operators who have radios which don't say fcc cerified/type approved on the back.

Such as if they built their own or imported one.

Then when asked how he would know if a person is a legal ham or not since a legal ham who just passed the test doesn't have his license yet, and the FCC says you can start transmittijng as soon as your call letters appear in the FCC database, before you recieve your copy in the mail, so in that case the legally operating ham doesn't have anything to show to the officer anyway.

The cop replied that a ham who takes the test gets a CSCE , and must ny law show the csce to the officer and that the csce is proof that the person is indeed transmitting legally.

Great, so the officer just let a guy who only took the test on a bet with his friend on whether he can pass the tech test or not, but has not had any call letters appear in the FCC uls database yet let alone recieved in the mail, off scott free after catching him illegally transmitting on ham radio frequencies without a valid legal call, but using phony made up calls he looked up in the callbook, qrz, or the fcc uls database.

despite what the cops say and think, a CSCE is NOT proof that you are operating legally and NOT proof you are allowed to transmit.

A perfectly legal ham who has just recently passed the test and has had his call letters appear in the fcc database but has not recieved his hard copy through the mail is legally allowed to transmit and does NOT have anything to show the officer anyway that proves he is allowed to transmit.

So the local cops are way out of line, and way out of their jurisdiction to even require ANY license or ANY proof that any person is allowed to transmit on ham radio.

They are also way out of line to even ask about it.

There is no such thing as a simple scanner any more.

Just remember that the Cruise Ship is likely a Foreign Flagged and therefor under the Radio Regulations of that Country. Also, ANY operation of a Transmitter while aboard is at the Discretion and Authority of the ships Master.

First you need to decide what you want to listen to. Radio reference would help. You need to find out what kind of systems you want to listen to. Assuming it's a trunked system and not digital it's not really "hard" but it can be very trying to first set one up reading the manual. Te manuals always seem to be written to people that already know how. Places like this and the Yahoo groups will be a GREAT help here. if you get stuck, help is easy to find.

I think you are making too much out of nothing here. That wasn't even
worth posting about.

I applaud the FCC's recent statement and reaffirmation of the rules and what the amateur radio service was created for.

And I was especially glad to see so many true hams stand up against the people trying to usurp the frequencies.

Until then, I was beginning to think I joined ham radio for the wrong reasons.

My earlier posting automatically lumped those folks in with the true ham radio operators because everywhere I turned, all I was hearing is that's the main purpose of amateur radio.

Well, not according to the FCC. And not according to U.S. law.

Since the wackers are so interested and much more knowledgable in and about amateur radio, it's history, and the law, then they must know for sure where the laws they want changed originate and how to easily change it. LOL.

As proof wacker emcom hams are bad for ham radio, I've seen a site made by a ham who is obviously one of the emcom hams although I don't know or remember if he's actually a whacker or not.

His website was about "proper ham radio etiquette".

According to him, proper ham radio etiquette on the ham bands, including the repeaters and simplex frequencies is to never ever use ham radio terms or ham radio jargon on the ham radio bands because no one else understands what those words mean, and therefore breaks the FCC rule requiring plain English must be used,

but that it's okay and even preffered to use CB terms and CB jargon on the ham radio bands because everyone understands what those words and terms mean and therefore doesn't violate the FCC rules requiring plain Englisg be used.

Yes, you read that correctly. He claimed proper ham radio etiquette on the ham radio bands is to never ever use ham radio jargon on the ham radio bands at all, but that it's okay and even preffered to use CB jargon on the ham radio bands!!!

Wow! I guess all those true hams claiming ham radio is currently becoming like and turning into CB were correct after all.

At first, I didn't think it was. Until I read that.

I would give the url, but I put it on disc somewhere, and deleted it from my computer and don't remember where it's at. Yeah, I know that will make the whackers here post there's no such whacker site. Well, I don't care what you beleve, "and that's the pffftttttt truth."

He was definitely the typical emcom type, though. Said all ham repeaters and frequencies should be kept as free as possible from anyone communicating on them because they might someday be needed by emergency personnel and that if you must talk on any ham repeater or any ham frequency, the total conversation time between both parties should not last more than two minutes.

And preferrably should not even be that long.

(That's one minute per person, or less if you do it the preferred way) .

(preferred by whom? Why obviously prefered by employee emcom workers who don't want anyone else talking on the bands so they can say the bands are empty of other activities and should be turned over to emcom employees.

Of course he and they don't usually admit that part. That's one of the reasons they keep kicking true hams off the ham frequencies whether simplex or repeaters.)

(There's also other reasons such as power trips, etcetera)

Also, he said that you should never ever make any outgoing calls on IRLP or Echolink because when you do, there might be someone trying to get in on Echolink or IRLP who can't because you are blocking them from doing so by having dialed out and connecting to and using another repeater.

Wow! Well, imo, if everyone followed his rules and never made any outgoing calls on IRLP or Echolink, (which some particular hams obviously want), there wouldn't be any incoming calls anyway since they would be outgoing calls to the person making them. And since there isn't any incoming calls anyway, then why not dial out and use the Echolink and IRLP to connect to other repeaters?

On second thought, even if he's not the type of person who impersonates policemen and fireman and ems workers or goes out to the scenes,in my opinion, he's still a whacker.

Ham radio terms and jargon improper etiquette on ham radio frequencies?

CB radio terms and jargon preferred and proper etiquette on ham radio frequencies?

Outgoing calls on any IRLP/Echolink repeater or link anywhere should never ever be made anywhere anytime because there might be an incoming IRLP/Echolink call on that IRLP/Echolink repeater (which happens to be a prohibited outgoing call to the person making it, if you follow his rules. He wasn't talking about his repeaters but all ham repeaters).

At least, that's the best I can remember it to the best of my memory, anyway.

IMO Yep, a true wacko/wacker alright.

The same things are happening here in chile , about a year ago i was forced to go outside the car because i had an 80 and 40 meter band whips on the roof of my car , after being interrogated for almost an hour , and inspecting my TS-50 HF radio they leave us , i even show to them my ham licence. they didnt had a real reason for stopping us . other day my mother was stopped because was carrying a K40 cb antenna on the roof of the suv and a royce 639 cb , we have the legal paperwork for the radio , but instead of asking for the cb permit (we are one of the last countries that requieres cb permit) , they started to make odd questions , it was a new SUV , they asked of she was able to buy it and odd humilliating things like that , then they started to bitch about the CB , for what was and etc , my mother also a ham replied that was 100% legal to carry it having the CB , then she asked for a higher ranking officer , the cops just let she . thats my experience with cops and radios . i know a lot of third party conflicts .

men , channel 9 is for that , transmitting in the event of a emergency , is more illegal to ask to remove it from the radio , than having it , here in chile we have almost identical FCC type laws , they are a copy , if a cop bitches you for being on the 9 , just say that you are monitoring if a emergency happens , he has no influence over it , ch 9 for emergencies is a gentlemans agreement , as 19 is for truckers . here we even have attended a birth on channel 9 , there are no laws about having or not having ch9 , ch9 is there for a reason CITIZENS EMERGENCY COMMS , cops cant make their own laws , FCC owns the airwaves not the cops !

Because I was NOT talking on the radio while driving, I was so tired I accidentally ended up passing a school bus with it's flashing lights on. It's stop sign wasn't out or down yet, but it's still against the law to pass a school bus when it's lights are flashing.

X-No-Archive: Yes

If I had been talking on the radio while driving, I would have been more awake and more alert and not have accidentally passed the school bus while it's lights were flashing. I would have been stopped in time.

Thank you, al you idiots out there, especially in New York and California and other states who make the roads MORE dangerous by outlawing talking on two-way radios while driving unless you're a policeman, so that drivers who are tired after a long day of work will fall asleep at the wheel and cause accidents so the cities, counties and statess can make more money by fining them instead of staying awake so there's no accidents or less accidents.

But the states don't actually care about the safety of other people. They just care about the money even if it causes other people injuries and death or little kids to die.

Idiots.

okay, which one of you bozos did this. Being interested in
radio, we
all know what really happened here. But here's what you
bozos have the
general public thinking.:

"As usual, the long work day was coming to an end and I was
dutifully
putting the last load of laundered clothes away in our
bedroom when I
heard a ruckus on the baby monitor just a few feet away from
me. I
thought it strange when I knew my husband and toddler were
both in the
living room quietly watching TV as my two-year-old drifted
silently
off to sleep curled in my husband's lap as he caught the

evening news.
The bedroom door was straight in front of me and I could see all the way down the hall to my husband and son in the Lazyboy chair as this ruckus over the monitor continued.

It didn't take long for me to realize the sounds were very familiar. Earlier in the day, I was in my toddler's bedroom putting a load of folded clothes into the drawers and picked up some stray toys and books that weren't being played with at the time. As I was doing so, I was telling my son about the story of "Jack and The Beanstalk" for the first time.

Now I stood in disbelief as I heard the drawers being pulled open and shut and rustling of the toys and books being put into their proper places. But I nearly fainted when I heard my son's voice over the monitor! I kept looking back and forth at my husband and now-sleeping son in the chair in the living room and the monitor sitting on my dresser that was literally replaying the specific events from earlier in the day!

The monitor is a standard baby monitor bought from Wal-mart and is NOT a recorder, but instead monitors the sounds coming from the room as they are happening at present time only. I listened as my voice retold the story of "Jack and The Beanstalk" and listened with familiarity as my son responded in baby-talk to the tail he had never heard before.
The incredible part was this all happened five hours earlier on the same day!

I quickly called my husband into the room as he listened to the last part of the story with my voice coming through the monitor and our sons coos and chuckles. He stood stunned and turned his head and looked at our sleeping son flopped peacefully over his shoulder. In disbelief, he asked, "How in the hell...?!" as his voice drifted off trying not to miss a thing. I just stared at him in the same disbelief and we both just shook our heads.

This has never happened before or since and became pretty clear from the beginning that we were listening to some kind of warp in time. I never imagined in a million years that I would be witness to it and must admit, if it should happen to you, it is indeed, one of the most incredible moments one can ever experience!"

"Neighborhood coordinators should be equipped with General Mobile Radio Service (GMRS) radios when possible. As indicated, these radios can communicate on the first 7 channels of FRS radio, plus 8 additional frequencies. These radios have a farther effective range (typically reliable to 2 miles in urban areas, and farther using repeater systems). Use of these should be limited so as not to cause undue frequency congestion."

"Since the ham operator is already involved in emergency message relaying, he/she is most likely monitoring several other radios/ frequencies, and will potentially be receiving messages from multiple neighborhood coordinators via the GMRS/FRS link"

nice, so you're using gmrs radios at higher power levels than frs radios including gmrs repeaters.

I hate to tell you emcom wackers and other wackers out there this (no, not really. ha!), but you're STILL illegal.

The FCC has already ruled you're a business.

The FCC has also alreasy ruled that business use is NOT allowed on GMRS unless you're a grandfathered organization.

At least, business use by organizations isn't allowed.

No, this wasn't a recent ruling. This ruling has been in effect for years.

Since you yourselves stated in the above paragraphs that you either intend to or are using higher power GMRS, then whether you have a GMRS license or not, you ARE illegal bubble pack pirates.

And if you're not using the bubble packs, you're STILL illegal, period.

Dome wackers , the police type claim they do it to uphold the law because the law must always be upheld against people breaking it because the people breaking it must either be fined or put in jail.

Well, wackers, if you're so for upholding the law and d hate everyone who breaks it, why are you than continually breaking it yourselves?

Well?

the problem is

several neighborhoods and neighborhood watches have already appounted certain people in their neighborhood as head og frs/gmrs in case of an emergency, although probably not in every neighborhood.

Then along comes emcom and appounts theirselves as heads in the same neighborhoods,

so what now happens is

in case of an emergency, the heads appointed by emcom and neighborhood watches will be fighting and arguing over who is in charge of the emergencies and frs/gmrs channels.

NOT a good situation, in my opinion.

Emcom should be using either the public safety channels or the business channels.

LOT of TEN or Singles.
Minicircuits ZKL-1R5 [ZKL1R5] RF MICROWAVE AMPLIFIER(s), Wideband 10MHz-1.5GHz.
High-end Amps, MedPower +18.7dBm, LowNoise 3dB, Gain 39-40dB. NEW - in original Minicircuits/antistatic packaging (never used, USA origin & location, ships worldwide).
Either Singles or entire LOT (price shown for a Lot, but message us if you want single(s) - shipping is CHEAPER than shown ($5.20), etc. however on a quantity basis you save by dealing as a Lot, not Singles - message us if you just need a few, not all 10 units).

Posted on Ebay, item# 330371507322 - goto www.ebay.com & enter 330371507322 into search. "BuyNow" OPTION is AVAILABLE - NO need to wait for Auction ending.
Contact via Ebay (best) or Email. By Email, can hit "Reply" in Newsgroups but REMOVE "nospam" strings if appears in my address (edit address manually, but sometimes it=92s already done) so I could respond from a real address/name. Do NOT reply on Newsgroups (I posted here, but will NOT read), and if I get much spam that address will be DISABLED, so you'll have to communicate via Ebay (which, incidentally, is more secure anyway). My Ebay feedback is 100% positive, not to mention 14 YEARS of Newsgroups trading without complains. Again, description is on Ebay but a few facts are copied here (for convenience):

** TECHNICAL SPECS:
A DATASHEET PDF is at manufacturer's site www.minicircuits.com-->enter "ZKL-1R5" into search--> datasheet (do not omit dash, ZKL1R5 instead of ZKL-1R5 will result in an error); so only a few specs are copied below. Finally, check the price Minicircuits is asking - $150/unit, we're asking $39 "auction start" & $56 "buynow" options - new/sealed units but @33% cost (reason to sell is explained below)
** PHOTOS are at EXTERNAL SERVER (as I CANNOT POST on EBAY for free beyond 1st free photo); at http://photos.starium.org ----> select Gallery named "Minicircuits ZKL-1R5"..
=95 Wideband, 10MHz to 1.500 GHz
=95 IP3 +31 dBm typ.
=95 LowNoise 3 dB typ. (not bad for a MedPower amp, rather than dedicated LNA)
=95 Gain 40 dB typ., Flatness 1.2dB
=95 VSWR IN 1.4, OUT 1.6
=95 P1dB Compression Point +15dB min, however charts indicate 17.6 to

18.7dBm
=95 Connectors - SMA (50 Ohm impedance), gold-plated.
=95 DCpower +12V nom @115mA max, but will take a range of 9-13V or wider.
=95 More data, plots, etc. are in a datasheet (PDF) downloadable from manufacturer's website.
Example of applications: communication systems e.g. cellular, satellite distribution, GSM/ISM; Radars, we're using them in a Middle-Stage Amplifier block in an MRI (magnetic) scientific instrument.

** REASON to SELL::
Our RF Engineer has changed Product design in which this amplifier was previously used (a scientific instrument); so not all purchased lots of ZKL-1R5 could be finished before new design "kicked in". In the new design, ZKL1R5 overloads the newly designed next amplifying stage (which became more sensitive) & we don't know a clean way to attenuate ZKL1R5's gain (38-40dB!, lowering powersupply is not a solution & not enough). So instead we switched to using ZFL-500 amps with lower gain & narrower bandwidth (0.5Ghz, in fact all we need is 0.2GHz, not even 0.5GHz). Minicircuit's policy is not to take them back & it's laborious to try to retrofit these into a new system - it's better if we simply sell, at a loss or not, but it's easier. We're already stocked on 60 ZFL-500's, so design change is permanent/verified.

I, in fact, come from a competing RF company (not to be mentioned) so not interested in promoting Minicircuits, but this is one of Minicircuits better models; as far as I know it's using Gallium/Indium PHEMT/etc. FET=92s or something to that effect, not surprising but $150 price is already difficult to attain, yet we ask even 3-4x times less or to exchange for ZFL500 (Minicircuits said =91no=94). It's a pity at the new company where I moved in 2008, which is using RF Amps (not designing them), we cannot use ZKL1R5 due to gain excessive for a new design (was normal in an older design), also we decided don't need 1.5GHz expensive amps considering our signals are under 200MHz.

P.S. Again, more photos are at that http://photos.starium.org site - pictures are better than a lengthy verbal description.

as per FCC Rules, GMRS/FRS are Open Frequencies, and ALL Users MUST
yield the Frequency to Emergency Communications, on a Situation by
Situation Basis. So if one party has a "Safety of Life and Property
Situation ongoing on  Frequency, then ALL OTHER Users MUST find alternate
Frequencies to use, while the SOL&P is ongoing. When the ongoing
situation is resolved, OR the local FCC EIC issues a Cease & Desist
Order, which ever comes first, then the frequency returns to an Open
Frequency, available for other communications.

There would be No fighting and arguing about who has the Frequency, as
it is Open Untill the First SOL&P Transmission, and then it stays with
that Party untill the SOL&P Issue is resolved, or a C&D Order from the
local FCC EIC, is announced.

This stuff is all resolved in the FCC Rules, already... NO harm, Ho
Foul...

Son, what kind of crack are you smoking? NO cops in ANY state have ever declared that it is illegal to have a CB radio capable of receiving or transmitting on CB channel 9 - nor could they make (or enforce) such a law even if they wanted to, The FCC is the ONLY government agency which has the power and authority to regulate such activities.

Now, I could see a situation where police might prosecute someone for falsly reporting an emergency that didn't actually exist using CB channel 9 - just as they would for a false report via telephone - but that has nothing to do with what you seem to believe.

Nor does this have anything to do with the laws that exist in some states prohibiting the use of police-band scanners in vehicles - that's a different matter entirely.

You are a gullible fool if you believe such a thing, just because you might have read it on some blog. No such law exists in any state. Please provide proof to the contrary if you disagree.

Besides it makes absolutely no sense. In fact, the state police in my area post signs along the interstates advising motorists that they (the police) monitor CB channel 9, and that motorists who need assistance SHOULD USE CHANNEL 9 TO SUMMON HELP in the event of a breakdown, accident etc.

Because I was NOT talking on the radio while driving, I was
so tired I
accidentally ended up passing a school bus with it's
flashing lights
on. It's stop sign wasn't out or down yet, but it's still
against the
law to pass a school bus when it's lights are flashing.

If I had been talking on the radio while driving, I would
have been
more awake and more alert and not have accidentally passed
the school
bus while it's lights were flashing. I would have been
stopped in
time.

Thank you, al you idiots out there, especially in New York
and
California and other states who make the roads MORE
dangerous by
outlawing talking on two-way radios while driving unless
you're a
policeman, so that drivers who are tired after a long day of
work will
fall asleep at the wheel and cause accidents so the cities,
counties
and statess can make more money by fining them instead of

staying awake so there's no accidents or less accidents.

But the states don't actually care about the safety of other people. They just care about the money even if it causes other people injuries and death or little kids to die.

Idiots.

Cheap or no. You would be stealing. The license agreement says that one working copy per key. But if you like the software so much, why don't you buy it like those who want to see that software continue? Or is the radio stolen too? Maybe if more people would pay what things are worth we would get better stuff.

more proof the wackers just don't get it.

Several neighborhood watches appointed certain people as head of frs/
gmrs communications in an emergency just like the wackers did except
thery're not wacked out.

In an emergency situation, they will tell the emcom wackers to get
off the channel because "it's an emergency and FCC rules require (the
wackers) to move off frequey in an emergency since they (the appointed
head of frs/gmrs neighbrhood watch in case of emergencies) is in
charge of running the emergency communications on frs/gmrs whenever
there's an emergency.

While the emcom wackers will tell the neighborhood watch frs/gmrs
emergency head to get off the channel because it's an emergency and
FCC rules require them to move since they the self-appointed emcom
person is in charge of frs/gmrs during an emergency.

Then an argument erupts between all the emcom workers and all the
neighborhood watch people.

That IS a frequency fight.

as Stated Above, The Station who initiates the FIRST SOL&P Communication
on ANY Open Frequency, controls that frequency, untill the SOL&P Issue
is resolved, OR the local FCC-EIC issues a Cease and Desist Order, which
ever comes first, PERIOD....

In the case directly above, the emcom folks would be in violation of FCC
Rules, in that they would be interfering with SOL&P Communications in
progress, and therefore would be subject to Comm-Act 1934 as Amended,
prosecution, which can levy fines and imprisonment of $10KUS and 5 Years
in Prison per violation, and each interfered with communication is a
violation.

Any argument that erupted would be a violation of the SOL&P
Communication in Progress Rules and subject to Enforcement Action
under Camm-Act 1934 as Amended.

Nope, this is all well understood, by everyone in FCC Enforcement, and
been in place for MANY Years, but apparently not by YOU..... You need to

Unless the emcom Worker is licensed as a Ham, he is in violation of the
CFR47Part97 just by transmitting on any Frequency listed in Part 97.
Then if he is a Licensed Ham, he would be in Violation of the CommACT
of 1934 as Amended, for initiating a SOL&P Communication where none
existed, OR, interfering with an ongoing communication in progress.

Either one is prosecutable. These so-called emcomm folks, apparently don't know the CommAct of 1934, or FCC Rules very well, or they wouldn't be making such STUPID assertions. This all seems like a paranoid delusion, only in your mind, as it isn't a problem in most other places around the country.

These self-appointed emcomm folks you talk about, can use FRS, as covered under the Blanket FRS License in the USA. they may also apply for and receive a GMRS License for their outfit and use that as well, once licensed.

> They can still use CB.

Yes, they also can use the Part 95 Frequencies under that Blanket License in the USA.

>
> They can apply for use of public safety frequencies.

In order to use Part 90 frequencies they would need to apply for and receive a license for a particular Radio Service Listed in Part 90.

Business Radio Service would be available to them, with just an application, filed.

Any Public Safety, Fire, Local Government, or EMS Radio Service Licenses would need to be applied for, BY the local Government, and then these folks, could be users under the local Government License.

They might just sneak in by trying the Special Emergency Radio Service, IF they could somehow convince the FCC Licensing Folks that they can meet the requirements of that Radio Service. I think that would be a REAL Stretch, however, knowing the FCC Licensing folks, as I do....

Being a reTired FCC Field Agent, and doing FCC License Consulting for the last 40 years, I do know SOME of the Policies in question.....

MFJ does not make the scanners. They are made by GRE and just resold
with MFJ label. Actually, MFJ has pretty good products. Everything I
have had from them works great.

CB radio and ham radio has recently been outlawed in Ontario, Canada as part of the cell phone ban while ddriving. No, this is not another case of vagurly or broadly worded law. This was deliberate. And if it can happen in Canada, which it did, it can also happen in the U.S

Notice the CB and ham radio excuse of using microphones being safer doesn't hold any water with the government lawmakers: And I've seen the same similar description elsewhere of lawmakers in the U.S. saying two way radios are even more dangerous than cell phones because of all the buttons and dials and cord on the microphone which has to be hand held.

Where do they get this stuff?

CBs and ham radios have been being used mobile since at least the 60's and in the 50 years since then, I've never heard of any accidents caused by people talking on the radio in tthe U.S., even when the CB craze was at it's height with more people on CBs than are now on cell phones.

At first glance, I thought this also outlawed frs/gmrs. At second glance, it looks like they will still allow frs.gmrs. At third glance, I can't tell if they're permitting frs/gmrs or outlawing it.

"According to the Ontario Trucking Association, the government plans to phase out CBs and similar UHF/VHF radios over the next three years"

"Officials insist CBs present a particular challenge since the receiver and communications unit are separate from each other and connected by a cord"

"TORONTO =97 It=92s enough to make CW McCall switch to singing the blues.

Ontario=92s ban on hand-held cell phones, texting and other communication devices while driving kicks in on October 26, and surprisingly, the government has included truckers=92 Citizen Band Radios (CBs) and similar types of two-way radios in the ban.

According to the Ontario Trucking Association, the government plans to phase out CBs and similar UHF/VHF radios over the next three years, assuming that two-way, hands-free technologies are developed within that time. The OTA says that the Ministry could extend that timeframe should no suitable technology be readily available to replace CBs.

Officials insist CBs present a particular challenge since the receiver and communications unit are separate from each other and connected by a cord.

The pending Ontario ban on CB radios appears to be the only one of its kind in North America.

The law, which passed earlier this year, officially takes effect on October 26, where the focus will be on educating drivers. Police will start issuing tickets on February 1, 2010 for non-compliance.

The set fine for talking without hands-free setting or Bluetooth while driving has yet to be determined before that date. However, the fine range permissible for this offense is between $60 and $500. Reportedly, demerit points will not be handed out for violations.

There are some accommodations for the commercial sector, however, including permanent exemptions for satellite, navigation, collision avoidance and other fleet management systems for the viewing of logistical information on a display as long as the vehicle is not in motion and the device is not held in hand.

The same goes for hand-held push-to-talk devices, hand mics and walkie-talkies, which are popular in short-haul and vocational applications especially.

Just as the law applies to standard cell phones, push-to-talk devices can only be used while driving if they are mounted or secured to the vehicle and is easily accessible and activated by one press of a button. It cannot be hanging from the roof of the cab or dashboard.

OTA played a big part in winning some exemptions. Before the finishing touches were made to the law, MTO officials were taken to trucking companies to witness the need of such technology in daily operations.

The OTA supported the intent and the principle of the law. It says the final version =93is directionally appropriate.=94

=93We support the hand-held cell-phone ban and believe that the Ministry has made reasonable accommodation for most of the other hand-held devices used by industry that serve an important business purpose.=94

However, Bradley concedes that the three-year phase-out of hand-held CBs is likely to draw the attention of many truck drivers.

=93Given the still pervasive use of these devices in the industry, I expect there could be push-back from some truck drivers,=94 he said. =93In many respects the CB is not only an important part of the truckers=92 social network, but it is also an important safety device in its own right.=94

okay, I found a little more information, which beings up some more questions.

Especially since I might be visiting Canada again sometime in the future.

As I understand it, U.S. law prohibits on CB and ham radio what Canadian law now requires.

hmmm... This information states that it's a little bit different way than the other article stated how the law was.

The other one stated Ontario is phasing out CB and ham radio completely.

This one states Ontario is just requiring CB and ham radio to use hands-free devices.

Now I'm not sure which one to believe.

This is no big deal. All you need is a bluetooth device with vox to accomplish the task. For truckers this does make since, becuase they need both hands free for the wheel and the trucks gears. I think the impact on four wheelers is going to be very small since CB has basically died for most drivers. It won't be a problem for hams either since they can use VOX & Bluetoothdevices to talk.

If this law was passed thirty years ago it would be a problem, but with all the high tech gear that can solve such problems it will be easy to adapt for the changes in the law.

That's really sad. It's the end of an era for drivers.
Perhaps the CB makers will spring up with hands free CB, to
fill the need.

CB radio and ham radio has recently been outlawed in
Ontario, Canada

as part of the cell phone ban while ddriving. No, this is not another case of vagurly or broadly worded law. This was deliberate. And if it can happen in Canada, which it did, it can also happen in the U.S

Notice the CB and ham radio excuse of using microphones being safer doesn't hold any water with the government lawmakers: And I've seen the same similar description elsewhere of lawmakers in the U.S. saying two way radios are even more dangerous than cell phones because of all the buttons and dials and cord on the microphone which has to be hand held.

Where do they get this stuff?

CBs and ham radios have been being used mobile since at least the 60's and in the 50 years since then, I've never heard of any accidents caused by people talking on the radio in tthe U.S., even when the CB craze was at it's height with more people on CBs than are now on cell phones.

At first glance, I thought this also outlawed frs/gmrs. At second glance, it looks like they will still allow frs.gmrs. At third glance, I can't tell if they're permitting frs/gmrs or outlawing it.

"According to the Ontario Trucking Association, the government plans to phase out CBs and similar UHF/VHF radios over the next three years"

"Officials insist CBs present a particular challenge since the receiver and communications unit are separate from each other and connected by a cord"

"TORONTO - It's enough to make CW McCall switch to singing the blues.

Ontario's ban on hand-held cell phones, texting and other communication devices while driving kicks in on October 26, and surprisingly, the government has included truckers' Citizen Band Radios (CBs) and similar types of two-way radios in the ban.

According to the Ontario Trucking Association, the government plans to phase out CBs and similar UHF/VHF radios over the next three years, assuming that two-way, hands-free technologies are developed within that time. The OTA says that the Ministry could extend that timeframe should no suitable technology be readily available to replace CBs.

Officials insist CBs present a particular challenge since the receiver and communications unit are separate from each other and connected by a cord.

The pending Ontario ban on CB radios appears to be the only one of its kind in North America.

The law, which passed earlier this year, officially takes effect on October 26, where the focus will be on educating drivers. Police will start issuing tickets on February 1, 2010 for non-compliance.

The set fine for talking without hands-free setting or Bluetooth while driving has yet to be determined before that date. However, the fine range permissible for this offense is between $60 and $500. Reportedly, demerit points will not be handed out for violations.

There are some accommodations for the commercial sector, however, including permanent exemptions for satellite, navigation, collision avoidance and other fleet management systems for the viewing of logistical information on a display as long as the vehicle is not in motion and the device is not held in hand.

The same goes for hand-held push-to-talk devices, hand mics and walkie-talkies, which are popular in short-haul and vocational applications especially.

Just as the law applies to standard cell phones, push-to-talk devices can only be used while driving if they are mounted or secured to the vehicle and is easily accessible and activated by one press of a button. It cannot be hanging from the roof of the cab or dashboard.

OTA played a big part in winning some exemptions. Before the finishing touches were made to the law, MTO officials were taken to trucking companies to witness the need of such technology in daily operations.

The OTA supported the intent and the principle of the law. It says the final version "is directionally appropriate."

"We support the hand-held cell-phone ban and believe that the Ministry has made reasonable accommodation for most of the other hand-held devices used by industry that serve an important business purpose."

However, Bradley concedes that the three-year phase-out of hand-held CBs is likely to draw the attention of many truck drivers.

"Given the still pervasive use of these devices in the industry, I expect there could be push-back from some truck drivers," he said. "In many respects the CB is not only an important part of the truckers' social network, but it is also an important safety device in its own right."

I thank you kindly for your response.

Unfortunately that database (FCC Data Last Updated On: 04-19-2009 11:47) has the current frequencies and not the new ones. As this system is due to transition in the next week or so I figure the new frequencies have to be available somewhere I just haven't found it.

I'll keep hunting.

Thank you again.

If you can't find it on the Ohio part of the RR, you could do what I did here. This was before I knew of the RR forum. The city here when they first went to 800 of course had to test it. So for a while they were broadcasting on both the old and new. I set my then new scanner that would work with trunked to search, and I soon logged all the freq. they were using here. Then it was just a matter of eliminating the talk groups I did not want. After I had done this I discovered RR had the info, and would have been easier, but it should work there if the info is not published yet.

Hi there,

My Pro-97 has finally stopped scanning. It looks like it is scanning,
but it stays on the same band and the same frequency. When I press the
Red button to hear NOAA weather there is no audio there either.

I listen primarily to police/fire/disaster preparedness, city,
aviation, Air force 1, military jets, civil offense, cellular phones,
regular cordless phones. I don't believe
anyone in this relatively unpopulated area has trunking.

Radio Shack said they would fix it for $90.00

I live in Southeast Missouri, Cape Girardeau, County

Here is a site that will show you the frequencies available in SEMO. I also listen to the Little Egypt area.

http://www.radioreference.com/apps/db/?stid=29

What would you reccommend for an excellent new handheld scanner?

A thousand thanks for your time and advice

No it does not receive anything. Radio Shack will repair it for ninety
dollars.

So I'm looking for another one as per an earlier post a few minutes
before this one.

Thankee.

I always get nervous when someone uses a phrase like, "without a doubt" when discussing a subjective matter. The BCD396XT is a cracking scanner, I'm sure we'd all agree, but the OP said he listens to cellular and he won't be able to do that with a Uniden. So, I respectfully counter with the Icom IC-R20 (unblocked) and/or the AOR AR-8200 Mark III. They are worthy of a look by anyone who wants to buy a serious scanner.

My Realistic Pro 2006 used to pull in so many cellular call ten or so
years ago that I couldn't keep up with the conversations. There used
to be 30 or 40 mimimun going at one time; plus regular cordless.

Now I hear nothing on cellular, and very little on cordless. :-(

After that congressman got caught saying things on his cell phone that
he shouldn't have said, they quickly passed a law forbidding people
from monitoring cellular.

So that was the end of a fascinating period where I could really hear
what people thought about celebrities, and neighbors without them

knowing it.

Needless to say some of what I heard was astounding!

Now the frequencies are so high, and they change so rapidly, it is impossible to hear MOST phone calls. :-(

I miss all of those arguments between boyfriends and girlfriends, husbands and wives, lovers, conversations about how they felt about OJ, Michael J, Clinton, Bush 1, and 2, and of course my neighbors.

I even heard some savage in my neighborhood, tell a beautiful woman who had been coming by to see that he wanted to kill me. That was back in 1993, and I haven't been able to figure out yet who that was. It was a cordless call so the person must have lived within a few blocks of me.

The woman never came by anymore so I figured he scared her away. Then a couple of years ago another female friend of mine told me one day that she was telling her sister who now lives in Texas about me, and her sister interrupted her saying she knew me well, and thought I was a great guy. I was amazed by that. So before I knew it, I had Debra's phone number and email address. I called her and we chatted happily. She told me she had left and moved to Montana, and a few other places before getting married and going to Texas.

After a few fun calls, I mentioned to her that I had heard her talking to this guy and he had threathened to call me. I asked her since we were supposed to be friends why she didn't warn me of what this person was saying instead of never contacting me again. She immediately denied that she had been in a conversation like that. I'm 90% sure it was here because I listened for a half hour or so and heard her telling him things only someone who had been in my home would know.

I have looked all over for the tape of the conversation, but have been unable to find it since I never thought I would see her again. She stopped calling and emailing me after I brought it up. That is fine by me, because I now know she was not a true friend and apparently had other motives for making my acaquaintance. There is no way that if I oveheard strangers talking about killing a close friend of mine that I would not at least immediately notify him/her of what I had heard. After that it would be up to them to decide what to do about it.

I had hoped to hear some criminals stashing large sums of money someplace nearby so I could get it before it was picked up. In 30 years of scanning I have still not heard that kind of call. I also heard several adults who were having affairs with 12-14 year old girls arguing with the girls to not turn them in. One of them did get turned in and is probably still in jail for jumping such young tail.
And of course there were the millions of calls about race. Listening to what we actually think about colored people, and hearing how much they hate us was frightening. My friend tell me I need to write a book in my decades of listening to scanner conversations. :-)

If I can find enough notes, maybe I will do that.

I looked at the 396XT last night. It is a pretty scanner. I'll read up
on the Icom and AOR today.

My Bearcat 895XLT and Pro-2006 still work fine as desktops though.

And so it goes.

Perhaps you, and hopefully others, will find these URLs of use:

BCD396XT
http://wiki.radioreference.com/index.php/BCD396XT

ICR20
http://wiki.radioreference.com/index.php/IC-R20

AR8200

All three are superb scanners. It's nice to be spoiled for choice.

Is there a site where I can compare all three one against the other?

I'm thinking maybe it will be best just to take my Pro--97 to radil
shack, pay them the $90.00 and let them repair the Pro-97

These new scanners cost more than they house, car, and property are
worth! They still won't pick up cellular for the most part. Plus I
have software that will upload and download to and from my scanner.
These new ones don't seem to have that.

Thanks for helping me to narrow my decision. I've heard a lot about
AOR and ICOM when it come to shortwave receivers. They are top of the
line there also.

Cell has gone almost all digital. No scanner you can buy will let you listen to it. I am surprised there is any analog call service anywhere any more.

Cordless phones many years ago went to a system that the scanners you can buy will not pick up. When it first hit it was of course expensive, but like all tech, it has dropped in price like a rock. I have not looked at a new cordless phone for quite a while, but I would be surprised if they even still sell new ones that can be picked up with your scanner. So again this is something that will soon be completely gone.

As for Police/ Fire, even if your area does not yet use some kind of Trunking, they may well soon do so. It would be wise to buy a scanner than can be used with Trunking, even if it is not yet in your area.

The speaker in my Pro-95 has gone bad (voice coil rubs) and I went
round and round with Radio Shacks National Parts Center and their
awful "press 1 for English" phone support. I found a direct
replacement at Allied Electronics. Their part number is 623-2162
$1.81ea. The speaker is a ICC/Intervox, mylar 36mm diameter, 3.8mm
deep, 82dB, 1 watt speaker. Manufacture's # S150RMSS.
The parts breakout for the Pro-95 shows the speaker comes only with
the front case. This should be a great savings for anyone that needs
to replace the speaker.

We just got radio, television, and computers here in

Rushlimbaughville, MO this year. So I have no clue as to what trunking
can do.
http://www.city-data.com/city/Cape-Girardeau-Missouri.html

All that means to me is two elephants using their trunks to wrestle
each other.

Can anyone find a site that will tell you whether there is any
trunking around here, or in Southern illinois, or Northwestern
Kentucky and Tennessee?

You don't need a trunk tracking scanner to monitor and follow trunked traffic. Just set the used range of frequencies into a bank and let the scanner do what it does. While a trunk tracker makes things easier, it isn't essential.

OK as I'm reading right now, I notice that the AOR has a frequency
range from 500K to 3GHZ
The Uniden goes from 25MHZ to 3Ghz

Does that mean that I can use the AOR scanner to pick up shortwave
stations around the world from 500khz on up to 30mhz, and the Uniden
can't? Also WWV at 5,10,15 mhz.

Shortwave is far more important to me in this area than is a trunking
ability.

Thanks

I just completed the questionnaire asking what type of scanning I do,
and how far out do I want to hear.

The page responded that since our area is still in the dark ages, a
basic scanner would suffice for all my funky needs! So I'm leaning
toward the AOR scanner with short wave capability and no trunking.

Important Notes about Illinois:

The Illinois State Police and many other agencies have switched to the statewide StarCom21 digital trunked radio system. The system operates on the 700 and 800 MHz. bands and can be monitored with several models of digital police scanners

In the Chicago area, the Cook County Sheriff uses an encrypted digital Motorola Type II trunked radio system although some operations are unencrypted. Chicago Police use an analog UHF repeater system that can be monitored on a basic police scanner. The Chicago Fire Department uses several analog VHF and UHF channels that can be monitored with a basic police scanner but will transition to a digital UHF radio system that would require a digital police scanner.

Suburban counties use a variety of radio system types. Will County and Lake County use EDACS trunking systems, DuPage County uses non-trunked 800 MHz. channels, and DeKalb, Kane and McHenry Counties use analog VHF channels. McHenry County will transition to a StarCom21 system soon however so a digital police scanner will be needed.

In the suburbs most agencies use UHF or VHF analog systems. Some 800 MHz. analog and digital systems are in use in the far Northwest suburbs (Arlington Hts., Schaumburg, Palatine etc.)

Downstate some areas use StarCom21, including McLean, St. Clair and Madison Counties. Champaign County uses a digital trunked radio system that uses some encryption. Each of these require a digital police scanner. Other locations use mostly VHF channels and some UHF channels that can be heard on a basic police scanner.
Important Notes about Missouri:

The vast majority of public safety radio communications in the State of Missouri can be monitored on a basic police scanner. The Highway Patrol operates mostly on VHF, along with most other state agencies. Most counties and towns use VHF, some are on UHF and a few operate 800

MHz. trunking systems. While neighboring states are building large scale digital systems this remains but a dream in Missouri.

See the RadioReference site for more information: RadioReference.com
Important Notes about Jackson County:

A basic police scanner will work for all county and local Police, Fire and Ambulance radio communications in Jackson County, Illinois, including Carbondale and Murphysboro.

To monitor the Illinois State Police and other state agencies a digital trunking scanner radio is needed as they operate on the StarCom21 APCO25 digital trunked system.

Important Notes about Union County:

A basic police scanner will work for all county and local Police, Fire and Ambulance radio communications in Union County, Illinois, including Anna and Jonesboro.

To monitor the Illinois State Police and other state agencies a digital trunking scanner radio is needed as they operate on the StarCom21 APCO25 digital trunked system.

You make a good point. for a minute there, I just loved the idea of having one radio that picks up everything but trunking.

I do have two Sony 2010's that are portable and work fine. I have a Grundig YB400 radio that works well also. Then I also have a Degen SW radio that is very small and gets outstanding reception.

So if I get the top Uniden, I will be able to pick up agencies when I travel to larger cities like St. Louis, Chicago, Memphis, or some other place. As my father used to tell me about carrying guns and knives to school when I was a teenager: "Son, it is better to have them in your gym bag, and not need them; than to need them one time and not have them."

So now that I'm settling on the Rolls Royce of Unidens, it become a question of finding where I can get it the cheapest. :-)

Do you mean punch in all of the channels one at a time on the same
bank?

Or is there some way to input the entire range of trunked channels
with one or two entries?

FEDERAL COMMUNICATIONS COMMISSION

ENFORCEMENT BUREAU

SOUTH CENTRAL REGION

Miami Office

P.O. Box 520617

Miami, FL 33152

June 29, 2009

Scott Hidnert

Miami, FL

NOTICE OF UNAUTHORIZED OPERATION AND INTERFERENCE TO LICENSED RADIO STATIONS

Case Number: EB-09-MA-0101

Document Number: W200932600058

On June 15, 2009, the Miami Office received a complaint from the Miami-Dade County Police Department ("MDPD") regarding interference to a frequency used by MDPD police officers. Agents from the Miami

Office confirmed by direction finding techniques that radio signals on 867.0625 MHz were emanating from 720 NW 103rd St. Miami, FL. The agents from this office confirmed that these radio signals emanating from a cell phone jamming device were interfering with MDPD communications. During the inspection of the equipment, you admitted to owning and operating the cell phone jamming device. Upon completion of the inspection, you voluntarily relinquished the equipment to the MDPD officers.

Persons operating or using radio transmitters must be licensed or authorized by the FCC, pursuant to Section 301 of the Communications Act of 1934, as amended. In addition, radio transmitting equipment must comply with FCC rules. Section 333 of the Act prohibits willful or malicious interference with any radio communications of any station licensed or authorized by or under the Act or operated by the United States Government. In addition, Section 302(b) of the Act, and Section 2.803(a) of the Commission's rules, prohibit the manufacture, importation, marketing, sale or operation of devices deliberately designed to jam or disrupt wireless communications. The Commission has issued two Public Notices specifically stating that the sale and use of transmitters designed to prevent, jam or interfere with the operation of cellular and personal communications service ("PCS") telephones is unlawful. Section 303(n) of the Act also authorizes agents of the Commission to inspect all radio installations to determine compliance with Commission rules.

The operation of the device utilized by you constitutes a violation of Sections 333, 302(b), and 301 of the Act, as described above. Such operation may subject you to substantial monetary forfeitures, in rem arrest action against the offending radio equipment, and criminal sanctions including imprisonment. Because unauthorized operation creates a danger of interference to important radio communications services, and may subject the operator to severe penalties, this notice emphasizes the importance of complying strictly with these legal requirements.

UNAUTHORIZED OPERATION OF THIS RADIO STATION MUST NOT RESUME.

You may respond with any information you believe relevant to this warning within (10) days from the date of this warning. Your response should be sent to the address in the letterhead and reference the listed case number. Under the Privacy Act of 1974, we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

Former NPD sergeant saves drowning baby

By Jason Graziadei

I&M Senior Writer

(July 17, 2009) A former Nantucket Police sergeant saved the life of a baby that nearly drowned in a pool at a Cliff Road home Friday afternoon.

Former sergeant David Aguiar, now a reserve officer with the department, was driving on Cliff Road when he heard a call come over his police scanner about a 14-month old child that was pulled out of a private pool and was unresponsive, according to lieutenant detective Jerry Adams.

Aguiar drove to the address, located the mother and her child at the end of their driveway and began to administer CPR. He was able to revive the child, and waited with its mother until NPD Sgt. Brendan Coakley arrived at the scene shortly afterward to administer oxygen. The baby was then transported by EMTs to Nantucket Cottage Hospital and flown to an off-island medical facility as a precaution.

Adams said the baby is expected to make a full recovery with no adverse effects from the ordeal thanks to Aguiar's quick response.

Sorry, PSR500 portable and PSR600 desktop. Previously had the Uniden 996. Terrible digital trunking scanner. GRE have both been great and audio is crisp and clear.

Most people don't realize that they spend hundreds or even thousands of dollars a year buying the heavily advertised (HA) brand products in the grocery and department stores. There is nothing in the grocery store that is rocket science. Many of the less advertised (LA) brands or store brands are just as good or better as the HA brands. You are paying for the brainwashing that many HA brand manufacturers put in their advertising campaigns. It is not difficult to make shampoos, conditioners, cleaning products and all those other products that can be found in your local grocery or department store. Why are you paying 4+ dollars for baby shampoo when you can buy the less advertised brand for half the money? Do you like wasting money? If the name brand products are better why would companies be spending billions of dollars in advertising? The answer is that they are not better. They are trying to convince you that the high price they are charging is some how justified by a better product. Studies have shown that many times the most expensive product is the worst product or has no better performance than most of the median priced products. Even over the counter drugs like aspirin can be bought for half the price of the HA brands. This is a product that has been around for decades. The LA products are under the same FDA regulations as the HA brands. Save a lot of money and don't buy the over priced HA brands. When you pay the higher price for the HA brands you are paying for the ridiculous high salaries of the CEO's, private jets, golden parachutes and for the billions spent on advertising.

There is no such thing when it comes to communication equipment. There
are manufacturers which make similiar pieces of equipment with
different features for users with specific needs. We're not talking
about the leading brand of furniture polish here! There is no "house
brand"! However Uniden is one of several leading manufacturers fyi!

Do I still have to type in frequencies one at a time with the best new scanners like the uniden 396XT, The English scanner, and the GRE?

What is the difference between a digital scanner and an analog one?
Why is one better than the other?

How is it possible to have thousands of channels available?

Someone splain dat for me please. :-)

The number of frequencies is pure marketing BS. If a scanner can receive from 100 kHz to 2000 MHz in 10 kHz steps, that is 1999.9 MHz x 100 steps per megahertz = 199,990 frequencies! Of course, old radios with a tuning dial were "better" becasue they could tune an infinite number of channels.

The other two parts of your question have more meaningful answers. Dynamic Range is a measure of how wide of a range of signal strength a radio can handle. A wider range means it can hear weak signal as well as strong ones. That is not as easy as it sounds since strong signals can cause distortion or overload the scanner and cause all sort of problems even when listening to other nearby frequencies.

Digital vs Analog isn't referring to the whether the components in the scanner are digital or analog, but whether the scanner is designed to received both analog and the newer digital transmissions. You ask which is better? Only you can answer that. If you want to hear digital transmissions, you need a digital scanner. If not, an older analog scanner will do.

Here is a web site with a frequency list

http://irishradio.tripod.com/freqs.html
Do a google.com search for

scanner radio frequency frequencies cork ireland

and a more up to date frequency may be available.

This is probably it. It isn't as busy as it once was (the same can be said of all Usenet newsgroups, I suppose). There's also alt.radio.scanner but it sees even less traffic.

It would be very useful to know where you are - city/county/state will do. There are literally hundreds of Yahoo based scanning groups these days - some more active than others. That is, of course, apart from RadioReference, which seems to be having some DB issues.

It gets some wonderful reviews. It seems that would be the perfect

The Internet has messed up scanning just like it has shortwave.

I can go to Radio reference.com, sit here and listen to police fire
city activity almost anywhere in the United States. So why buy a
scanner?

That's not how I feel. I have three scanners now and intend to buy
another one on Wednesday, but many folks do see it that way.

Right now I'm listening to some place in Northwest Missouri about 400
miles from me.

C.I.A. Director Panetta is absolutely right when he says he wants to move his Agency forward, America faces a lot of issues right now, but some are from the past and will affect the present and the future of the Intelligence Community and here are some and that can be linked :

1) The Neocon and Oil Lobby's are constantly pushing for a fight against Venezuela and Russia as well as Iran , because as long as they are the " enemy " and " terrorists linked " , America has only one solid source of oil and gas : Saudi Arabia-Qatar-UAE-Kuwait and only one strategic partner in that region :Israel, so they all get all our money, our weapons and attention, and when will the D.C. Politicians explain this to the American people ? when ? that it's all a fabricated dependency to keep us addicted to these 2 lobby's ? when ?

about the weapons in the Colombia-Venezuela affair , they are old bazooka-like single-use rocket launchers that Sweden sold to Venezuela in 1983-84, and now some seems to have been found in FARC's hands, so after 25 years the neocon press (the editorials in most newspapers are controlled by the Neocon-Oil Lobby's) demands that Washington DC declares Venezuela a terrorist country ?

Rebels Obtained Arms Sold to Venezuela, Colombia Says ,NYT, July,28,08
http://www.nytimes.com/2009/07/28/world/americas/28Colombia.html?

The US Policy in Latin America has been a disaster for 25 years, we should have a US-Latin America-Brazil Conference with all the countries in the continent to start a new dialog, a new era, but DC is so incompetent and corrupt, they will do only what the Neocon-Oil Lobby wants : to keep all divided and fighting, so no change here, what a criminal shame !

2) The next weeks are vital for Health Care Reform, for National Security and Rule of Law : the Obama-Biden team must make very clear to 140 million US workers and taxpayers , as well as the huge retiree and disabled group, that

a) IF THEY LIKE WHAT THEY GOT WITH MEDICARE OR ANY PRIVATE PLAN, THE WILL BE ABLE TO KEEP IT

b) AND THAT PRESCRIPTION DRUGS WILL COME DOWN IN PRICE FROM THE STRATOSPHERIC LEVELS THEY ARE NOW

c) and that the multi-billion dollar levels of profits of Pharma ,Drugs, Insurance and their top executives , as well as the Drug ads costs and its tax deductions as business expenses , will come down to earth ...

of course, not included in all this are the Federal employees and Congress members who get what they call a "Cadillac" Health Insurance , like P.Obama has the honesty to say : these amazing super deals like the one he got are excluded, the fact is that Congress members get what no one else gets...
the next few weeks of "explaining" is the make or break of the deal.....President Obama also wants to end the 177 billion dollar give-away to Insurance Companies under the Medicare Advantage Plan, which is what the Medicare plan offers already, but will he get the Congress to go along on this ?

d) another little detail is the constant cases of Pharmaceuticals (hello ! Baxter Pharma , how you all doing ?) releasing tainted vaccines to the public, but hey ! if we don't get sick, they can't sell us the medicines ,right?

e) many seniors and retiree's are also very worried about the so-called "Health Commissioners" and about obligatory Counseling sessions every 5 years, and who elected these people? who appoints these "supervisors" ? who gave them the authority ? if this is correct (there are so far 4 draft Bills pending and including H.R. 3200) , this is very un-American and un-Constitutional, the House and Senate better explain quickly what's going on about seniors being "supervised"....

and more about Health IT software security, below at 10)

3) about Rupert Murdoch and the Rule of Law :

a) In the 90's , when the Tobacco Lobby was under attack for the costs of emphysema and cancer by then President Clinton and the Democratic Party members in charge of Congress , the top executive Board members of Philip Morris Tobacco, Rupert Murdoch and Carlos Slim Helu among others , were trying to find ways to stop the Legal Investigations going on (international labs were popping-up with modified special tobacco seeds with huge nicotine concentrations, new addictive toxic substances found in most cigarettes were killing laboratory rats in hours ,etc.) so one "plan" was the one proposed by then a gossip and scandal writer working for Murdoch in his New York City publications called Goldberg, and she had a young daughter called Monica Lewinsky ,and while the West Wing of the White House was run at the time by Rahm Emanuel and his partners, Monica became an intern , put right in the center of the White House and was left alone with the president more and more time every day until she got to the core : the President's "personal" attention , the scandal broke-up and the Murdoch TV and newspapers machine started to make millions out of it, all the way to the Impeachment Proceedings....a huge business ,a wounded president under control of scandal and a Tobacco-Nicotine Legislation distracted .....

And now with the same "special team" inside the White House, we all know that it's a matter of time before P.Obama, VP Biden and their teams gets stuck in another "fabricated scandal" and to keep them against the wall and under their control, that's how they always operate : lies, theft, abuse ,extortion and treason , the usual...but as they say : do it to me once shame on you, do it to me twice, shame on me ..... and that's why is so important also to break the circle of corruption and AUDIT the Federal Reserve, this and a new team at the Fed would give the Obama -Biden team power to keep these criminals at bay...

b) Already the way Murdoch got the USA Congress to make an exception so that he could buy assets from G.M. as a foreign national, how he got satellite technology and TV Networks like Fox while a foreign national and they had to change the Laws just for him , how he got away with the Tobacco nightmare, the Lewinsky fabricated criminal fraud, how he and his papers pushed for the Iraq war (with Senator Schumer and Rep.Emanuel , among others, every week on them pushing the lies about Iraq among others) , how Murdoch's papers and TV covered-up the news about the initial march to Baghdad leaving behind warehouses full of weapons and explosives unguarded, how the Baghdad Museum was looted with military precision (and it wasn't the USA or Iraqi Military), how the contractors were losing billions of dollars in trucks and hundreds of thousands of automatic weapons and rifles in transit , and on and on, without a hitch -- we must remember that without insurgency (and armed and with weapons) there was no justification for multi-billion dollar no-bid contracts ... it's a very simple business formula -- it all shows to the world how Washington D.C. has been hijacked by Murdoch and his goons, the Neocon and Oil Lobby's , and it's a criminal shame and a real terrorist act, but will anyone in DC stand up for the Rule of Law ? no one.

even how he avoided taxes on many of these issues in the late 90's and early 2000's should get the IRS going, right? .....not with his friend Shulman in charge of the IRS , won't happen.

c) Rupert Murdoch is a personal friend of Maurice Greenberg of AIG and Judge Rakoff , and the fact that Greenberg fraud case l was in Judge Rakoff chambers has many people wondering, since they all are friends of way back, was there any talks among jurors and Judge and Greenberg? is there anything that we don't know that they know ? how can such a clear double case go in Greenberg's favor ? will the Justice Dpt. investigate ? will Congress ? will the IRS ? will the A.G.'s ? will anyone care ? no.

and in the SEC case against M.Greenberg, he gets a 15 million dollar fine and walks away with 2 billion dollars in AIG and CV Starr stock, and what's the difference in the "cooking of the books for profit " that he did as CEO and chairman of AIG and the "cooking of the books for profit " that others did ? many got 20 or more years in jail, why some go to jail and others get just a fine ? and even others just walk away with a 300.000 dollar salary.... eh! Rahm , like you at Freddie Mac ?

d) In the 9/11/2001 Investigation, Murdoch's friends Zelikow ,Lehman and Ben-Veniste (all the Robert Rubin apparatus) were in the 9/11 Committee, and no one could believe it, since all are friends and partners of the principals in the WTC case : Silverstein, Goldman, Pacific Investments, etc., etc., and specially when : 1) we think about WTC - 7 , the huge third building and that collapsed on its own footprint without being hit by any thing or anyone, in a perfect symmetric collapse ,and still is a mystery to engineers and architects , 2) and while Silverstein had called 23 Insurance companies just weeks before the attack (the leases were signed just 6 weeks before 9/11) to open dozens and dozens of policies over just about everything in the buildings, and about all these issues the Murdoch Tabloid media kept silence refusing to Investigate any of it, and always siding with the Silverstein-Goldman demands for billions and billions of dollars in Insurance payments : the whole thing smelled like rats on a sewer feast , and they were and are feasting on the dead....will anybody ask ? no .

http://www.nyccan.org/
http://www.ae911truth.org/
http://911dvdproject.com/

e) in the 2008 Financial and Derivatives Disaster, the Murdoch TV and Media machine defended many neocons in Wall Street (in many Military-Security and Intelligence Contractors the key stockholders are his Hedge-Fund / Equity / Investment Partners : the war profiteers)
and that's why he bought the W.S.J., to cut-off some of the most deep investigative reporting in that paper about the Federal Reserve ,the Treasury, AIG, Bear Stearns,Lehman,Merrill and Citi and their links (they all did their trading and investing in partnership) and the ex-vice-chairman of AIG, Frenkel , and the ex-chairman , Greenberg , know a lot about it, but will any one go to the bottom of this ? and will anyone check the massive high-speed trading they were doing among them at all hours? with the inside know-how of some at the Fed? and that the WSJ was reporting before Murdoch took the paper over ? no.

so all in all, Rupert Murdoch may be a sharp operator, but for the community as a whole, he has been and is a total disaster, a nightmare for America and the world, but ....he puts his foot and money down and in D.C. you can hear all the pants and garter belts dropping to the floor, the screams and cries....he knows how to keep the DC darlings on a leash , and they like it , the incompetent traitors.

Right now, and as many in the financial areas are saying, many " Wind and Solar Power Projects " are being delayed or cancel due to financing problems, and its the Neocon Lobby of Murdoch with Sen. Feinstein , Feinberg etal and the Oil Lobby the ones pushing to slow or kill these Energy Independence Projects with " No Finance" , this "problem" and that "little problem", they want to keep the USA stuck on imported oil and gas and depending on the Middle East for back-up sources (Saudi Arabia-Qatar-etc. and one strategic partner,Israel, getting all our money and attention) , and so the National losses are staggering and the National Security implications huge, but will anyone in D.C. stand up for America? no.

Unless a new generation of politicians and Americans gets elected , we will always have this abuse, the war profiteering , the tax evasion, the corruption and the criminal activity while the " old class " politicians bend over for yet another campaign donation and yet another Murdoch "nice story" in his Media.

4) in the N.Y. Times, "Power Shifts in Plan for Capital Calamity" , July,28,2009 ,
http://www.nytimes.com/2009/07/28/us/politics/28continuity.html? , we learn that in case of total disaster, the Chief of Staff in the White House, takes control of the Military Office...why ? a political appointee in control? do the President and the Vice-President see where they put themselves in relation to the Emanuel,Summers, Axelrod,Furman, Orszag,Geithner,Shapiro,Gensler , Genachowsky, Feinberg group ? a political-military-financial organized group gets to control the Military Office of the White House in case of total disaster? this is totally Un -Constitutional , but will anyone in DC object ? no !

here is an excerpt   ".....Power Shifts in Plan for Capital Calamity.....WASHINGTON =97 A shift in authority has given military officials at the White House a bigger operational role in creating a backup government if the nation=92s capital were =93decapitated=94 by a terrorist attack or other calamity, according to current and former officials involved in the decision.
The move, which was made in the closing weeks of the administration of President George W. Bush, came after months of heated internal debate about the balance of power and the role of the military in a time of crisis, participants said. Officials said the Obama administration had left the plan essentially intact.

Under the revamped structure, the White House Military Office, which reports to the office of the White House chief of staff, has assumed a more central role in setting up a temporary =93shadow government=94 in a crisis.

And the office, a 2,300-person outfit best known for flying Air Force One, has taken on added responsibilities as the lead agent in shepherding government leaders to a secure site at Mount Weather in rural Virginia, keeping classified lists of successors and maintaining computer systems, among other operational duties. Many of these types of tasks were previously handled by civilians at other agencies, led by the Federal Emergency Management Agency........"

5) WASHINGTON TIMES, June,23,2009 :
EXCLUSIVE: U.S. attorney nominee won't ID all clients
http://www.washingtontimes.com/news/2009/jun/23/attorney-nominee-wont-id-al=
l-clients/
where we learn that Paul Fishman , nominated by P.Obama to be U.S.Attorney in New Jersey , won't ID 37 clients of him at his law partnership , amazing,eh ?

and what about the 44 indicted corrupt figures in New Jersey? why the National Media is silent on this when at least 5 were involved in a Money laundering ring ? why not install the guy who did that great job , Ralph Marra Jr., acting U.S. attorney for New Jersey , in the permanent job ?

How is it possible that we find out about a very well organized money laundering operation working between the USA, the EU and the Middle East and the media turns silent ? how is it possible that c-span, npr and PBS don't even mention any of it?

and these same spin outlets, when P.Clinton secures freedom to 2 journalists , Ling and Lee, and out of North Korea ,they spin these great news into a negative gossip,a negative event, and hoping to minimize the success they look for arguments and conflict , and when they fail they go back to their warmongering criminal nonsense and lies , and they talk about patriotism? who are the real terrorists ? who are the real criminals and enemies of America ? what a criminal shame the TV and cable Networks have become !

6) Financial Crisis Inquiry Commission ,
http://www.opencongress.org/bill/111-s386/show
http://www.politico.com/news/stories/0709/25001.html
The problem is that the neocons will insert a neocon like Zelikow , Feinberg or Porter Goss to steer the Commission into another absurd 9/11 Commission : a cover-up and a distraction : ADD INSULT TO INJURY...

7) Schools with no playgrounds but with lots of vending machines for junk foods and sugar sodas, and then the parents have to spend money buying medications, and my question to Education Secretary Duncan and which so many parents are asking : When are schools in the USA going to have simple "Solar-Wind and Batteries" demonstrators in every schools so that kids can see how these new vital technologies work and to make them part of their natural growth: the new generations must be the leaders in Solar,Wind, Wave, Batteries and Hybrid-Electric plug-ins , fuel-cells, insulation, synthetic fuels and fusion energies, and the best way to grow a leader is to start early, by watching how these natural sources charge-up their gadgets and toys, their laptops and mobile phones, make it a second nature to them, a natural process ..... why not a simple "demo" in every school?

8) In the Criminal Anthrax issue of 2001 , when medical worker Nguyen was killed by heavy-duty anthrax spores at the Manhattan Eye,Ear and Throat Hospital, http://www.nymeeth.org/ , many knew that Emergent BioSolutions (the old Bio-Port from Lansing Michigan) and their executives, like Kramer, had a lot of answers, and then ...silent ! all the key Congress members went silent, no one asked about Bio-Port, and then they presented the usual gentiles as suspects: Dr. Hatfill and Ivins, and the rest is History....until today, how could these anthrax spores get to the Manhattan Hospital ?

9) In the Internet video standards issue , Flash is "no good" for Mac or Linux, that's why we need HTML 5 right now ! we need code, tools, applications , solutions.
http://arstechnica.com/open-source/news/2009/07/decoding-the-html-5-video-c=
odec-debate.ars
http://en.wikipedia.org/wiki/List_of_open_source_software_packages
http://www.w3.org/

at the other hand, this story should bring some joy to many:
"Google Chrome gets skins and JavaScript performance boost.
Google has released a new Chrome beta that includes a theming engine, faster JavaScript performance, several usability improvements, and support for HTML5 video. "
http://arstechnica.com/open-source/news/2009/08/googles-chrome-gets-skins-a=
nd-javascript-performance-boost.ars

10) And dear Director Panetta,the key problem in the Health Care Reform INFORMATION TECHNOLOGY CHOICE OF SOFTWARE is WHO is in charge of the medical private data ? , and do they have their own agenda ? who is watching them ? as usual, most of Washington D.C. is clueless, so who will ?

The White House announced that David Blumenthal, MD, was going to be the new national coordinator for health information technology at HHS, and he is in favor of proprietary software while the other Harvard University group that presented the better option was in favor of open-source, and Blumenthal's partners Genachowsky at the FCC, Leibowitz at the FTC , and Summers , Emanuel ,Orszag and Axelrod among others in the White House are insisting on using proprietary Flash technology from Adobe AND OTHER PROPRIETARY SOFTWARE, instead of the free and open-source HTML 5 that the web is based on, why ? at Flash ,where some of the top executives are, what a coincidence! , friends and partners of the above, they are very happy that they will be part of the "control" of all the data of all the citizens in America, isn't wonderful? and of course they will use Oracle from Ellison as database, right ? and if anyone objects, the SEC ,under supreme general chairman Shapiro -- the SEC ex-Commissioner that was in charge while AIG ,Bear Stearns ,Merrill and Lehman were selling hundreds of billions of dollars of Credit-Default-Swaps and she never saw anything !!! -- will immediately correct EVERYONE , if you know what i mean.....it's a perfect plan , wonderful, eh ? and the gentiles in DC ? many of them looking for a belt to hold their pants and garter belts , poor darlings !

So if you put all the dots together, the same organized people that gave us the 2008 Financial Disaster, will now control not only all the private data from all the patients in the USA , they will control also the software that runs the whole national system,amazing ,eh ? and later, when the "dungaroo" hits the fan, they will blame the Democrats and the Obama-Biden Administration, perfect ,eh?

In mi opinion, the sooner the Obama -Biden ticket gets all these neocons out of the White House and their Administration, the better, just look at the "dungaroo" they did Sunday, Aug,2,2009, when Geithner and Summers had the nerve to say on the TV "spin and lie" programs that higher taxes for workers and middle class are not out of the question , so dear P.Obama : when are you going to get all these neocons out ? when are you going to put an honest gentile in the Federal Reserve and audit that "cave" ? when are you going to get Flash out and low-cost HTML 5 video in ? when are we going to get going ?

http://www.ama-assn.org/amednews/site/mobile/content/ga0803.htm

Health Care Reform is vital, let's make sure the neocons don't control our data and software , because their Health Care Financial Abuse and Disaster could make the 2008 Financial Meltdown look like a little joke, they could wreck the whole country, the greedy fools ! , let's get it right this time !

And if you want to see what some people can do with our private data, just read this :
New U.S.-Israeli Crime Ring Detailed
http://www.nytimes.com/2009/08/04/world/middleeast/04israel.html?

11) And the "Standards" issue is an old one :Until 1995, the Defense Dpt. and all its units were using a mix of wireless radios, and then Qualcomm and Jacobs went to "advice" the Military in San Diego ,Ca. , and a few years later, many of the key CDMA and wireless radios used by the U.S. military and U.S. private consumers were paying huge royalties to Qualcomm and Jacobs, they showed up with all the patents, and even when these people got some good technologies, where are the Military and consumers radios that everybody was using as open-source and free of charge in the U.S.A. ? where are they ? .... many consumers and some politicians asked the San Diego based U.S. Attorney Carol Lam about this , but then she got fired and later became the top Lawyer in Qualcomm !!! what happened ? how is that possible ? and about the wireless radios and patents investigations ? nothing.

http://en.wikipedia.org/wiki/Carol_Lam
http://www.signonsandiego.com/news/metro/20070112-9999-1n12lam.html

Right now, America needs a massive push in advanced batteries and hybrid-electric plug-in systems as well as solar and wind energy, we are number 5 and 3 in the world in these key technologies, and that's a total disaster, and how can we spend 2 trillion dollars in the Banks and Financial Institutions (700 billion from TARP plus at least 1.3 trillion dollars between Treasury, Fed, FDIC and others) and then invest only 60 billion for all alternative energies and technologies ? and just a few billions for batteries ? we gave 180 billion dollars to A.I.G., the main promoter of this 2008 Credit-Default-Swaps Disaster, and for our own future and Energy Independence just a third of that ?

That's why also vital to Audit the Federal Reserve ,
 http://www.ronpaul.com/on-the-issues/audit-the-federal-reserve-hr-1207/
and investigate the Organic Program Federal Law, where Senator Leahy has worked so hard all these years,
http://www.washingtonpost.com/wp-dyn/content/article/2009/08/07/AR200908070=
3650.html
http://leahy.senate.gov/NwsLtr/20090327news_letter.html
http://www.nal.usda.gov/afsic/pubs/ofp/ofp.shtml

.....and now for the latest part of the Big Trick , "they" are about to install new "old operators" in A.I.G .,Freddie Mac and Fannie Mae, etc., and split , cut , divide and fire-sell their assets and of course, Goldman Sachs, BlackRock,Pacific Investments,etal, will be the key players, so after taxpayers INVESTED hundreds of billions of dollars bailing out these tricks, the same old operators get to make the cut AGAIN ! , and a big one ! isn't wonderful ? a triple whammy ! and Washington D.C. still looking for a belt to hold their pants...and that's also why their stock is going up and up every day, they can smell the roses already ...while the taxpayers will smell the ! $#&*XZ@#*! again.

in any case http://www.ilfc.com/ must stay in USA and EU gentile hands, it cannot end up in the Middle East with our own oil-gas money !!!

At least we also got Senator Webb that worked so hard for the Post 9/11 G.I. Bill, effective August 1,2009 ... that's leadership, that's the real deal.
http://www.gibill.va.gov/
http://en.wikipedia.org/wiki/G.I._Bill

So dear Director Panetta, you are right to want to move your great Agency forward, a very difficult job indeed, but we need a total clean-up, and who will make sure that the old garbage is out ?

Well, I went ahead and ordered a new GRE PSR 300 for $148.00 and a
W-881 Super Gainer BNC Portable Antenna for $32.95

They next one I want to buy is the Uniden BC246T. It has a totally
different way of working. so it might be fun to play around with that.

do you think these are good choices?

Handy stuff, for firefighters from Corvallis to be able to talk to
cops from Roseburg. If there was a big fire. Or a terrorist event or
whatever.

In light of the sentencing of Phil Specter, ClearChannel has annnounced the banning of all music produced before 1994.

"We don't want to offend anyone," a company spokesman said. "Good engineering and mixing practices are politically incorrect now."

All classic rock, oldies, classical, jazz, alternative, and 80s stations will soon be converted to rap and pop.

A coalition is forming to protest the ban. Called "West & Timberlake Fighters" (WTF), it consists of disco re-enacters, Elvis impersonators, truckers, CB operators, heavy metal fans, key-tar players, male Cher impersonators, and more.

The WTF Coalition is going to protest at ClearChannel Corporate Headquarters this Friday. Various musicians, including Survivor, Diana Ross, and Paul McCartney, will be there to fight the ban.

okay, which one of you bozos did this. Being interested in radio, we all know what really happened here. But here's what you bozos have the general public thinking.:

"As usual, the long work day was coming to an end and I was dutifully putting the last load of laundered clothes away in our bedroom when I heard a ruckus on the baby monitor just a few feet away from me. I thought it strange when I knew my husband and toddler were both in the living room quietly watching TV as my two-year-old drifted silently off to sleep curled in my husband's lap as he caught the evening news. The bedroom door was straight in front of me and I could see all the way down the hall to my husband and son in the Lazyboy chair as this ruckus over the monitor continued.

It didn't take long for me to realize the sounds were very familiar. Earlier in the day, I was in my toddler's bedroom putting a load of folded clothes into the drawers and picked up some stray toys and books that weren't being played with at the time. As I was doing so, I was telling my son about the story of "Jack and The Beanstalk" for the first time.

Now I stood in disbelief as I heard the drawers being pulled open and shut and rustling of the toys and books being put into their proper places. But I nearly fainted when I heard my son's voice over the monitor! I kept looking back and forth at my husband and now-sleeping son in the chair in the living room and the monitor sitting on my dresser that was literally replaying the specific events from earlier in the day!

The monitor is a standard baby monitor bought from Wal-mart and is NOT a recorder, but instead monitors the sounds coming from the room as they are happening at present time only. I listened as my voice retold the story of "Jack and The Beanstalk" and listened with familiarity as my son responded in baby-talk to the tail he had never heard before. The incredible part was this all happened five hours earlier on the same day!

I quickly called my husband into the room as he listened to the last part of the story with my voice coming through the monitor and our sons coos and chuckles. He stood stunned and turned his head and looked at our sleeping son flopped peacefully over his shoulder. In disbelief, he asked, "How in the hell...?!" as his voice drifted off trying not to miss a thing. I just stared at him in the same disbelief and we both just shook our heads.

This has never happened before or since and became pretty clear from the beginning that we were listening to some kind of warp in time. I never imagined in a million years that I would be witness to it and must admit, if it should happen to you, it is indeed, one of the most incredible moments one can ever experience!"

I got this at a flea market. The company appears to be defunct. It may be a GPS with some other functions since it has a SMA on the back, presumably for the external antenna.

Any information on the device would be appreciated.

This group has previously discussed scams that George Fetter has perpetrated on radio folks from his various websites.

George Fetter's Yahoo ID is Georgef2.

When you click on Georgef2 to go to his Yahoo Profile, you get to the profile at http://profiles.yahoo.com/georgef2, but guess what, the profile shows he is a 20-year old female named MissStarr3. The site even shows a picture of the supposed MissStarr3.

Here is the rest of the Profile:

About Me
RELATIONSHIPS
Relationship Status: Single
Looking For: Friends
INTERESTS
Interests: I like good friends
Favorite Music: 50 cent
Favorite Movies: josh harnett movies

This fellow has already served time for fraudulent activities involving sales on Websites. He is still serving 3 years probation for "Organized Fraud Less Than $20,000"; that probation is to end Jan 22, 2010.

He has used aliases such as Billy8156@aol.com, pilotjoeturner@yahoo.com, and others. Now it looks like he is using MissStarr3.

Be forewarned if you get contacted by a MissStarr3.

Fetter has used many aliases in the past to conduct his business. I wonder if his Probation Officer knows about this alias Fetter is using.

There is an 8 pin RJ type port on the side and a 10 pin RJ type on the
bottom.

I'm going to open it up tonight and will post some photos.

Maybe the SMA is for the optional wireless port.

Here are two shots of the inside. The GPS is clearly visible. The
devices has 2Mbytes of flash. Unfortunately, the entire board wasn't
populated.

Actually I believe it is a "correctly" populated board.
The 74HC245 in the lower left is a buss transceiver. Its position
relative to the microprocessor and to "empty" locations labeled 4M, 6M,
and 8M suggest there were multiple models using the same PCB with
different amounts of RAM. It's been 30 years since I worked at chip
level. I don't recognize the large chip adjacent to the 74HC245.

Well, it wasn't populated with all the flash. ;-)

I couldn't find MDT in the text. Maybe the document isn't searchable.
The manufacturer has sent me some information on the device, but they
are really tight lipped about this box and quite frankly a bit puzzled
how I could buy one at the flea market. [I got it at the Livermore
swap meet. Livermore is just as geeky as Silicon Valley these days.]
Any way, I don't want to piss them off since I'm trying to get a SDK.
Anyway, I can list the design-ins for the box. [The PC with that info
is having a bad day at the moment. ;-)]

I asked for the pinouts for the connecting cable. However, I think I
can trace the power lines pretty easily. Buying the 10 pin RJ socket
will be a bit harder. Not impossible, but they are not common.

I have recently heard the Arizona Highway Patrol (DPS) on 460.200

This used to be the Maricopa County Sheriff East Dispatch frequency

460.05 was the MCSO (Maricopa County Sheriff Office) West dispatch frequency and is now used by an Ambulance or medical services company

MCSO uses a trunked digital 855-869mhz trunked system You can hear this with a Uniden scanner with a digital slot card installed

does anyone have an updated map of DPS districts and frequencies

I know 460.025 is district 6 and this is I-10 and highways in Pinal County

460.425 is District 8 and highways in Pima County (Tucson)

460.325 is district 9 and highways in Southeast Arizona Cochise nad Graham counties. You also hear BP or Border Patrol units here sometimes

I've also heard the BP on Cochise county sheriff frequencies

He has a nasty message on his website regarding being dissed.  I
wonder what the terms are of his probation. Since he used a computer
in his crimes, perhaps he isn't allow computer access.

Look at it this way. With George around, RadioMart(TM) looks pretty
honest. ;-)

Hi,

I just want to double check and make sure I have it right. If a system uses EDACS, it is a digital system and I can not pick up those frequencies on a Pro 2055... correct?

Thank you,

AFAIK, wrong. EDACS is trunked, but still analog.

From the 2055 manual, quote:
"EDACS mode
You can set your scanner so it decodes the talk group
IDs used with EDACS (GE/Ericsson) trunking systems.
This setting is called the EDACS mode.
EDACS systems are trunking systems used
primarily by business or private communications
service providers, as well as by some public safety
organizations. EDACS systems transmit active talk
group information only on a dedicated control channel.
EDACS frequencies are organized in a specific order.
Each frequency is assigned a Logical Channel Number
(LCN). For the scanner to correctly switch to an active
frequency, you must program the frequencies in LCN
order, starting with Memory 01. EDACS talk group IDs
are entered as a 4-digit decimal number from 0001 to
2047 or AFS (Agency Fleet Subfleet) number from 00-
001 to 15-157."

Check out the details on the freq/agency in question at:

Thanks,
     Glad I was wrong   : )

The area that I might be moving to is almost all EDACS or APCO 25  (I
AM correct about APCO 25 being digital?)

I've picked up several frequencies on my scanner (here in the UK midlands) that have this sound.
http://www.person.eclipse.co.uk/scanner/scan.htm
I didn't find anything on google. It's obviously some kind of data transimission - can anyone tell me what it is exactly and if there's any software available to decode it? Thanks for any pointers.

That is radio teletype. There are many modes of teletype: Here is a web site with a pricey way to decode transmissions:

Good aye mates,

My Pro-97 scanner has stopped scanning completely.

It doesn't scan using rechargeable batteries, nor when I plug it in to the wall socket. All the frequencies are still here. It says that it is scanning, but it never moves from the frequency it is on.

Sometimes I hear static when I turn the squelch all the way counterclockwise. Sometimes it remains silent. When I press the weather button, I don't hear any weather information on any of the five different National weather channels.

Nothing is received even when I place the scanner on the local police frequency. I hear nothing at all anywhere. The cursor blinks normally, but it doesn't move from band to band.

All indicators look normal, but it is silent, and won't scan. Only blinks?

Thankee

If you turn the scanners squelch all the way counter clockwise and hear a rushing sound your audio amp is working properly. If you don't you will have to get the scanner fixed at radio shack.

If you scan the programmed frequencies, I would do a weather channel scan, if you know there is a close by weather broadcasting station, and you don't pick up any transmissions then you could have damaged the antenna connector. Take a look at the connector with the antenna off and see if the white part with the small metal clip inside is very wide or bent some how.

It is also possible that the wire that connects to the BNC antenna connector has separated. You could open the scanner and take a look or have Radio Shack check your scanner.

It is also possible that the circuitry for receiving signals has some how failed. You could try a reset of the scanner by:

Scanner Reset
If the scanner's display locks up or does not work properly after you connect a power source, you might need to reset or initialize it. If you have problems with the scanner, first try to reset it to retain the memory.

Warning: Initializing the scanner will clear all channel memories and reverts it the state it was in right out of the box.

To Initialize the scanner, turn off the scanner then turn it back on. Press 0 when the welcome screen appears. 'Please select factory tests. Exit if no key is pressed' will briefly appear. Then quickly press 1. 'Initialization clear all memory Enter to confirm Clear to exit' will briefly appear. Quickly press ENT to initialize. 'Initializing, Please stand by' then appears. Do not turn off the scanner while it is initializing. The display should then show M000 on the top line and Bank 0 CH 00 when finished.

As the PRO-97 doesn't scan does it receive signals when in the manual mode?
That is, if you intentionally program the frequency for your local weather
station so you hear it at all?

Most likely, you're facing a trip to the repair shop!

Just read in our local paper (central Ohio USA) that our PD will be going from it's current radio system I've been listening to for years, in the 456 band to the county 800 Mhz. trunked system.

Is there a data base. FCC or otherwise that would have up-to-date frequencies that can be accessed by the public?

My apologies if this has been covered here in the past, my free News server has fairly short retention.

TIA

§ 397-a. Radar detectors prohibited. 1. No radar detector shall be used in any motor vehicle with a gross vehicle weight rating of more than eighteen thousand pounds. Oregon, Alaska, North Carolina, Texas, Virginia, and Missouri all by
law, REQUIRE hams to have a ham radio installed in their vehicle if
they have ham platetes

And probably some other states also.

And under FEDERAL LAW must answer even if they're driving if they hear
someone call an emergency on one of the ham channels they know they
can help by answering if no one else answers.

Not ddoing so goes against the first purpose of the amateur radio
service as listed in part 97 of FEDERAL communications commission
rules.

and can result in them getting fined.

And FEDERAL law overrules all state law despite you saying New York
state law overrules all FEDERAL law.

Yes, every NYS ham should be familiar with part 397. Being able to quote the specific V&TL section could come in handy should an "issue" ever arise during a traffic stop.

While 397 specifically permits licensed hams to equip their vehicles with 2-way radio gear, there is nothing in the section that REQUIRES a vehicle have mobile ham radio equipment on board as a condition of having ham radio license plates. (As "radioguy" claims)

What happened to the FEDERAL law that states states must recognize
other state's laws and vehicle equipment installations as legal?

Yours contradicts both the other states and FEDERAL law.
```

If you have ham plates, then Alaska, Oregon, North Carolina, Texas, Virginia, and Missouri ALL REQUIRE that you MUST have ham radio equipment INSTALLED in the vehicle.

And most cities, countis, and police departments in other states do not issue any such documents as you say New York requires.

People do go on vacation to other states.

And since many people can only afford one car,

what if it's the ham's wife driving the car thrugh New York without him.

Of course, she isnt going to have any such document as you say New York requires even if his locality did issue such a document to him. Which most don't because the plates are proof enough.

And of course, she wouldn't have a radio liscense like he does.

Plus SOME states by law put a design in the middle of the ham plate letters.

And I've seen posts saying that's illegal in New York to have a design in the middle of your ha call letters on your ham plates, and if you drive through there like that, you will get arrested eveen more.

So that is saying that sdome hams are NOT allowed to drive their perfectly legal cars with theirperfectly legal ham call plates through New York state because some states require a design like a lightning bolt on the ham plates in the middle of the call letters.

And you all probably don't even know how to run ham plates.

SOME states allow the exact same call plates on multiple vehicles. That is, no -1, -2, -3 like New York requires.

I saw posts saying that is illegal in New York to have any vehicle with ham plates like that
registered to multiple vehicles even if you're from out of state.

Since when does New York state law OVERRULE Federal law?

The FEDERAL law about states must recognize other state's laws about license plates, stickers, sticker placement, and equipment installation in vehicles as legal if it's legal in the state the car and driver are registered in is still in effect and valid.

And what about a large family of hams who the whole family has gotten ham liscenses and has all their vehicles registered with the exact same ham call plate, perfctly legal in their home state who then must tak and drive two or all three of their cars on vacation through New

York state in order to legally fit them in the cars.

It's illegal in my state to have a car overcrowded with too many
people. Four or six is the limit depending on how many seatbelts there
are and the size of the vehicle, 2 door or 3 door.

And some vehicles only seat two people, like some pickup trucks or
some small cars.

Oregon only requires ham radio applicants show proof of eligibility for ham radio plates by submitting a copy of their license when they apply for the plates.

http://www.oregon.gov/ODOT/DMV/vehicle/plateregular.shtml#ham

Alaska only requires ham radio applicants show proof of eligibility for ham radio plates by submitting a copy of their license when they apply for the plates.

http://www.state.ak.us/dmv/plates/amradio.htm

Missouri only requires ham radio applicants show proof of eligibility for ham radio plates by submitting a copy of their license when they apply for the plates.

http://dor.mo.gov/mvdl/motorv/forms/838.pdf

I can't access the North Caroline DMV at the moment.

I'll give you that Texas and Virginia do indeed indicate (on their ham license plate applications) that the applicant must show proof of a valid amateur radio license, AND intends to operate 2-way radio equipment in the vehicle to which the plates will be attached.

> And under FEDERAL LAW must answer even if they're driving if they hear someone call an emergency on one of the ham channels they know they can help by answering if no one else answers.

> and can result in them getting fined.

It turns out that is exactly WHY Texas (in particular) does require holders of ham radio vanity plates to carry radio equipment... In the state's view, If a ham puts his call sign on his vehicle's license plates, he is essentially "advertising" his ability (and willingness) to provide emergency communications services.

So in Texas, (at least), far from being harrassed by law enforcement for having radio gear in his vehicle, a ham is more likely to be called upon to ASSIST law enforcement (or other emergency services) if regular communications channels are unuseable for whatever reason. Don't want to help out? Don't apply for ham plates.

> And FEDERAL law overrules all state law despite you saying New York state law overrules all FEDERAL law.

You're putting words in my mouth, or responding to someone else. I never said a single thing about state vs. federal law. I just pointed out that in New York State - specifically - there is no requirement to have operational mobile radio equipment in a vehicle as a precondition for having STATE ISSUED ham radio license plates.

I admit that there are some states which do appear to have such a requirement, but New York is not one of them.

But, since we're on the subject, it is absolutely incorrect to make the blanket statement that "federal law overrules all state law." That is most assuredly not the case. Read the 10th amendment to the Constitution.

Cell phones are full duplex. Hsm radios and CBs are simplex. Only one
side of a conversation can be transmitted at the same time.

Vox would keep a ham radio and CB constantly transmitting even when no
one is talking since it would hear external sounds like outside music,
or just street noise, or the car's heater or air conditioner,

that is against federal law. And both cbers and hams can be fined for
it.

Since it's allowed on cell phones and cell phones are full duplex, it
doesn't matter since both sides csn transmit at the same time.

So a CB, ham radio, and cell phone are NOT all the exact same thing
like some of the people and cops think.

 Most modern portable ham radios also have external mikes, much like
> police units do.

That is true,

So I do not believe one would be cited under the NY
> law.

That's what I thought. They keep telling me it's illegal to drive and talk with a microphone because "a CB radio and ham radio are boththe exact same thing as a cell phone"

and that "it's illegal because reaching for and dialing the phone number inputs on your cb radio and ham radio to make your phone calls causes accidents which is why new york state outlawed using them while driving."

I'd be laughing except I know there are many cops who do think that way. And don't know the difference between a CB radio, ham radio, and a cell phone.

Or the laws regarding them.

At least the cops in my area are good, and I think probably knowledgable.

Although I can't say the same for the idiots in the next county.

Who thought my cb radio was a ham radio and asked me if I had a license for it. Then after I told him it's a CB, not a ham radio, e said that by law, I still need a ham radio license to legally operate a CB radio.

which ham radio license must show that I am legally allowed to use those particular CB frequencies.

And that's not the only time I had a radio problem with the idiot law enforcement officers in the next county over.

They even thought a radio/TV recieve only unit was a two way radio and told me I wasn't allowed to have it because it's against the law for the public to have two-way radios to talk on.

I'd like to see them call their backup on the am/fm broadcast radio/ vhf/uhf tv reciever, and then wonder where the backup they requested is.

And that was when I was outdoor on foot. Just watching and listening to it.

I don't know where you got this notion from, but there is NO SUCH FEDERAL LAW. Not when it comes to "vehicle equipment installations" - and this covers many, many areas besides ham radio.

Some examples:

In some states it is legal to have dark tint on a car's side and rear windows. In other states it is NOT legal, and an out-of-state car CAN be ticketed for such, even though the windows might be perfectly legal in the car's "home" state.

Likewise, rules relating to minimum or maximum ground clearance under a vehicle. What might be allowed in one state, could well get you a ticket in a neighboring state.

Likewise, rule regulating exhaust systems and the amount of noise emitted by same.

But, in other areas, states have NO authority over what other states do...

>
> If you have ham plates, then Alaska, Oregon, North Carolina, Texas,
> Virginia, and Missouri ALL REQUIRE that you MUST have ham radio

First of all, of the states you listed, only Texas and Virginia have such a requirement - the others do not - and the requirement only holds true for vehicles REGISTERED IN THAT STATE. A Texas vehicle with ham plates might need to have radio equipment installed IN TEXAS, but a vehicle from California (with California ham plates) does not have to meet the requirement, just because it might be travelling through Texas.

> And most cities, countis, and police departments in other states do
> not issue any such documents as you say New York requires.
>

It's not a case of "you say" - the other poster pasted a direct quote from Section 397 of New York's Vehicle and Traffic Law. But you didn't read it very closely, because the locally-issued "documents" it refers to are to authorize persons OTHER THAN HAMS to have mobile radio equipment. A licensed amateur does not require a "local permit" - his license alone is all the authorization he needs.

Now, if the licensed ham is not present in the vehicle, then yes, there might be a problem.

That prohibition might hold true for a New York-issued plate, but NYS has no control (or interest) in the particular color or design of other states' license plates, as long as the plate and registration is valid and current in the vehicle's home state.

You're mixing apples and oranges here. A valid vehicle registration in one state, must be recognized as valid in ALL states - likewise a valid driver's license. Such recognition is based on the "full faith and credit" clause of Article IV, Section 1 of the U.S. Constitution.

But, when you get into "sticker placement" and "equipment installation", again I tell you there is not, and never has been, ANY "federal law" mandating such. I gave a few examples above - there are hundreds more.

>

In Texas, you can have the exactly the same ham plate on multiple vehicles because the plate itself IS NOT THE VEHICLE LICENSE. The actual license is on a window sticker - and that sticker number is unique for each vehicle. As long as the stickers on all vehicles are curent and valid in Texas, you can drive them legally in any state.

wrong!
Vox mikes are designed NOT to pick up and operate with any noise other
than the operator's voice.

Wrong explanation. The law says, "handheld devices". So technically,
having a mike in your hand is illegal.

If cited for that reason, the case can be dismissed because no license
is required for CB.
That myth was started because various states have laws against use of
scanning radios in the vehicle. That is, a ham license makes
everything legal. Sorry, no it does not.

None. Amateur radio frequencies are not inclusive of the CB
frequencies.

This law deals with the installation of ANY radio RECEIVER that can monitor police frequencies. The wording DOES NOT suggest that a ham MUST have a unit in the plated vehicle. The law only says that the owner of said plates must be licensed to do so.

That's known as the "International Reciprocity Pact". It is not necessarily a federal law. Which is also damned difficult to find on the search engines.

If you live in NY, anything that NY law says is legal on your vehicle, must also be accepted as legal anywhere else in the country as well as Mexico and Canada.

No. Those states can only accept the plate. Their laws are for the residents of their states for the issuance of such plates.

All that is necessary is that the owner of the said vehicle and plates has met the state's requirement's for those plates. Stopping an out of state vehicle simply because the officer did not see the registered owner driving the vehicle is not probable cause and would not hold up in court.

Following the links to the relevant state laws, one finds 2 of those states have no radio requirement, and none of the others have any installed radio requirement.

Of those with a radio requirement, occasional use of a HT qualifies, except Virginia where you would have to keep a HT in the vehicle to meet the letter of the law.

So there is no state that "REQUIRE hams to have a ham radio installed in their vehicle" from your own link.

I don't know about other states but here is the code section from
Virginia word for word--

§ 46.2-738. Special license plates for amateur radio operators.

The Commissioner, on request, may supply any amateur radio operator
licensed by the federal government or an agency thereof, and having
radio transmitting and receiving equipment permanently installed in his
motor vehicle, license plates bearing his official call letters.

If more than one request is made for use, as provided in this section,
of license plates having the same alpha-numeric, the Department shall
accept the first such application. Persons receiving amateur radio

operator special license plates shall affix such plates only to vehicles to which they are the titled owner.

The Commissioner shall charge a fee of one dollar in addition to the prescribed cost of state license plates, for each set of license plates issued under the provisions of this section.

"PERMANANTLY INSTALLED" is a bit more than just an HT sitting on the seat all the time.

To my knowledge, I have never heard of anyone being cited for this.

That's what I get for taking the ARRL at face value; Virginia seems
to be the only one with the "permanent" language.

So for the six states mentioned, there is one that requires installation.

New York is the one who needs taught proper English communication skills.

No one in any of the 49 other states can understand New York's ham radio law even when they see it in print.

wrong. The FCC gave the states authority over CB radio, but NOT over
ham radio.

The stupid new york cops cant tell the difference between a CB radio,
a ham radio, and a cell phone.

You yourself said they're all the exacr same thing.

Your posts are proof why authority over any radio , including CB,
should have NEVER been given to locl police an governments.

There have already been such cases in New York.

And if they don't, they will STILL be cited, under federal laws.

So in other words, they're d***** if they do and d***** if they don't.

That is a catch-22 situation which is "entrapment" and is illgeal.

If you don't live in any of those states, why would you give a rat's
ass when such laws only effect residents and even then aren't much
of a burden?

More to the point, why are you continually whining about legal issues
that either have no effect on you, or if they do, are of your own
making?

because such laws do not affect only residents.

New York's laws do not affect only residents of new york.

And being fined mney you can't afford, having to pay for court cases you can't afford, and being put in prison for five years for legally doing what your state by law rewuires you to do no matter which of the 50 states your veicle is in and doing what the federal government by law requires you to do is very much a burden.

Anonymous/norman already posted new york law overrules federal law while the hams and other posters already posted federal law overrules new york law.

and posted the respective laws.

There's a complete conflict between new york law and federal law with both claiming they overrule the other one.

Also, not only des my radio recieve the police frequencies, it can also transmit on the police frequencies. And has not been modified in any way. It came straight out of the box from the factory like that. That is because the FCC assigned some of the same frequencies to both ham and police.

yet the idiot new york cops and the idiot wannabe new york cops posting in this thread think that a ham radio and a radio capable of recieving police frequencies are two completely separate things even though the fcc assigned the same frequencies to both police and ham while thinking that a cb radio, ham radio, and cell phone are all the one and exact same thing as each other.

So they're basically saying that in new york it's against the law for hams to have radios capable of recieving ham frequencies since those frequencies are assigned by the fcc to both ham and police.

Also the threads I read elsewhere by actual cops said you can be pulled over ticketed and finedin new york for illegal plates if you have plates from your state with a design in the middle of your call letters on ham plates since plates with a design in the middle of call

leters are illegalin new york, even though that's the only way your
state, some states issue them.

State automobile license plate laws only effect state residents.

Transient drivers from other states are not effected.

I doubt you understand the difference between a resident and a transient.

I have a Mint RX-350 Shortwave Receiver with manual and origional receipts.
An awsome receiver!
100kHz to 30 MHz Demodulation, filtering, passband tuning and AGC are all done by digital signal processing (DSP). In addition the DSP functions include an automatic notch filter and adaptive noise filtering. Reception modes supported are AM, USB/LSB, CW (700 Hz BFO offset) and Digital (1000Hz BFO offset). The receiver has 34 available IF bandwidths for any type of signal under all reception conditions!

I also have the optional 302R remote tuning knob/keypad and the 307B external speaker enclosure which matches the receiver. AC cord and DC plug as well.

Serious interest only please. Email me at jodi.ron@gmail.com for more information.

Thank you,
Ron

I bought a scanner and while it is nice, it has one annoying characteristic. When I have the Close Call feature running, it loses the frequency it detected in only a couple of seconds and there does not seem to be a way to automaticaly save the detected frequency into memory.

Any comments on this? Did I make a mistake in buying this cheap scanner?

Not sure why to walk away from it this software.
It looks like what I actually want.
It is the one that I found while searching the internet that will program my 3 scanners.

Still looking for anyone who would like to share it with me.

Many thanks

Cost is not an issue.
Basically, I want to know if one scanner can record multiple channels
simultaneously.  So far it seems like it doesn't exist, which seems
strange to me.
Anyway, thanks for reply.

Ninety percent of the time a scanner is a single receiver that sequentially selects a single programmed frequency, one at a time. You would need multiple scanners, or a ham rig that can scan with built in multiple receivers like the Yaesu FT-8900R or an old triband Kenwood 742D, but it would not do trunking. That Kenwood model has a mode for separate speaker outputs for each receiver. The Yaesu dumps both receivers to a single speaker.

Hi Evan,

Found the answer, I think.
Apparently European MIL aviation frequencies.

Sure - I got one - ICOM R-20.
Will monitor two frequencies simultaneously and if you send it out to
your sound card you can use a single recorder. Of course when both
frequencies are transmitting at the same time, you hear both
conversations together which is not particularly useful.

I am selling my psr500 to fund a new guitar purchase (plus I have a pretty hefty scanner stable as it is and don't go mobile much any more). This has been well taken care of in a smoke free home. What is included is:

- psr500 scanner (excellent condition)
- original antenna
- both battery holders
- original box
- gre usb cable
- rechargeable batteries
- charger

With the following additional items included:
- radio shack 800mhz rubber duck
- gre "super amplifier" (didn't picture this, but it is a small box that connects to the BNC jack and the antenna hooks to it) - this

wasn't used with this scanner b/c it is so sensitive out of the box,
but if you are in a remote area, it might be helpful

I am looking to get 400$ for the scanner shipped.

email at woodb.mindspun -AT- gmail.com if interested. Have a great day
everyone!

Anybody still using this classic for VHF/UHF airband monitoring? I still use
mine everyday. Works great with the Diamond RH77CA antenna.

You say that I should walk away from it, but it's the only scanner software
that supports my Pro-82.
I'm still looking for it.

Thanks

Well, in that case you have no choice, so you're stuck with it, I guess.
When you get your next scanner, run away...fast.

Hello,
I was wondering if anyone still has a ce/hb 232 that they are willing to sell reasonably?
I have a pro-2006 with full opto and all the mods, but I would like to be able to upload and download scansets.
I recently purchased PRO-Turbo from a local cb shop, and it needs a ce-232.
I thought it would run an opto....lol
I also have probe 7 paid 89 bucks for it and it won't run on my pc, and the opto doesn't support U/L D/L frequencies. So if anyone want's probe 7 it's yours.

Fed to Taxpayers: Up Yours! -- Insists on Hiding Bailout Data
http://wakeupfromyourslumber.blogspot.com/2009/03/fed-to-taxpayers-up-yours-insists-on.html

Who cares in America? All the bushwhores like Alex Jones love George Noory for forbidding open communications in America, while championing wars against US as innocent folks all to further escape the TRAITOR neocon LIAR war mongers for the crimes of mass murder on 911. George Noory HATES America to have Justice where a man like me could explain the errors of a bushite's lawless ways in seconds, and America can not be granted such wisdom to be freely expressed where the good guys win. Sadist Ron Paul wants to gut social programs blindly as a corporate fascist, while claiming 911 was committed by bin Laden - and, shockingly, (when you consider the evidence available) that the Iraq war crimes of rape, torture and mass murder, are actually an American police action to defend God's world - and Alex has ZERO problems with those demon lies, and won't let ANYONE express the facts on such History. To think that Alex insists he and Ron Paul leads our "freedom" movement! Alex wants to gun down innocent men in America as boasted, and RON WANTS TO GO A GOLD STANDARD, BUT DOESN"T WANT TO RECOVER THE STOLEN TRILLIONS. Who can afford this continuing deliberate ignorance of Alex Jones and the bushwhores, still asking for our dwindling money to fight for anything but Justice? Who? How much will it cost America to donate to Alex Jones to afford US the public knowledge that the Iraq war is a war crime? Or that we have video of iron flowing like water from the towers? How much?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law".

Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

INTERPOL REJECTS CALL FOR ARRESTS OF WAR CRIMINALS

/ / INTERPOL�s Constitution strictly prohibits the Organization from making �any intervention or activities of a political, military, religious or racial character�. \ \

Then, what the fcuk are they good for to not speak against clear war crime injustices against God and Humanity? Who pays for this without thought to question? YOU DO.

Alex Jones is a Bushwhore

Alex Jones stated today the reason why Ron Paul constantly LIES to America, is because he needs to play politics. Yes, he like Alex the censor of Truth, does not have the intellectual skills to ACTUALLY defend his silence of a grunts lawless position. 1441. American grunts in Iraq are dying for the escape of the Neocons, as NOT police officers trying to "police the world". Understand: Ron Paul actually sells bin Laden is the target for the crimes of 911. And Alex Jones, who we know knows better, refuses to defend Freedom's cause for Justice. No, today he told US he sides for a Con because he doesn't want America to openly communicate the facts to save our souls. Again, a bushwhore who believes Mr. Bush is above all the laws of the Universe as the Conservative bigot's false deity. Again, Mr. Bush closed 911 investigations as godless traitor. We, as Humanity, demand the demon enemy of Life, George Norry grant US the freedom to speak freely on the evidence available directly implicating the bushmobster Neoconners.

cool, (though sometimes wasting time) and

This stuff is excellent! They are playing the odds exactly like the bookies do. It is actually illegal to do that now when I think of it.. ! We'll need to discuss this internationally to gain a better focus.

Your Car Has Been Repo'ed

The derivatives recordings sound fascinating. I know the banksters don't cover our loans, fraud from the get go, but these available estimates going as high as into the tens of quadrillions are a mathematical impossibility. But for the the 'value' of something speculated with OUR assets as truly worthless to be an "investment vehicle" for our futures. (Like Hedge Funders.) The "toxic assets" are the crime scene evidence of monster fraud, where for the sales of paper arbitrarily determined to be worth zillions, they took the real deposits as commissions in the trillions, just like a bookie does but usually far more fairer. At least that is how I see it with my limited knowledge on this one particular scam of the Capitalist Free Market System of Lawless Corruption Due a Failure in Real Leadership. - worthless pieces of paper America has paid trillions already as dahh.. LuCkY WinNaaAhhs. Do you People even know what a Hedge Fund is? They hedge US out of the Markets by nickel and dooming everything to undermine the Market in it's entirety. And, some of these people have "earned" as much as a trillion dollars personally in the span of a short few years under repuglicon misrule. Geniuses? Hardly. What every Bookie does as a felony warranting unjustly Life probably. They trade bets, and take their cuts, paying themselves with the money the private Investment banks hold, leaving derivatives as balanced collateral, BUT, a derivative can have no actual value. It's just the rules on how the cash will be divvied on this next go-around with the suckered. As according too to a 60 Minutes spot on this very specific issue. Now, the bushmob with Obama, CNN, FoxNews and some of MSNBC have been issuing the blind acceptance, that buying these "toxic assets" was a better investment, than publicly challenging ourselves on where all the actual money went? and for wHaT?? Manufacturing has been purposefully outsourced by the Bushmob as treasonous SABOTAGE, while now, to make up for a small percentage of the massive job losses, they, to FOOL YOU, include those who flip burgers as the new Manufacturing Jobs created to make the numBerts look not so bad - but for Christ's sake, who even cares enough to demand CNN to count our Lives as worthy of defenses? ..besides, the Private Investment Fraudsters told US already. Bonuses paid by Public Welfare in the trillions to actual billionaires, with one CEO bragging all he needed to do was fudge his books, and he then immediately qualified himself for 272 million! IS FOR REAL. It was in the Washington Post. No, nobody was arrested, yet, in fact, I wouldn't doubt he's going to try for a second Public Cash infusion to bolster his 'credit' that you can't/don't/won't know: the magical Banksters never even cover our loans YOU left for robbed dead victims - So, needless to say, these new Inter-National Trillioniares, that expect Ourselves to pay them back for minimum fifty long generations, have been going on one hell of a shindig binge of excessive excesses, but what about the continuing "CRISIS" of PUBLIC Banking left undefended by looting? Giving the banksters any public money is totally crazy when we think aloud, but more?? is a recognized crime in progress. Giving public money to banksters to do what they will with our investment is nuts okay? - even if they lent it back, of which they have formally refused, but even if they did, it would still be nuts because where is the public's interest being defended where they pocket privately by defrauding near all at 99 percent there also? It's like you EARNING a thousand dollars, to then be told by the banker, he's going to charge you a thousand dollars plus interest for cashing YOUR check at the only bank available for fifty miles. (Your car has been repo'ed.) Answers: The depositor should be recognized as the shareholder - and there should be no private interests existing to take in between our exchanges for goods and services. Banks need to be separate from the Casino frauds which comprise much of what the Market is today., and a tax for every buy and sell needs to be re-introduced. Obama, and the Repugs want US to religiously accept the Banker Buildings rule our Reality by giving of ourselves blindly in huge error. We can work it out. Ego must be chucked - facts are facts - and Justice is measured as Freedom is cherished. In other words: No evidence? Person innocent.

Again, understand: these "American" soldiers are still being recognized as heroes. American "Heroes" in the Mansions of Florida going un-arrested for raping, and/or torturing INNOCENT PEOPLE TO DEATH. Erstwhile committed criminally, to assist in the 'escape' of the neocon traitors for the crimes of massive banker fraud, 911 and Iraq. Bush personally worked to close FBI 911 investigations, immediately after the terror attack occurred. Criminal. Torture is still illegal if you didn't know so as an American victim silenced by Coast to Coast censorship on your personal value system being sacrificed. Pick up a phone to champion wide open communications - Justice for All is Freedom won. Speak for US demanding international 911 arrests of those directly responsible for mass murder in New York City. Starting with Bush and Cheney for obstruction, and any other that would stand against the True American Patriot. Justice for 911.

Autism & Vaccines: U.S. Court of Claims
http://www.nvic.org//vaccines-and-diseases/Autism/courtclaims.aspx

The PROVEN fact here is that, without DOUBT, Mercury causes brain damage one hundred percent of the time. NO DEBATE. But Alex's NWO will blame anyone but themselves for this communications failure. NOT DEMANDING arrests against those in government LIKE BUSH, who have consciously allowed this massive criminal assault against all children,

continuing against our better judgments. Realize:
Alex Jones actually believes George Noory is anything
but a willing traitor who boosts in tale, propaganda
lies of death through terror to sacrifice American
GI Teens, all for the escape of the 911 perpetrators.
So again, I ask all to question, what is Alex's point
in not mentioning the crimes of the Bush Administration?
The Courts are being told to rule on whether a proven
connection can be found from vaccines to Autism, where
OUR Court should instead be ruling, mercury is a neural
toxic heavy metal causing irreparable brain damage.

Alex Jones is a Fraud

/ / A bank that received $1.6 billion in bailout
money just spent a fortune last week in L.A. hosting

a series of lavish parties and concerts with famous singers ... \ \ While CNN with George Noory can be only happy here watching America robbed and left for more dying victims? Yup. Who cares? Alex doesn't for, George Noory is a 'good guy', and what ever you do, never encourage the truthers to organize for public debate against the evil enemy forces of the Satanic LIAR Coast to Coast radio programmingers. Why, because Alex Jones THE LIAR, would lose, and Americans would win. Again, never forget, it IS Alex and George who silence those who truly speak for Justice in America. "Bush is a puppet" is the call of a hypno mugger, who cowardly, refuses to fight against those who PROVABLY commit lawless acts of murder in America. Not a Jewish conspiracy, you demon fuks who deny George Walker Bush. Alex Jones stated today as a demon enemy of GOD, that the bible states the AntiChrist will appear posing not as Bush. I again, demand Alex PROVE his NWO FRAUD against the Son of Man. I want free communications to face any or all who disagree that the Bushite promotes lawlessness as acceptable, while Alex wants to lie as a cheat to only pretend his rights champion ours dying. No evidence against the accused, is US being abused.

the banker does NOT cover our loans

/ / Alex Jones on Coast to Coast tonight to speak Bush the mass murderer, is just a 'puppet' for lying that Saddam wouldn't let the inspectors in WITHOUT CORRECTION \ \

He's a bushwhore. A soul who refuses others to actually understand their own conclusions. It's all about Alex, and not about Justice. Bush closed 911 investigations. He'll go on and on about the new bank of banks their selling against "all" as a diversion to understand, the international private bankers have stolen trillions as of late, and believe Alex and George ain't gonna let Americans know: The banker does NOT cover our loans, and even if they did, WHICH THEY DON"T, why give them our own money to only hope that they will lend a small back to ourselves at high interest? The derivatives are crucial in understanding what is going on here, and Alex is stuck in his bullshit, nwo crap, blinding him from understanding how the scams went down. A derivative has no real value, unlike ARGUABLY, everything else comprised of 'free market' highjinx. It's like me selling you a piece of paper with nothing special written on it, for ten billion dollars. NOW; why would you do that? Because the American suckers are on the hook for the loses because Alex doesn't want smart people to speak. Steve Quail is as real a demon enemy of God and man than anyone. "He talks directly to God", and 'knows' consciousness can be imprisoned into Military Intel. Comps., but doesn't know

Laden as falsely accused - delusional enemy of rational
thought denying, like Alex Jones, Justice and Truth.

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing, but boy, Obama is bad he'll tell you never mentioning the FACT Bush LIED US into the Iraq war as a war crime. 1441. Won't allow it. Why? He is a bushwhore, a believer in Bush, the Antichrist enemy of Humanity who told US if we tried to form our own conclusion, we would all be terrorists. NO JOKE. Bush, the most evil man of all History, Alex claims is guilty of nothing. Example: Bush, is his first days, STOLE 50 billion dollars. How can Bush (the banker family tied to Hitler) be above all the laws of the Universe someone ask Alex. You know, Alex will hang up on any man or woman who states in question, as he did with Peggy, a once loyal listener, why he refuses to acknowledge the evidence of Ron Paul being cheated through a fixed election. Attempting as a demon, to demonize whomever phones with such truths - like Ahmad, or Condi's 911 plan for Enron. Alex Jones is openly a bigot, and a man who has OPENLY confessed the willingness to murder INNOCENT Americans - before allowing Justice to rule for the defense of every American. I want open debate, he wants censorship, so he can continue to masturbate to the continuing deaths of innocent Americans. Laughing with DEMON George Noory who claims Laden did 911, Hamas broke the truce, and Iran is a holocaust denier. Enron. Has Alex even ever mentioned it as motive for invasion of Afghanistan? Never. Has Alex ever stated the Taliban were simply asking for evidence to form anyone's

conclusion on who was PERSONALLY responsible for 911?
NEVER. THINK here. Even after me sending him email
after email for years. Alex states all who criticize him,
are delusional, because he warns people of poisons fed
the masses. So therefore, every last word I state about
Alex Jones undermining our wanting for real Justice is
correct without argument - As according to ALEX, he is
delusional. Wow eh? Alex is a stupid bigot as a matter
of fact. He'll tell you we gotta get past the left right
thing, (trying to steal my thunder - where i give to all
freely) yet, near next breath, or the one before, he'll
tell you what all Liberals think. Or all socialists,
or... blahblah Someone should ask him what Christians
think about letting the mass murdering LIAR Bush escape
Public trial for high treason by conning teen grunts who
are now dead. Bush PERSONALLY closed 911 investigations
immediately after all. Again, NEVER mentioned by Alex
as important to our struggle to arrest, try, and execute
those responsible for mass murder in Johnny's America.
An America were every Human life is worthy our protections.
Where Alex Jones is NO GREATER than anyone of US. He is in
a popularity contest, while I couldn't give a rats ass
what rupuglicon, or demoncrates think about my wise words
on God and Justice. Great entertainers I am not blindly
enamored with, nor do I believe FALSELY, demon Bush, the
Antichrist, is above and beyond all laws of our Humanity.
If 99.9 percent of godless Americans disagree with me on
God's will to have all neocons with the Bush Administration
arrested immediately for public trial for high treasons,
to hell with them all as they lose their rights rightly.
For, they are not our friends who willingly murder OUR
Humanity for stolen private Banker gains. Alex, a bushwhore,
a censor, wrongly believes Bush is guilty of nothing. A
bushwhore of the antiChrist he is. I mean come on, he
claims all those folks who followed truth mentioned in
the Bible were murdered. How stupid is that????? From
what I recall there was a misunderstanding, and well, that's
about it. How many American "Christians" actually believe a
man of God actually walks this world? How many? Being Gay
is okay with me. I'm not Gay, but still to each his or
her own, as long as your not infringing on the rights of
another to do what ever they choose. I love all children
too much. Real Freedom. GCN advertised HATE for Gay folks,
then at the website, murder - and the station sees still,
no problem with dividing our innocent masses on desperate
attempts to escape the neocons from Justice. That's the REAL
reason Alex states a derision for Liberals. Note: "Liberals"
in Canada are a right wing party that disbanded the RCMP
corporate crime division as perfect example, and! sent a
Soldier to prison for refusing criminal orders. Never
allowed by Alex, for his gold dealing boss has a son killing
innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS
TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE

MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't because HE KNOWS, Americans would win, and we would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death. Alex claimed the will to gun down kids who steal copper. Not only a man unqualified to "lead the Truth", but not qualified to even carry a gun. He told US when hearing the bullets going into the backs of two innocent men in an act of pre-meditated murder, it was 'the sound of Liberty'. That is evil to all my friends, evil to US all. He has called himself "the white devil" while mimicking another he refused to allow speak for himself after all.. And no, a debate between US and Alex will not be done where he gets the cut off switch to deny all others under the sun who speak for real Justice. Real freedom.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids, my spouse, myself, before allowing John to speak openly in the public on Coast to Coast for open debate, all of Americans say in silence censored. Why does America continue to die this way? Because bushites are truly as they claim, stupidly ignorant as treasonous cowards, or as prosecutable criminals, evil people who only want in this world to rob or murder People indiscriminately as enemies to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks! George Noory will tell you freely all about his hatred for our Humanity, he does it near everyday, though People don't

have the ears to hear, or the care. Too scummy. That
remember! get American GIs murdered by the score with NO
REASON AS FOR. Example: why bomb more than a million
innocent souls indiscriminately in Iraq, if you have
complete unrestricted access to go where ever you will?
And, that Bush, Cheney, Condi and such, knew from day one,
Saddam had all the WMD destroyed as documented fully, as
did I. Documents that BUSH personally stole if you recall
not listening to Alex Jones, Foxnews, CNN, or the CBC.
err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know
little of Life as principled for individual freedom, and
couldn't care less what this boundless Universe offers
all in reflection, instead, it all about what's in it
for you as a lying cheating thief to this mystery right?
Wanna be a lawless mercenary to murder innocent people
dreaming of becoming a private investment banker, who
never earns a dollar in their entire careers, taking
trillions undefended from Humanity just to see US
suffer to deaths for our continued silence. All you have
to do is raise your phone to demand justice in our times.
All Neocons must be arrested for public trial, along
with near every last member of the Bush Administration.
PUBLIC TRIAL. And Soldiers must learn quick a commander
who doesn't support getting those responsible by following
the crimes scene leads, is a commander deserving of an
immediate firing. Otherwise, what use is the grunt
good for eh?

Again, Ron Paul like near all Libertarians, does not
acknowledge the wanting of Justice for the high crimes
of Banker fraud, Iraq, or 911! He took the "Truther"
money, but refused to support the arrest of Bush for
treasons times 50. Social Security he wants to gut
like Health Care as a sadist who knows near nothing
on how such systems currently operate. Again, he
does not speak of recouping the STOLEN 1000s of
billions from America, or the lives. STOLEN. What
is it that you can't figure here? Fuk ego, FACTS.
We are all effected by suggestion, this is why,
since the dawn of time, evidence has been the
prerequisite to convince ourselves of anything.
Alex's cartoon storyboard, is truly, as measured,
Alex masturbating with our precious times. Think:
Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from

her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong.
.   . KBR rapes American women, or murders them,
and needs to be hunted down by All American military
forces for it, as trialled to death. Including all
commanders of the Air Forces responsible for bombing
our families without causes. And lastly, any that
discourage our grunts from not supporting the arrests
of those that actually did US wrong. Get to it.

to God true. NOT HIDDEN. Look it up. I mean it made almost all
the major dailies. See? This is what Alex fears, that wise men,
actual wise men, like myself, can put this stuff together in
seconds by freely communicating for open challenge on error,
of what would take others committed to dying through censorship
for blind fear, never in a lifetime spared. Who cares right?

He tries to divide the freedom movement
away from Justice for ourselves.

Question for Alex Jones NWOers, wouldn't
God, if we existed, wouldn't God, push for
a one world government where all are treated
fairly through Justice practiced? Yes or no?

America! I am King Johnny.. I am from the Planet
Earth, I've come to share the knowledge of Justice

Couldn't have happened, as is why, these phony
"FBI" bushmobsters stole the recordings and
don't want the still dying victims to know
the truth of the Neocon traitors to God and
Justice. Cell phones are not capable of
paralaxing above likely a couple thousand.
Someone on Earth would likely know the near
exact scientifically measured distance as nothing
greater than a couple thousand, for why the
need to put towers all over our fair cities
then? 31,000 feet is a distance of miles!
Hint: 5,280 feet in a mile. 5.871212 miles
in fact. Drive out 5 miles from your nearest
cell phone tower, oh yeah, and don't forget

to bring a elevator like aluminum box to stand

how dumb does a Repuglicon or Obamanaut take US

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him

you can begin using the phone to make calls.
So, no collect call would have been made. \ \
The allegation also has been debunked by
reported to be, Airline officials who stated
no public phones were even available on 177.
That seems near too far fetched, BUT!, GTE
Airphone reports DO SAY - zero call assists
were made on flight 177. ZERO. So, how then
does she make a collect call then, and why
if as claimed, Ted and Barbara were madly
in love, would she not know her hubby's
personal number?

Remember, Ted was the coke pusher's lawyer in
the Contra case, of which Ted, was also
assistant secretary to the Solicitor under
Reagan. The Contra group if you recall were/are
pushing crack cocaine into major cities for
plans to undermine the American government for
illegal wars against peaceful civilized life
as stolen profit. YOURS.

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS
http://www.youtube.com/watch?v=v78ibOa4PDE

The Olson story would make for good horror
if it just wasn't so horrific. EVEN I'M
SPOOKED. Olson tells of a elaborate drama
where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory
implicating themselves at the crime scene,
as illegitimate "intelligent officers" -
we WANT to know our media voices the voices

of those who support defending ourselves from

Evidence is the prerequisite.

BANKER SOLUTION

Solution: refinance near zero interest, (as low as we can go), and concentrate on returning all defrauded assets - working to put money in the hands of our criminally stolen from Low Income Grand Parents, who are robbed routinely in Casinos, and fraudulent mortgages schemes, where the intent is never succeeding but for the scammers playing US for suckers. Then, lower the taxes on all essentials including, expenses of harmful Pharma, clean up the food and the water with tight regulations - 'tight' because it's well thought out scientifically,. Report Of �People Planting Bombs� on 9/11

Why isn't Happy George Norry, Our Enemy, covering
this everyday as an important subject to defend

Again, Alex Jones leaves every American to die
victim to his NWO, before he will acknowledge
TRUE evil in our world. George Noory, the evilest
ACTUAL Enemy of History, Alex claims is a good
guy for never allowing open discussion on 911,
Afghanistan, Iraq, and so on, without selling
his Zionist hate for our Humanity.
allowing the notion that he, and

learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment

the Constitutional protections are there to defend
yourself, because if you did, you'd demand the

sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together on pro lawless torture against innocent 'others'? Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. Or, how about, No one deserves to be tortured for confessions on crimes left then unresolved for actual retribution. [Aegis OPENLY murders innocent families for more American paying for zionist monies - P2OG - YOUR Spouse, YOUR Child, YOUR family].

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A Bike

Absolutely any cop or soldier who disagrees as true contempt for our freedoms with punishment against this nazi trash pirating our

police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from

Children in such families should be challenged

grunts irrationally everyday with nothing to say,

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed

at democracynow, a year or two ago, and can be found by searching for a grunt pretending to be an ambassador to Romania. A case where the Judge's life was threatened by a "General", where if he didn't order the death of the innocent American citizen, the grunt with the General would murder US all right then and there. The Innocent American was murdered as forsaken for value shared by free men. dying.

Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against

Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors

truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!

not be granted a minute because I, in support

America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

Obama set to allow Bush-era �torture flights�
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this crime warrants death in America according to the war crime act? Does he believe America just will never have a chance to speak for the interests of US as innocent Human beings he is planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember corporatist Amerikan citizen, these torture victims that include children as younger than a hundred, had not been alleged to have ever committed a crime in their entire lives. Victims tortured to death for the pleasures of those Satanic, such as General Geoffry Miller, who tell US today as confidenced, they do it because, patsy wasted American soldiers will just refuse to hunt them down for formal executions. Let's change this for our Humanity in this future, to look back, and know, American males were men of the World, who stood for the principles enshrined within every living Constitution. A free man shall not be jailed, or tortured by anyone in our names as Governed, without the perpetrator tried publicly for execution as our Love of real Justice. As first degree mass murderers warranted death sentences under the War Crime Act ushered by Reagan!, all done in for our protections of their next innocent victim - ourselves. Or die a death in corporate tyranny worthy the title, cowardly traitors to God and Liberty. Blackwater, CACI, AEGIS, KBR and the like will all be hunted to extinction for refusing to quit their lawless Rape and mass murder, murders done for more stolen money as America's name high-jacked. The Lawless enemies shall be prosecuted by the honorable Soldiers of the Good old, Red White, and Blue. Count me at our words on this, I am,

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security,

Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying

Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study

The U.S. Is Required To Bring George W Bush & Donald Rumsfeld Before A
Court! U.N. War Crimes

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy of Humanity, much like everyone at Foxnews, CNN, BBC, and the CBC. Our revolution against the godless bushite shills, will not allow our revolution through speaking honestly, (to become of ourselves something greater), a chance to be televised for our benefits. Bush closed criminal investigations immediately after 911. According to the FBI and Senator Daschle. CNN says you have no power, Foxnews says you have no power, the BBC says you have no power, the CBC, the same, like Alex Jones NWOers... but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom? Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies

of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the

treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice

I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,
not Torturers, not bank robbers, rapists, or
even petty thieves. Allan Watt isn't a bad guy,
he's just a chauvinist pretending he actually
knows something, when his real disability is
directly related to his absence in understanding
understandings. Doubt is a near foreign concept.
A challenge for Allan: can you get your 'genius
mind' around the fact that Peter Powers did the
London bombings, and not the Illuminati of 1463?
and if not, why are we so dumb to our present

plight that way? Don't get me wrong, Allen has
much to offer, it just isn't the issue right
now on saving our dying futures. Maybe I was
too hard on Allen, he is really actually kinda
cool. Alex Jones too has many incredible
moments of ecstatic clarity increasing in all
they joy of seeking enlightenment. .. Ok -
but this is serious business that requires
little dilly dally with what we'll have as
a side dish in Paradise Lost. We are talking
Human Lives have been destroyed by our inaction
to remedy these failures to communicate
effectively. and.. Jeeze, the weight of my
responsibilities, as just plain John, being
a/the Legos Man - for like the Family and
everythings, get's me never forgetting, all
we got are these words left dormant from the
power they truly possess in the minds of the
jack-asses. And.. here I am. I'm a Talker of
Words looking to make a break in the
NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the

war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron

but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

�We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,�

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else

up with charity?" Then went on to say, it
wasn't any of our business with what they
did with the money. (But for to cover criminal
fraud in the derivatives market, where
the true value of said commodities were
backed by ZERO capital. ZERO DOLLARS. WORTH
NOTHING. So, think about who's truly giving

War Crimes against God.

The Zionist is an enemy to the God of Love and Justice, of Beauty, and Children. A zionist LIES with a hatred unmatched in Satanic hatred for the survival of our species. I beg you, hunt to bill the zionist war criminal who charges we will not succeed to see every last war criminal on this planet hunted down to complete extinction, by public trial, then Jewish firing squads. The Zionist has bombed US, The People indiscriminately with out cause. It was Nazi Israeli that broke the truce to get killed Jews for money. They starve Jews in Israel to attract more charitable aid they can use elsewhere. They, as Nazis, will continue to murder Jews for money unless WE DEMAND, their formal trials and public executions. They have murdered our families, and they will pay will their lives for it as the directly responsible, and in no way, will escape our rages against them as the enemies of every Human Being Living for Freedom. Every Human that loves children. They HAVE ADMITTED to targeting the school girls for murder with lies they were caught doing. THEY DON'T GIVE YOU EVIDENCE. Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

/ / they committed collective suicide - men killing their own families, afterwards each other, until one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Harper complicit in Israeli war crimes
http://onlinejournal.com/artman/publish/article_4246.shtml

Canadians! Please war with words for open line
calls on the war crime enemy propagandist,
The Chorus Radio Network. CJOB STEALS millions
from Manitoba each year, and refuses all calls
for honesty in governing. They are actual
CRIMINALS.

Canadians Stand Alone
http://www.thestar.com/article/569872

Harper the proven war criminal
who will be going to prison, is the only person
on Earth that has publicly okayed Israeli Nazi
to target murder Christian school girls. Canada,
join me in demanding Harper's Public trial as a
war criminal. Prison for Harper who took a
honorable soldier who stated he refused to commit
war crimes against innocent civilians, and placed
him without trial in prison. Without warrant for
arrest. Harper, the Nazi Appeaser, is a War
Criminal standing against the Queen.

"Or is this another, popular amerikan past time,
of, who cares for the facts, we are at war with
God and Christ now?" Die bushite die Christ always
says against lawless torturers as mass murdering
thieves of Humanity.

shreveport man gets 15 years for stealing $100.00
http://wesawthat.blogspot.com/2009/01/shreveport-man-gets-15-years-for.html

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our

Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

HUMAN

These war criminals need to be arrested for Murdering

as they are dumb. Get every man who defends freedom
truly to hunt down these satanic demon ENEMIES for
thee True Jewish Cause, to ask it why it lies as an
enemy to HUMANITY, to murder innocent others as
evil doing thief to Freedom. A thief of Jews
everywhere to know truly God as Love and Justice.
Not only will Americans celebrate these neocon criminal's
freedom to call for the murder of innocent Christians,
as he does without arrest, "Americans" too, will as
Satanic refuse to hunt the ungodly enemy of the Jewish
faith down as Nazi hunters. No, Americans, cowardly, are
committed to dying with the Nazi Elite, as such
to escape of the Neocon terrorists who participated
in the mass murder of America for more stolen money

then them, Zionists who would screw you out of a house

Of whom openly thieve? Officially? Yes, and they try

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease fire; and that Israel broke it, then unleashed a total starvation blockade on Gaza followed by flaming death from the sky aimed at schools, hospitals, ambulances, and children, and you dare call the people opposed to such barbarity a "mob?" \ \

Zionists are evil people who pretend they are honest, when lying directly to everyone. Blitzer reports Hammas broke the truce, he is lying to continue the murder of innocent peoples. Understand: Israeli Nazi state they will continue to murder our innocent Humanity until the rockets stop falling on Jews. Yet, they broke the truce, and murder Jews routinely with reckless abandon. Jews from the Bible as of "nigger" Ethiopian, are what the Zionist hate when warring GOD for apartheid, apartheid that is Humanity in Gaza. A zionist is a war criminal who speaks not against the neocon, but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable murderous nazi thieves of God as Just cause is. I am, and YOU are, you just maybe don't know it yet, or if ever. A zionist serves Satan to escape the neocon terrorists from their ungodly crimes on 911.

Not the Nazi Israeli?

The guilty party are those who advocate these

mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests there is an argument to be made here. There isn't. Nazi Israeli DEMON LIARS broke the truce to kill Jews for money. They are godless enemies of Humanity. So it isn't that we are pro-Palestinian, it is that we are pro-Human. Zionists DESERVE to die, before US, the innocent, they target for murder for stolen cash gain. Like Obama has promised to do for AIPAC. But what about the rest of US 6 billion plus Obama? Who is it of US innocent folks do you wish to MURDER, or torture next as a Zionist war criminal for Satan Obama? Torturing kids is popular in Israel, tell US Obama, which American father will have his children tortured, or murdered sadistically by yourself as a whore for Nazi Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside while they sadistically destroy her meager gains, I grow weary with ourselves for not speaking right. Nazi Israeli are committed to deny US our God given rights as Innocent persons to speak freely for Justice realized. All because they STEAL our Lives for monetary gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by Obama. It's like, he's talking some jive about how now he'll NOT let the words of Hamas reach his ears. Being against war criminals, doesn't make you pro-Hamas, necessarily, it means your against war crimes to defend the lives of ourselves respected. Remember: He told US earlier during the campaign that he wouldn't fear speaking to anyone, Hamas especially, because he was confident he could win the discussion on

Liberty, by principles that unite all free men. Now, he has promised the FBI's Most Wanted AIPAC, he will pretend to not hear any calls for fairness as all parties united by common cause. Johnny Who? Where did you go Obama? You were here, then.. pooof! you vanished into the loving shackles of convicted/ing criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE" organized war crime outfit, dedicated to deceiving the Public by lying. I am not Lying. I'm not saying I hold his associations as a measure of himself, I am concerned with him stating, he will not hear our cries for Justice, as then AIPAC cheered. I was as freaked out about it as you maybe yourself now, believing it as possible. Check it out for yourself, and wonder, just "who" is this person they tell us they're are going to take for as dying fools? I mean look at what happened to what's his name, when he sided similarly the same in error as hugely criminal? Come on be honest with us son, "Are you on drugs?". Maybe he's just been stressed with all of everything he is heaped to follow on, NOT to know by Blitzer, that Israeli broke the truce to kill more Jews for money, and, also STEAL innocent Peoples Homes while saying, "they are God's Chosen". Yeah, chosen for, "The Bad Example", of how Jews are left undefended by these grave robbing war criminal nazi forces. As the King of Jews, I call for Public War Crimes trials of the entire bushmob as terrorists, and their supporters for lawless tyranny.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor

they make a quarter also? If I say so like Alex would? He is an idiot. Truly. George Noory figures Hamas broke the truce, and that the Mideast solution is that Jews should be separated with special rights, as oppressors over the freedom of every Palestinian Prisoner, and what's Alex Jones gonna say about his 'truth telling freedom fighter' George to actual 'lame ass evil nazi traitor' George?, to YOU about how George is just trying to murder millions of helpless people as an offer for the final solution? We can expect Alex now to claim, Zionists should have special rights over Jews, all to maintain his FICTIONS on Noory being anything but the monster to Humanity he is. Just because Noory doesn't growl when talking about murdering all children in around the age of 15, or against soldiers who refuse criminal orders, does still make him a true fascist nazi enemy laughing at your murderers escaping to live freedom in our dying forsaken worlds. The bushmob doctored the NIE. Conned Congress, and Soldiers. Did 911, by closing criminal FBI investigations immediately. Alex and George don't seem to want US to know these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some how to own a gun, means an American would kill a cop who beat a women near to death for pleasures that he could never be Publicly arrested for, as a sadistically evil nazi bushite fuck. Look, if YOU DID kill that particular DEMON COP after the Chief refused to arrest him, you couldn't possibly go to jail in Johnny's America, because the truth would win out in a fair verdict. And REAL cops would honor you with great big, thank you. Nothing worse than a cop (or bushite grunter) who believes the Law doesn't

apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY

Zionist FOR THIS TREASONOUS LIE. Why God asks? Because there isn't any evidence to support that Satanic lie. According to the FBI. And according to God, Zionists are not Jews, but of Satan as enemies of every life form in this Galaxy, Hunt him down, and bill him today for the love of God. You can 'hear' it in his voice.. how he lies TO YOU as a DEMON of a Hatred for Truth and Humanity. Facts, that are easily available, are not what he works to mislead others, others he hates, and wishes to murder for as ungodly sadistic pleasures as YOUR enemy. Bill him under American law for being pro-torture too while we're at it. Death to bushite, death to the murdering enemies of God's Love for Mankind, and enemies of TRUE Justice for Americans. The fuking demon enemy lies to you, as a con to STEAL your life, or just as soon, the life of another innocent other. Now, what are you going to do about it? Except his lies as exceptable, as he tries his hardest blatantly LYING to kill God and Justice in our Worlds? Not in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can Stretch On for Years for Americans, without Ever seeing a day in Court. '

Where are the arrests?, then firing squads for the Judges who 'judged' such criminality against freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury [FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion and counting.. And Congress 'slams' them for disappearing OUR MONEY. Slams with what?, a, don't do that again please butt sqeeze? It should be massive slammer time, with a return of all STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts are assisting in the mass murder of innocent Christians in Palestine. War crimes demanding death sentences. It isn't an argument that can be turned around. Nazi Israeli STEAL Peoples Homes without apology, as a function of their SATANIC government, while colectively bombing the INNOCENT victims who die because of it. It's a prison camp! they are denied water, food, shelter.. since four or five truces over that they've broken, every one. These are Satanic enemies, willing War Crimes against God,

a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered, just endless streams of illiterate bushite dumfuk losers sucking on each other. While they wrest from US the wonder; just why we can't stop criminals from robbing ourselves, while murdering our families? Alex wants to blame the unstoppable NWO, while I, want to blame those actually responsible, like Bush and the proven treasonous, Neocon terorist liars who are pro-torture. With arrest warrants. All of them. I'll do it for Reagan's, War Crimes Act, as an act of respect for my Great America, that's isn't always been dying dead wrong under the leaderships of criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who? Is the AP referring to the tin can rockets that travel usually several miles, but in one case, 22 miles? To kill a Jew standing outside in his yard, thinking on how he would defeat true evil in his time? Tin can rockets that contain no explosive charge? Have no mistake, if it hits you in the head, your dead, but really, what do you think the odds are on that? E=mc�. Or is this another, amerikan past time, of, who cares for the facts, we are at war with God and Christ now? Joe is an American Zionist "Plumber", who has amassed a multi-million dollar fortune in the competitive industry by shit eating. Every bushite death is a mercy given to God in defense of all that is right and Just in this Universe. A lawless bushite enemy wars America as a traitor to escape the neocons from the crimes of 911.

This warrants the Death Sentence to Republicans who have committed America to these war crimes - DEATH SENTENCES. Christ DEMANDS these trials to start tonight on America's Coast to Coast radio program. It's called first degree mass murder.

Israel broke the truce on Nov. 4th, yet state they will continue to murder Humanity indiscriminately until a truce can be found that they will break, as always, Being the Satanic enemies of God and Man according to the Bible:

These are People not charged with any criminal offense don't forget. Die bushite die you know is what I recommend, as does Reagan. A dead bushite means you've saved the life of their next victim, an Innocent Human Being guilty of no crimes. The war criminal enemy is the bushite, the Zionist, the LIAR neocon traitor to Life as this Universe, along with every dumfuk grunt who serves tyranny for the bushmob at Guantanamo, Iraq, or Afghanistan. It is a soldier's oath to obey lawful orders only, but Cheney they don't take out with American Law - how come? cowardly fascist nazi whores for Zionism's evil as the ungodly that's why. Cowards dying for the escape of the Neocons from the 911 scene as reported publicly. - Vs. US. That's we whoever you are.

Widespread Suffering and Death
http://www.youtube.com/watch?v=gVdee2iXSVk&feature=related

Notice no one shoots at the blimp fire bombing the entire neighborhoods. And if it's phosphorous, that smoke is already deadly toxic. That is why it warrants the Death Sentence under International Law when used against OUR Humanity, as the most evil of Nazi War Crimes ever. The neoCON LIARS are the LIARS conning you here on our TVs and Radio dramas, in where, they don't want to openly take our public calls for real Justice. Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression. So, them being "puppets" is even all the reason more to insist in their capture for trial by Jury. A Public Jury of our Peers. Now, who's in with You? You can count me in. and I bet willed to action, we will find others to be something of ourselves too.. Justice and Liberty for All. Equal rights given is what true freedom is as measured. Translated from the 'Alien' dialectic to Amereeze jank vibe; where is the fucking evidence here Neocon traitors who false accuse to lead us off the straight and narrow? It leads to Bush, Cheney, Rumsfeld, and Condi that's why I figure, you figure, they figure, we figure, so... what are WE going to do about this sacrificing for godless tyranny further then as unrepresented?

They kill Jews for money. They bombed Jews in Lebanon for money. They want to bomb the HUGE sacred Jewish communities in Iran.. wonder why? Zionists are not Jews, for Jews don't steal in God's good name. Nor target innocent beings for stolen gains. A zionist is a thief to life, and as such, needs to be formally charged for their criminal offenses, given lawyers, and upon a successful prosecution, rot in a prison cell and/or pay restitutions. YES. why? so not another innocent person must fall in their place as next victim to a zionist's public commitment to lawless tyranny for evil intentions.

Let US never forget, the Zionists also would bomb some locations, then later, drop the warnings for the Jews to run for their lives. Didn't warn them though if they get into a car or truck they would be destroyed instantly by the Zionist flying the America paid for Apache. I did a big show of shows through that continued as, more 'un-resolved' crime scenes perpetrated by the treasonous, neocon Zionist terror merchants. It's like they think some dying fools are going to keep going to save'em in the end from ourselves as still suffering in Justice denied as enslaving into ungodly tyranny eh? / / It is just unacceptable to apply two standards of morality, one for Jews and another for non-Jews. For if what Israel is doing in Gaza is right, as Israel and her supporters maintain, then what the Nazis did in Europe several decades ago must have been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of God and Man. Don't think the NAZI Zionist like Bolton doesn't know this, with his friends at FoxNews.They WANT to rape, murder, and pillage America all her freedoms for the bounties of private banker frauds. The banker does not ever cover our loans, we do. So, why give them trillions of American worker waged dollars for nothing?. THEY DON'T COVER LOANS. Protest pictures from around the world (not on CNN)

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies

to Christ, Hillel, Mohammad, YOU, blahblahblah.

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the

perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as

irrationally held by those who's minds have only
a blind hate for the indivisible rights of
another innocent other. And often truly hate men
and women for being Just as wise. The McCainiac
Zombie video is a perfect example. When the Zombie
is asked about the rights of Women, the McCainiac
Zombie cried out for raping more Women. The
position of authoritarian power, was only found
with the bushite as oppressor, rapist, torturer,
or Air Force Bomber, not liberation by freedom.
The bushite McCainiac KNOWS it can't compete
openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with him� maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American

worker wages. Look, Americans refuse to call for the arrest of Bush on their national, "truth telling" Coast to Coast radio program. Why? Because, for one, George Noory, (Alex Jones' best buds), has told US he's into killing innocent kids as powerful, and that 'bin Laden did it', Is good enough for US. You don't get a say here however how you will live or die. George Noory calls all grunts heroes, and those who refuse criminal orders, those he wishes to go ballistic on. Yes, it's true, George Noory is still alive and happy as ever.

Rise Up for innocent Life, or don't and see where it'll get you in the end.

Again, every soldier in the Air Force serving for the neocon liar is a traitor warranting death, to save the lives of their next innocent victims. They have murdered more than two million people in Iraq. They are pushing heroin into America from Afghanistan. They are raping AMERICAN women as officially "LAWLESS" (can't be arrested but through Rumsfeld - who has not seeked any prosecutions for the raping of American Peoples. He, as Neocon, is TRYING to DESTROY FREEDOM For all Americans in America - while paying with American wages, South African death squads to murder Black men) and TV'ed Americans refuse to speak for Justice denied themselves. Zionist amerikans only see US as innocent others, not themselves to pay, but they do pay, they will pay. God, nor John will not live in a world where bushite grunts walk freely down our streets as first degree mass murdering rapists, torturers, and thieves. Celebrated by CNN, CBC, and FoxNews. Especially when they DEMAND they have greater rights than Human Beings. Mass Murderers deserve immediate death sentence to defend ourselves from their demon lies and betrayals to God and Man. Every CBC and CNN reporter who reported Russia attacked Georgia unprovoked will warrant trial, then death sentences for their total commitment to the Satanic NeoCON enemy war criminals. Remember: they targeted for murder, helpless innocent families. YOUR family. CNN wants you to blindly believe, CNN personalities like ENEMY George Noory are so happy, why would we think they willed death against our great Humanity by conning you for more stolen money through the sacrifice of YOUR life for zionist criminals who laugh at your powerlessness to raise your voice for Justice.

They targeted Jews in Lebanon with seven million land mines, and let Jews starve to death in Israel for more charitable aid they can steal from G-d's Good Will. Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice

on 911, and show serious concern for publicly paying
private banker men trillions in worker wages for
nothing. This is seriously disturbing, yes, but
seriously important to address openly in our spaces
to remedy with a Johnny Wizard World Wide Work of
Wonder, Super CNN Special of Specials, with Your
Host, the One and Only, President and CEO of
Shareware Earth Co. John Himself. Hey everybody!
Wow eh? So a.. when is the good guys showing up?
Now. Justice. I want US to Host Coast to Coast for
open Public communications, where things get
solved because we know whats we're learning about.
We of god, this way comes, then men and women with
calculators to know: giving money to private bankers
on hopes they'll lend a small fraction some back
to ourselves at high interest is dumber than rocks.

Israel Drops White Phosphorus Bombs, Littlest Victims Suffer
http://www.apfn.org/apfn/DU_Israel.htm

My friends, demonic evil forces do exist to STEAL
the living rights from anyone of us, especially
including the Jews. Remember, it is the zionist who
steals God's good name through lies left unchallenged
by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get
killed Jews in Israel, a cash bonus! Like starving
Jews do attest on a infomercial that ran for near
18 months across Canada. Then covered by the Israeli
press, that the Zionist officials there actually
enjoy the prospect of suffering Jews because it,
OUR SUFFERING, will attract more charitable aid the
ungodly criminal enemy can use elesewheres! Hitler
revisited. I am the Son to God and I wouldn't lie
to you about an issue as hughly Satanic as this.

White Phosphorous: Israel fires artillery shells into Gaza
http://www.sott.net/articles/show/172089-White-Phosphorous-Israel-fires-artillery-shells-into-Gaza

We can overcome this, and create a better world in
the process. It's back to the simple things: open
communications, and evidence, evidence, evidence
to convince ourselves truly of anything. We are
in a horrible dream right now, that we must arrive
ourselves into for comforts. Arrest the Neocons for
treason. That of course includes anti-gay
Bolton for his and Kalilizad's treasonous lies
brodcasted on FoxNews these last few days. And

Peter Powers for the London bombings while we are at it, then, we'll really being going places.

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King that Hamas broke the truce, without any uttering of fact. While when the nazi israelis were accused, just minutes earlier, Mark Regev could say only silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

The Reality of Zionist War Crimes in Gaza
http://www.youtube.com/watch?v=GDjthFt6EZg

The zionists aligned with Bolton are using radio-active weaponry against all Christians. What do "Christians" in America on Coast to Coast have to say? Nothing because that demon enemy of Life George Noory, the pro child killer, insists as Truth's closest most bestest friend, bin Laden did it.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE in a car or truck in the entire nation of Lebanon, (especially in the Jewish communities) because like enemy "Gray Ghost" would say, all those innocent Peoples deserve TO DIE AS MURDER VICTIMS for his sadistic ungodly pleasures. Remember, Nazi Israeli didn't mention this until thousands has already been murdered, then even still, without radio, TV, or newspapers, telephones, or sky writing how were ONLY THE INNOCENT JEWS as officially targeted to know? Then the seven million land mines to kill innocent kids for generations. To the enemy of Life, Gray Ghost it matters not that Israeli started the conflict by sacrificing nazi vermined trashed as Satanic dumfuk enemy soldiers sent across the border, to Grey Ghost, all it knows, is Justice must not be allowed to win this game for our human race, for he would be truly seen as a sadistic enemy of Freedom, powerless, or rightly dead for his proud treasons against life in this universe.

ZIONIST DEMON LIARS TO SHOW HIT ON TRUCK FULL OF ROCKETS ACTUALLY HIT TRUCK FULL OF WELDING TANKS
http://english.aljazeera.net/news/middleeast/2009/01/20091117737115874.html

Please John begs all People's of Humanity, Americans do not have the courage to even speak concerns for their dying as evil state of godless private banker ruled blind tyranny. 'Duh, yeah give billionaires trillions, trillions, TRILLIONS to help the poor homeless mothers poisoned by FoxNews CRIMINALLY.' Gawly je, I dunt no y dat detnt work-ed' - o wel, cary ohn my wayward Son.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,
and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist,
an innocent murder victim's life can not be allowed
a defense such as the charge of first degree murder
against Netanyaho because, he states no Justice to
any who believe in the Jewish cause, as Hillel, of
freedom as Liberty for all. If Jews ran Israel,
Netanyaho would be chastised publicly by the Humans,
for sanctioning the criminal acts of first degree
murder. The nation of Nazi Israel STEALS Peoples
HOMES. What other nation on this Earth commits
such willful crimes against innocent Human beings
OFFICIALLY? Steals homes from god loving innocent
folks and labels it our 'Justice system'? Who? Neocon
Amerika, the nation that gave trillions to bankers
recently on only prayers that their gods will maybe
lend some of their own money back to them at high
interest. But alas, evil is the deceived disguised,
as in their deep ignorance of money and virtue, they
do not understand, the private banker never covers
the loan. Never does a private banker reach into
it's pocket to borrow US to begin with - so as a
consequence, the bankers have just pocketed all the
'free' loot for nothing, TRILLIONS, and are not
saying why should they help anyone else with charity?
it's the amerikan way. Instead, hate the wise socialist
who designed a working good traffic signal system,
where lives are saved and congestion is eased, or
hate the white man, the black man, different People.
But never Mr. Bush, Mr. Cheney, or Rumsfeld, the
neocon traitors who closed criminal investigations
immediately after the crimes of 911 occurred, who
doctored the NIE to con America into death, and
never slight the trillioniare private banker gods,
who have stolen/taken our public authority through

war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater
than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples homes in that nation run as thieves don't You know? Or as it is just open public knowledge that the Zionist excepts that 911 was actually a good thing for them as war criminals reaping the cash rewards for continuing capital murders?

/ / Ehud Barak promised that the war would continue �to the bitter end.� \ \

That is you there Barak promises to end bitterly as the innocent the demon targets for ungodly murder. How could ANY REAL MAN steal food from a Christian baby? How do they do it?, as the inhuman. (Like bushite do in Iraq, while on CNN in interview tell US, they are there war criming for neocon traitors to steal everything as "helping the Iraqi children". They offer no clean water, no food, just indiscriminate bombing campaigns of evil incarnate. True fascist nazi enemies of true freedom in America who advance censorship to anyone like myself. Why? They lose. They are not men but Satanic enemies of the King to Jews, the Messiah. I Am. Thieves to the scriptures of Hillel, and of Moses. Thieves to the intent of every true religious person, for God is everywhere. God is the Word, and the Word is Holy. So, fuck you and die bushite nazi traitors to American Justice, those of them who refuse US open free words to resolve their war criminal behaviors as is done in godless Israel today against INNOCENT Christians. Done before another innocent other has our homes stolen, or is murdered by the lawless grunting bushite dumfuk enemies of Jesus Christ. I am King already, always have been, always will be. Live with it. The Koran is filled with great understandings on this relationship. Christ is mentioned more than Mohammad - and Mary can be understood as the mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise people will compete for bettering ourselves by understanding. Who the fuck are these illiterate monsters at CTV national television? and how can they willingly keep our soldiers in the dark dying that way by simply smiling? Are they experts in anything? are they respected researchers? writers?, politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

My son is a policeman in a town 25-30 miles from where I live.

I'd like to pick up a scanner to keep up with what is going on in his town.

What is the approximate range of the various scanners and what type/brand should I purchase.

Thanks in advance

Well, it depends.....

First, what technology and or frequencies does his dept use ?
VHF, UHF, Trunking, APCO, Analog or Digital ??

What is the local land terrain ?   Flat, Hilly, Mountainous ??

Go here to find some info on system type, etc

http://www.radioreference.com/apps/db/

Best thing to do would be have son ask around dept. Lots of wives like
to listen, or when off-duty.

Might also see what your local RadioShack store would recommend (just
don't buy first thing the say)

Also might check ScanAmerica and see if his dept is on the Internet !!
Won't cost anything then.

Hi everyone.

I have an Icom R-3 scanner and although I have the manual
am completely unable to work out how to enter frequencies
```

such as AM airband. Moreover, I have no idea how to scan
the frequencies when I've entered them.

If there is any R-3 owner with a bit of time on their hands,
I'd be most grateful if they could email me, mwjames1944@gmail.com
giving me key by key instructions.

Thanks,

Minge

The way Federal Law works is that it sets the minimum guide lines for the
states. If a state or some other agency (i.e. DOT or Public Utility
agencies) wants to make it more stringent then its up to the Court of
Appeals and Supreme Courts (state and/or federal) to rule if it meets

constitutional requirements.

In some case if a person is stopped by the the police during the commission
of a law violation (read this to mean both criminal and traffic) the scanner
can be considered a "criminal tool" to aid in the prevention of apprehension
by the authorities. However most most state laws they state within a motor
vehicle it is illegal to have a scanner because they fear from loss of
revenue do to the scanner cuing the driver as to a radar trap.

Face it people can bitch all they want but it will take an explicit
constitutional amendment stating the possession of a scanner or other type
of communication device in a motor vehicle is a right of the people to give
them what want.

I am not lawyer but am a former law enforcement officer.

Israeli T-Shirts Mock Gaza Killing of Innocent Children

Again, they are ungodly thieving enemies of LIFE.
Not lovers of God, but Satanic as most certainly
deserve to be gassed as war criminals, after a
fair public trial of our peers. They broke the truce,
then targeted innocent children for mass murder.
They are enemies of every single innocent Human

Jew, the zionist Israeli depise as sadistic mass

U.S. Injecting Billions Into Foreign Central Banks
http://www.huffingtonpost.com/2009/03/17/us-injecting-billions-int_n_175454.html

Look, you nazi bastards, they are stealing
our monies. God, I am so frustrated with America's
refusals to support open communications for wise
men or women to speak freely. Where, or how does
a bankster "Lose" trillions?, when they covet
every last quarter penny? JPMorgan has currently
more than a trillion dollars in capital, so why pay
out as a tax payer 9.9 trillion on hopes to bolster

loans? They trade worthless derivitives, (CNBC's
"House of Cards") then pay themselves in YOUR
pension money as commissions. A sub-prime scam where
they trick a family into re-finance on the promise
of lowering payments, then bamb! double YOUR
payments to steal the house they put ZERO down for,
is a criminal fraud. But, whores of Obama hear him
state, "it is all perfectly legal", and that's all
they need to placate our screams for real Justice.
Our America is dying for the false accusing
demon LIAR, Trillioniare Zionist Banksters.

a workable solution through factually based

Ben Stein on Larry King, said something
near this in reference to bailing out
these trillion dollar frauds: 'it's called
extortion, and somebody out there needs
to insist on understanding that that means,
it's hugely illegal, but Congress has
forgotten you have some dying rights here,
but, they can still call in our forces for
Justice, if America wills it.'

Guess what? We might might be the only
peoples on Earth to realize the
significance of Mr. Stein's factually
based stance on this issue of yours.

How can Alex state Bush ain't worth American accountability
because Obama is oh so much worse? If Bush can do

911 and torture without Alex getting his panties in a bunch, how is it that Obama can enrage him for dare increasing the non-existent tax on those who "earn" 250,000 or more in the lawless 'free market', as a stupid evil ignorant dweeb of a man fearful that America will awaken without his restrictions on our measurements? A Patriot?. Can you believe Norris states a problem with a capital gains tax? Do you People have any idea on how truly wicked evil that is? ANY? Hedgers have cleared as much as a trillion dollars personally screwing with our businesses by nickel and dooming everything, and with BUSH, have paid zero income taxes on such insane cash withdrawals. While you as an American worker, who actually works for a living, have paid your 'necessary' taxes, and will continue to be forced to comply further laboring, all to pay for the likes of Presidente Chuck Norris, and his deeply proud ignorances on Economics, Justice, Maths, and Religion. Like fellow multi (b?)millionaire Ron Paul, who claims no call for Constitutional protections available for demanding the arrest of Bush and Cheney for high treasons, including the documented actions of mass murder in America on 911. Never mind the millions of INNOCENT bombing victims by the bushite nazi savages of the amerikan air forces Ron states died as an American police action. HEY! Bush wasn't even elected and Norris with Alex Jones cares what for defending American Liberty? Alex WILL continue to sell America out with George Noory for more money. How much money does America need pay Alex before he will allow the knowledge of Bush closing police investigations on 911? How many to die at the hands of censor Alex, who claims George Noory is anything but the demon enemy he boasts daily with his continuing lies to con the teen grunts further for deaths? How much to allow Americans know the Iraq war has no cause to still die America for we ask?????????????????

The bushite 'mind control' slaves work to divide our innocent masses, to have US falsely believe we are not united by common cause. Justice. The reason the NWOer, elite mouth pieces don't like US speaking freely, isn't because they could disagree with US in public, it's that they don't want America to learn what a real man is that defends his family.

Chuck Norris �Ron Paul was Right�

On pot okay, but on what else? 911? the Iraq war crimes of liar Bush? Banking? Social Security? Health Care? Freedom? Trade? Rights? The Republic? We don't think so, and Norris ain't talking honorably to defend our rights, because we know, he's a total sell out dysfunctional illiterate loser to the military complex beyond his reconin'. He'll kill any American teen with an un-constitutional con to make the ungodly lawless zionist enemy traitors richer as unholy thieves, just as long as we don't make him out to be the COWARD he is, still warring for the French to oppress The innocent Peoples of Vietnam. Texas? The State that openly rapes children without arrests? Texas? The State that released a first degree murderer without charge, while executing men not guilty of anything, AS ALLEGED? blahblahblah.

What does Norris know of American freedom?, of liberty? Squat, for he is widely recognized as a dysfunctional illiterate who's made that claim proudly for decades. Again, Alex is 'hiding' his refusal to stand for American freedom with the facts he has apparently completely forgotten of, facts against the Neocon bushite lying nazi traitors of CRIMINALITY. Condi's plan for Afghanistan is the probable cause for the crimes of 911 going un-addressed as officially planned. Bush closed 911 investigations immediately then claimed if we tried to form our own conclusions, we would all be the terrorists for it. (Bush gave zero basis to form his therefore FALSE allegation as the for real evil incarnate Antichrist enemy of Man) Alex doesn't want American families to know this INDISPUTABLE godly truth from the actual Son of Man. For YOU to consider freely for open discussion to win every challenge we will for the defense of real liberty. Alex can't have this for US because, he'll look as weak and dumb as he TRULY is to freedom's actual call, a place where our evidence speaks for itself, as the Public empowered with Justice Willed in All.

(I called NWOer Jason and told him he should learn of the fact that the Bushmob doctored the NIE on Iraq as an act of treason to con teen grunts for death, and he instead of thinking as a free man would, hung up on me calling US all just jealous of his success! over the needless deaths of American soldiers!! - 'besides Bush is just a puppet'. A victim of Alex's very real 'mind control' to not be a free minded Patriot, but blindly a whore for the escape of the Neocon traitors of Satan. Reminder: I along with several other real patriots had this case sewn up Dec 2001 - a time where Jason was rooted lawlessly for killing innocent Afghans. However, at least he's almost trying.. THINK: The loosechange crews have never, that I know of, never been even invited on Coast to Coast for a fast ten minutes to be quickly discarded as the most popular truthers on the face of this planet. Alex Jones has no problem with that, in FACT, he'll as he alway has, spew endless praise for the demon continuing as he always has a godless traitor. Truthers! don't let this go to your head, for it can make you no greater, with risks that you will cull yourself further away as Alex has, (or Venom) that you know better than everybody else on all things, for, YOUR A BIGOT, and the billions of People here are all "Liberals" fighting to be treated fairly, or "Socialists" who know traffic lights prevent congestion, and save Peoples lives.)

Mike Rivero, from GCN stated that there were only two kinds of people in the world: anarchists and freedom believers, and those that want control... blahblahblah. SEE? He knows near nothing of Freedom. Justice Mike, where order is made collectively that thee shall not murder another innocent other for example. Too difficult to comprehend? I pick on him only because I've explained this to him already, personally, very simply. He claimed agreement at that time, but the knowledge has escaped him somehow, what with Alex near completely leaving the 911truther movements in the dark on purposes not yet understood by the dying American suckers.. Is it that now at GCN openly will sell Justice=Tyranny, for "Liberals"=are-what-you -demon-lying-nazi-fuks? Anything to divide our wills to escape Bush and the Neocons for the mass murder of Americans in New York City on 911 eh?

Alex Jones would rather have every America sacrificed as conned by his belligerence for the truly wise like myself, than learn like every American school boy should: a person accused of a criminal offense without any evidence to surmise our conclusion is INNOCENT dumfuk. Laden is innocent of setting the Thermate in the towers, and George Noory the cheat, our enemy, the censor, is a demon lying traitor, who on purpose, tries to mislead EVERY listener with his betrayal to the cause of any soldier who has ever served for a cause worth mentioning. As dying for. So many people have been murdered and the demon can only express his happiness for our continuing downfalls left undefended by freedom practiced. Look out! here comes Bigfoot for the 52,000th time. Who is it this "American" who claims George Noory the traitor is anything else but? SEE? I want open dialog, Alex, the repug coward, the bigot, wants the tyranny of censorship to escape Bush and the Neocons for the provable crimes of 911 in New York City where thousands of Americans were murdered. MURDERED. Bush closed investigations. WHAT IS IT THAT YOU CAN'T FIGURE HERE? Demand open communications above the NWOer shills of GCN rolling in millions donated by the dying, who bark against REAL Patriots, 'Bush and Cheney are just puppets' for directly being criminally complicit for mass murder in MY America. Who am I to speak such truths? The one and only, King Johnny.

innocent masses, to escape the Neocon
bushmobsters for mass murder on 911.

CNN says Ron Paul charged with earmarking for his district http://www.youtube.com/watch?v=bbca34MS8LI&feature=related

Read the comments, and then know: Libertarians have like near zero understanding of their own mindlessness evil doings. How difficult is it to spend ten minutes reading what an earmark/rider is? It is a criminal theft is what it is. Ron states the system is corrupt, so he's just doing what corrupted politicians do. Thousands of earmarks totaling billions and billions will go completely unaccounted for, that you as a Libertarian sucker NWOer pays for blindly. Nobody in America is allowed to know where the money is going, unless, you PERSONALLY go down to some hidden office in D.C., without recording equipment blahblahblah..
CNN has lightly covered this issue a year or two ago. But see? Libertarians can't be bothered to read.. Listen to "Free Talk Live" for ten minutes, then know, they really couldn't care for defending YOUR dying rights. Example:
NO BULLSHIT - FTL hosts last week stated that slave laborers who manufacture to compete for American dollars, who don't like their living conditions, (in perhaps a military dictatorship), can just simply quit, and move to America. Why so dumb? Because as idiot slave ant ideologues, they spew blindly being hypno muggers, 'governing is bad', (traffic light techs, and murderer arresters included!?! The truth is they actually HATE wise men, that are greater in every way that their pathetic sell out of Freedom and Liberty for stolen gains - they have no true talents!)

The scariest thing about it, is that nobody even cares enough at GCN to phone in and call them qwackers! No, like OPENLY fascist ENEMY George Noory, near an endless stream on how bright to fellow anarchists they pronounce to be, as being, corporate nazi whores, whores silent to war crime offenses committed in America's stolen name.

A caller asked Alex what's up with his non-existent call for Justice, and Alex responded that Ron Paul NOW supports the arrest of Bernake. Boy, we'll all have to look out for that, considering Ron thinks teen grunts are dying in Iraq as a police action, not to rob and kill America for war crimes, escaping the Neocon. AND, Ron of course does not support arresting Bush for treason as a liar that Saddam wouldn't let the inspectors in.. Ooops, that's forbidden the mind control 'experts' of the NWOers.

Ann is like these NWOers some what eh? Anything to escape Bush and the Neocons for the mass murder of Americans. Ann actually sounds near identical to Alex's excuses for attacking Liberals, Socialists, gays, do gooders, anybody he'll demonize to divide our voices for Justice against the guilty parties of 911. (he's even recently said some derogatory words against the equality of Women's rights if you can believe it!) Condi however, he has near never even metioned but for to quickly pass! The 911 witch who ordered not only the killing of Americans for the criminal Neocon plan of plunder through

the mindless grunts of the military, who
lied daily about Iraq's wmds, but also, was
the sole person responsible for ordering seven
million land mines to be dropped on Jews in
Lebanon. 1441. When has Alex in his entire carreer
expressed interest in defending Palestinians
from indiscriminate slaughter supported by
Repuggers and Dems alike as Proxies for Satanic
godless war crimer Israeli? Is it because it
isn't popular to defend an innocent other in
Guns for brains Texas where rapists walk free
and innocent men are put to death without a
whisper of concern from the Chuck Norris' of
that world? Alex actually stated that the sound
of the bullets going into the backs of those
two innocent Americans was 'the sound of
Liberty'. Or, in other words, has Alex
supported arresting all AIPAC members as
accsessories to mass murder and blatant
treasons against the good old red white and
blue? Of course not, but demands he is US
fairly.. how so bro?

kill Americans for evil stupidity through the tyranny of
censorship, and instead, allow open communications
where John can host for dialog? Again, GCNLive will,
as largely bigots, will mimic daily what ALL "liberals",
or "Socialists", 'think' as fascist Commies - blindly
being derogatory to divide our innocent masses, OUR
WILLS, to start arrests with the traitors Bush and
Cheney - for PROVABLE crimes such as MASS MURDER on
911 by simply closing outstanding investigations.
The NWOers are the 'unstoppable' NWO, who they claim,
we can not bring formal warrants against ourselves.
The Iraq war is a needless war crime of dead
people that has no need to be, (why bomb

where you can go anywhere without delay)
a crime that all GCN hosts currently will forbid
communicating such knowledge to defend the
lives of sacrificing teen grunts. Why does not
America demand Coast to Coast allow the evidence
of 911 being ACTUALLY orchestrated from Condi's
office with her pre-invasion of Afghanistan plan for
Enron, (as so reported by MSNBC.) be openly aired
for grievance? Who's freedom does the NWOers defend
by blaming without needs for forming probable cause?
People who blame other INNOCENT people with labels
concocted from the broken minds of bigots? Again,
the bartender from the "CFR", isn't guilty like Condi
from the "CFR".

Wake up people, we are under attack by those
who refuse US Justice to win Freedom for anyone.

Fed to Taxpayers: Up Yours! -- Insists on Hiding Bailout Data
http://wakeupfromyourslumber.blogspot.com/2009/03/fed-to-taxpayers-up-yours-insists-on.html

Who cares in America? All the bushwhores like
Alex Jones love George Noory for forbidding open
communications in America, while championing wars
against US as innocent folks all to further escape
the TRAITOR neocon LIAR war mongers for the crimes
of mass murder on 911. George Noory HATES America
to have Justice where a man like me could explain
the errors of a bushite's lawless ways in seconds,
and America can not be granted such wisdom to be
freely expressed where the good guys win. Sadist
Ron Paul wants to gut social programs blindly as
a corporate fascist, while claiming 911 was
committed by bin Laden - and, shockingly, (when
you consider the evidence available) that the

Iraq war crimes of rape, torture and mass murder, are actually an American police action to defend God's world - and Alex has ZERO problems with those demon lies, and won't let ANYONE express the facts on such History. To think that Alex insists he and Ron Paul leads our "freedom" movement! Alex wants to gun down innocent men in America as boasted, and RON WANTS TO GO A GOLD STANDARD, BUT DOESN"T WANT TO RECOVER THE STOLEN TRILLIONS. Who can afford this continuing deliberate ignorance of Alex Jones and the bushwhores, still asking for our dwindling money to fight for anything but Justice? Who? How much will it cost America to donate to Alex Jones to afford US the public knowledge that the Iraq war is a war crime? Or that we have video of iron flowing like water from the towers? How much?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law". Evil enemy of everyone these demon fuks are. Then, what the fcuk are they good for to not speak against clear war crime injustices against God and Humanity? Who pays for this without thought to question? YOU DO.

Alex Jones is a Bushwhore

Alex Jones stated today the reason why Ron Paul constantly LIES to America, is because he needs to play politics. Yes, he like Alex the censor of Truth, does not have the intellectual skills to ACTUALLY defend his silence of a grunts lawless position. 1441. American grunts in Iraq are dying for the escape of the Neocons, as NOT police officers trying to "police the world". Understand: Ron Paul actually sells bin Laden is the target for the crimes of 911. And Alex Jones, who we know knows better, refuses to defend Freedom's cause for Justice. No, today he told US he sides for a Con because he doesn't want America to openly communicate the facts to save our souls. Again, a bushwhore who believes Mr. Bush is above all the laws of the Universe as the Conservative bigot's false deity. Again, Mr. Bush closed 911 investigations as godless traitor. We, as Humanity, demand the demon enemy of Life, George Norry grant US the freedom to speak freely on the evidence available directly implicating the bushmobster Neoconners.

Your Car Has Been Repo'ed

The derivatives recordings sound fascinating.
I know the banksters don't cover our loans, fraud
from the get go, but these available estimates
going as high as into the tens of quadrillions
are a mathematical impossibility. But for the
the 'value' of something speculated with
OUR assets as truly worthless to be an "investment
vehicle" for our futures. (Like Hedge Funders.) The
"toxic assets" are the crime scene evidence of
monster fraud, where for the sales of paper
arbitrarily determined to be worth zillions,
they took the real deposits as commissions in
the trillions, just like a bookie does but
usually far more fairer. At least that is how
I see it with my limited knowledge on this one
particular scam of the Capitalist Free Market
System of Lawless Corruption Due a Failure in
Real Leadership. - worthless pieces of paper
America has paid trillions already as dahh..
LuCkY WinNaaAhhs. Do you People even know what
a Hedge Fund is? They hedge US out of the Markets
by nickel and dooming everything to undermine the
Market in it's entirety. And, some of these
people have "earned" as much as a trillion
dollars personally in the span of a short few

years under repuglicon misrule. Geniuses? Hardly.
What every Bookie does as a felony warranting
unjustly Life probably. They trade bets,
and take their cuts, paying themselves with the
money the private Investment banks hold, leaving
derivatives as balanced collateral, BUT, a
derivative can have no actual value. It can be
just the rules on how the cash will be divvied on
this next go-around with the suckered. As according
too, to a 60 Minutes spot on this very specific
issue. Now, the bushmob with Obama, CNN, FoxNews
and some of MSNBC have been issuing the blind
acceptance, that buying these "toxic assets" was
a better investment, than publicly challenging
ourselves on where all the actual money went? and
for wHaT?? Manufacturing has been purposefully
outsourced by the Bushmob as treasonous SABOTAGE,
while now, to make up for a small percentage of
the massive job losses, they, to FOOL YOU, include
those who flip burgers as the new Manufacturing Jobs
created to make the numBerts look not so bad - but
for Christ's sake, who even cares enough to demand
CNN to count our Lives as worthy an Ernie or Bert?
..besides, the Private Investment Fraudsters told
US already. Bonuses paid by Public Welfare in
the trillions to actual billionaires, with one CEO
bragging all he needed to do was fudge his books,
and he then immediately qualified himself for 272
million! IS FOR REAL. It was in the Washington
Post. No, nobody was arrested, yet, in fact, I
wouldn't doubt he's going to try for a second
Public Cash infusion to bolster his 'credit' that
you can't/don't/won't know: the magical Banksters
never even cover our loans YOU left for robbed
dead victims - So, needless to say, these new
Inter-National Trillioniares, that expect Ourselves
to pay them back for minimum fifty summed generations,
have been going on one hell of a shindig binge
of excessive excesses, but what about the continuing
"CRISIS" of PUBLIC Banking left undefended by
looting? Giving the banksters any public money is
totally crazy when we think aloud, but more?? is a
recognized crime in progress. Giving public money
to banksters to do what THEY will with our
investment is nuts okay? - even if they lent it
back, of which they have formally refused, but even
if they did, it would still be nuts because where
is the public's interest being defended where they
pocket privately by defrauding near all at 99
percent there also? It's like you EARNING a thousand
dollars, to then be told by the banker, he's
going to charge you a thousand dollars plus interest
for cashing YOUR check at the only bank available

for fifty miles. (Your car has been repo'ed.) Answers:
The depositor should be recognized as the shareholder
- and there should be no private interests existing
to take in between our exchanges for goods and
services. Banks need to be separate from the Casino
frauds which comprise much of what the Market is
today., and a tax for every buy and sell needs to
be re-introduced. Obama, and the Repugs want US to
religiously accept the broke Banker Buildings rule
our Reality by giving of ourselves blindly in huge
error. We can work it out. Ego must be chucked
- facts are facts - and Justice is measured as
Freedom is cherished. In other words: No evidence?
Person innocent. I rulez.

Trillionaires, whatyahfingureeh?

Again, understand: these "American" soldiers
are still being recognized as heroes. American
"Heroes" in the Mansions of Florida going un-arrested
for raping, and/or torturing INNOCENT PEOPLE TO DEATH.
Erstwhile committed criminally, to assist in the
'escape' of the neocon traitors for the crimes of
massive banker fraud, 911 and Iraq. Bush personally
worked to close FBI 911 investigations, immediately
after the terror attack occurred. Criminal. Torture is
still illegal if you didn't know so as an American

personal value system being sacrificed. Pick up a

international 911 arrests of those directly

Autism & Vaccines: U.S. Court of Claims
http://www.nvic.org//vaccines-and-diseases/Autism/courtclaims.aspx

The PROVEN fact here is that, without DOUBT, Mercury causes brain damage one hundred percent of the time. NO DEBATE. But Alex's NWO will blame anyone but themselves for this communications failure. NOT DEMANDING arrests against those in government LIKE BUSH, who have consciously allowed this massive criminal assault against all children, continuing against our better judgments. Realize: Alex Jones actually believes George Noory is anything but a willing traitor who boosts in tale, propaganda lies of death through terror to sacrifice American GI Teens, all for the escape of the 911 perpetrators. So again, I ask all to question, what is Alex's point in not mentioning the crimes of the Bush Administration? The Courts are being told to rule on whether a proven connection can be found from vaccines to Autism, where OUR Court should instead be ruling, mercury is a neural toxic heavy metal causing irreparable brain damage.

Bobby Jindal Gives A Pathetic Speech
http://www.mefeedia.com/entry/bobby-jindal-gives-a-pathetic-speech/14744063

He looks at US all, like naive five years olds no? Unless he actually talks like that all the time, then we maybe should be asking, who actually here voted for this guy 'publicly' by under estimating on our present economic dilemma, including absent Justice for You also? Repuglicons on TV should learn about themselves firstly,, instead of denying our wiser, stronger voices. Instead of as lackey substitutions, who jack for the murder of innocent others portrayed 'suckered', you lost to blindly whoring for the war criminals in Israel. The 'lawless' Bush administration DOCTORED the NIE on Iraq, while Bush LIED repeatedly that, "Saddam wouldn't let the inspectors in." Assisting in the escaping the TRAITORS responsible for the crimes of 911. Bush closed FBI investigations.

Alex Jones is a Fraud

/ / A bank that received $1.6 billion in bailout money just spent a fortune last week in L.A. hosting a series of lavish parties and concerts with famous singers ... \ \ While CNN with George Noory can be only happy here watching America robbed and left for more dying victims? Yup. Who cares? Alex doesn't for, George Noory is a 'good guy', and what ever you do, never encourage the truthers to organize for public debate against the evil enemy forces of the Satanic LIAR Coast to Coast radio programmingers. Why, because Alex Jones THE LIAR, would lose, and Americans would win. Again, never forget, it IS Alex and George who silence those who truly speak for Justice in America. "Bush is a puppet" is the call of a hypno mugger, who cowardly, refuses to fight against those who PROVABLY commit lawless acts of murder in America. Not a Jewish conspiracy, you demon fuks who deny George Walker Bush. Alex Jones stated today as a demon enemy of GOD, that the bible states the AntiChrist will appear posing not as Bush. I again, demand Alex PROVE his NWO FRAUD against the Son of Man. I want free communications to face any or all who disagree that the Bushite promotes lawlessness as acceptable, while Alex wants to lie as a cheat to only pretend his rights champion ours dying. No evidence against the accused, is US being abused.

the banker does NOT cover our loans

/ / Alex Jones on Coast to Coast tonight to speak Bush the mass murderer, is just a 'puppet' for lying that Saddam wouldn't let the inspectors in WITHOUT CORRECTION \ \

He's a bushwhore. A soul who refuses others to actually understand their own conclusions. It's all about Alex, and not about Justice. Bush closed 911 investigations. He'll go on and on about the new bank of banks their selling against "all" as a diversion to understand, the international private bankers have stolen trillions as of late, and believe Alex and George ain't gonna let

Americans know: The banker does NOT cover our loans, and even if they did, WHICH THEY DON"T, why give them our own money to only hope that they will lend a small back to ourselves at high interest? The derivatives are crucial in understanding what is going on here, and Alex is stuck in his bullshit, nwo crap, blinding him from understanding how the scams went down. A derivative has no real value, unlike ARGUABLY, everything else comprised of 'free market' highjinx. It's like me selling you a piece of paper with nothing special written on it, for ten billion dollars. NOW; why would you do that? Because the American suckers are on the hook for the loses because Alex doesn't want smart people to speak. Steve Quail is as real a demon enemy of God and man than anyone. "He talks directly to God", and 'knows' consciousness can be imprisoned into Military Intel. Comps., but doesn't know Laden as falsely accused - delusional enemy of rational thought denying, like Alex Jones, Justice and Truth.

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing, but boy, Obama is bad he'll tell you never mentioning the FACT Bush LIED US into the Iraq war as a war crime. 1441. Won't allow it. Why? He is a bushwhore, a believer in Bush, the Antichrist enemy of Humanity who told US if we tried to form our own conclusion, we would all be terrorists. NO JOKE. Bush, the most evil man of all History, Alex claims is guilty of nothing. Example: Bush, is his first days, STOLE 50 billion dollars. How can Bush (the banker family tied to Hitler) be above all the laws of the Universe someone ask Alex. You know, Alex will hang up on any man or woman who states in question, as he did with Peggy, a once loyal listener, why he refuses to acknowledge the evidence of Ron Paul being cheated through a fixed election. Attempting as a demon, to demonize whomever phones with such truths - like Ahmad, or Condi's 911 plan for Enron. Alex Jones is openly a bigot, and a man who has OPENLY confessed the willingness to murder INNOCENT Americans - before allowing Justice to rule for the defense of every American. I want open debate, he wants censorship, so he can continue to masturbate to the continuing deaths of innocent Americans. Laughing with DEMON George Noory who claims Laden did 911, Hamas broke the truce, and Iran is a holocaust denier. Enron. Has Alex even ever mentioned it as motive for invasion of Afghanistan? Never. Has Alex ever stated the Taliban were simply asking for evidence to form anyone's conclusion on who was PERSONALLY responsible for 911? NEVER. THINK here. Even after me sending him email after email for years. Alex states all who criticize him, are delusional, because he warns people of poisons fed the masses. So therefore, every last word I state about Alex Jones undermining our wanting for real Justice is correct without argument - As according to ALEX, he is delusional. Wow eh? Alex is a stupid bigot as a matter of fact. He'll tell you we gotta get past the left right thing, (trying to steal my thunder - where i give to all freely) yet, near next breath, or the one before, he'll tell you what all Liberals think. Or all socialists, or... blahblah Someone should ask him what Christians think about letting the mass murdering LIAR Bush escape Public trial for high treason by conning teen grunts who are now dead. Bush PERSONALLY closed 911 investigations immediately after all. Again, NEVER mentioned by Alex as important to our struggle to arrest, try, and execute those responsible for mass murder in Johnny's America. An America were every Human life is worthy our protections. Where Alex Jones is NO GREATER than anyone of US. He is in a popularity contest, while I couldn't give a rats ass what rupuglicon, or demoncrates think about my wise words on God and Justice. Great entertainers I am not blindly enamored with, nor do I believe FALSELY, demon Bush, the Antichrist, is above and beyond all laws of our Humanity. If 99.9 percent of godless Americans disagree with me on God's will to have all neocons with the Bush Administration arrested immediately for public trial for high treasons, to hell with them all as they lose their rights rightly. For, they are not our friends who willingly murder OUR Humanity for stolen private Banker gains. Alex, a bushwhore, a censor, wrongly believes Bush is guilty of nothing. A bushwhore of the antiChrist he is. I mean come on, he claims all those folks who followed truth mentioned in the Bible were murdered. How stupid is that????? From what I recall there was a misunderstanding, and well, that's about it. How many American "Christians" actually believe a man of God actually walks this world? How many? Being Gay is okay with me. I'm not Gay, but still to each his or her own, as long as your not infringing on the rights of another to do what ever they choose. I love all children too much. Real Freedom. GCN advertised HATE for Gay folks, then at the website, murder - and the station sees still, no problem with dividing our innocent masses on desperate attempts to escape the neocons from Justice. That's the REAL reason Alex states a derision for Liberals. Note: "Liberals" in Canada are a right wing party that disbanded the RCMP corporate crime division as perfect example, and! sent a Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't because HE KNOWS, Americans would win, and we would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids, my spouse, myself, before allowing John to speak openly in the public on Coast to Coast for open debate, all of Americans say in silence censored. Why does America continue to die this way? Because bushites are truly as they claim, stupidly ignorant as treasonous cowards, or as prosecutable criminals, evil people who only want in this world to rob or murder People indiscriminately as enemies to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks! George Noory will tell you freely all about his hatred for our Humanity, he does it near everyday, though People don't have the ears to hear, or the care. Too scummy. That remember! get American GIs murdered by the score with NO REASON AS FOR. Example: why bomb more than a million innocent souls indiscriminately in Iraq, if you have complete unrestricted access to go where ever you will?

And, that Bush, Cheney, Condi and such, knew from day one,
Saddam had all the WMD destroyed as documented fully, as
did I. Documents that BUSH personally stole if you recall
not listening to Alex Jones, Foxnews, CNN, or the CBC.
err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know
little of Life as principled for individual freedom, and
couldn't care less what this boundless Universe offers
all in reflection, instead, it all about what's in it
for you as a lying cheating thief to this mystery right?
Wanna be a lawless mercenary to murder innocent people
dreaming of becoming a private investment banker, who
never earns a dollar in their entire careers, taking
trillions undefended from Humanity just to see US
suffer to deaths for our continued silence. All you have
to do is raise your phone to demand justice in our times.
All Neocons must be arrested for public trial, along
with near every last member of the Bush Administration.
PUBLIC TRIAL. And Soldiers must learn quick a commander
who doesn't support getting those responsible by following
the crimes scene leads, is a commander deserving of an
immediate firing. Otherwise, what use is the grunt
good for eh?

Again, Ron Paul like near all Libertarians, does not
acknowledge the wanting of Justice for the high crimes
of Banker fraud, Iraq, or 911! He took the "Truther"
money, but refused to support the arrest of Bush for
treasons times 50. Social Security he wants to gut
like Health Care as a sadist who knows near nothing
on how such systems currently operate. Again, he
does not speak of recouping the STOLEN 1000s of
billions from America, or the lives. STOLEN. What
is it that you can't figure here? Fuk ego, FACTS.
We are all effected by suggestion, this is why,
since the dawn of time, evidence has been the
prerequisite to convince ourselves of anything.
Alex's cartoon storyboard, is truly, as measured,
Alex masturbating with our precious times. Think:
Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,

a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong.
. . KBR rapes American women, or murders them,
and needs to be hunted down by All American military
forces for it, as trialled to death. Including all
commanders of the Air Forces responsible for bombing
our families without causes. And lastly, any that
discourage our grunts from not supporting the arrests
of those that actually did US wrong. Get to it.

DEBATE OVER

/ / Late last week, a federal court ruled that there was no link between childhood vaccines and Autism. But the legal conclusion is not enough to erase many parents' concerns and the debate continues. \ \ Mercury causes brain damage as a neural-toxic heavy metal. Love God why don't you? Alex near always calls his critics jealous, so, are you jealous? Would you rather see every American child murdered, or suffer toxic poisoning, before acknowledging we are without challenge, the greatest minds of our time? Hurt you does it? Can't find a single argument against my demand for Justice, but dying instead, claim my call for freedom practiced is to good is to be true in your dying dummy world censored? It IS George Noory that denies you the respect a person who craves Justice for all 911 victims. Cartoonish Alex Jones, the bigot, sucks.

Alex Jones, "Liberals don't like Bush."for mass murdering Humanity as never elected demon enemy of God he means?

He tries to divide the freedom movement away from Justice for ourselves.

Question for Alex Jones NWOers, wouldn't God, if we existed, wouldn't God, push for a one world government where all are treated fairly through Justice practiced? Yes or no?

America! I am King Johnny.. I am from the Planet Earth, I've come to share the knowledge of Justice in our times on behalf of this, Our Future Great Triumph over Evil.

/ / At 8:51, the flight [175] deviated from its assigned altitude [31,000 feet - therefore cell phones impossible], and a minute later New York air traffic controllers began repeatedly and unsuccessfully trying to contact it."

And one minute later at 8.52, Lee Hanson receives a call from his son Peter. \ \

Couldn't have happened, as is why, these phony "FBI" bushmobsters stole the recordings and don't want the still dying victims to know the truth of the Neocon traitors to God and Justice. Cell phones are not capable of paralaxing above likely a couple thousand. Someone on Earth would likely know the near exact scientifically measured distance as nothing greater than a couple thousand, for why the need to put towers all over our fair cities then? 31,000 feet is a distance of miles! Hint: 5,280 feet in a mile. 5.871212 miles in fact. Drive out 5 miles from your nearest cell phone tower, oh yeah, and don't forget to bring a elevator like aluminum box to stand in, moving 500 miles an hour, then ask yourself, how dumb does a Repuglicon or Obamanaut take US for as silenced to the tyranny of mass murder in my America?

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him collect. However; once a credit card is swiped, you can begin using the phone to make calls. So, no collect call would have been made. \ \ The allegation also has been debunked by reported to be, Airline officials who stated no public phones were even available on 177. That seems near too far fetched, BUT!, GTE Airphone reports DO SAY - zero call assists were made on flight 177. ZERO. So, how then does she make a collect call then, and why if as claimed, Ted and Barbara were madly in love, would she not know her hubby's personal number?

Remember, Ted was the coke pusher's lawyer in the Contra case, of which Ted, was also assistant secretary to the Solicitor under Reagan. The Contra group if you recall were/are pushing crack cocaine into major cities for plans to undermine the American government for illegal wars against peaceful civilized life as stolen profit. YOURS.

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS http://www.youtube.com/watch?v=v78ibOa4PDE

The Olson story would make for good horror if it just wasn't so horrific. EVEN I'M SPOOKED. Olson tells of a elaborate drama where he learns, she without her pursed cell-phone, has to call through the phone records of the Justice Department. How did he forget that fact when first pronouncing of how she had phoned him from a cell-phone, or, then from an airliner that didn't have phones in the cheap seats, nor tear-gassed upper-classes? The trouble here is that a small cadre of bushmobsters keep hiding the evidence on CNN, FoxNews and George Noory implicating themselves at the crime scene, as illegitimate "intelligent officers" - we WANT to know our media voices the voices of those who support defending ourselves from the 911 war mongering terrorist enemies. Evidence is the prerequisite.

Beverly Eckert - victim to mysterious plane crash
http://www.commondreams.org/views03/1220-04.htm

It's too bad Alex Jones, and his demon 'buddy', George Norry forbids Americans to know of General Ahmad, Bush closing FBI investigations, and iron flowing from the towers as more important than a passing fact he might have mentioned three or four years ago - Alex I mean - George's direct policy as so told to Alex, is NO INFORMATION on who was personally responsible for mass murder will be ever allowed spoken, while he demonizes millions on hopes for more indiscriminate mass murders killing mindless teen grunts to profit Zionism's war against Truth and or God.

Report Of �People Planting Bombs� on 9/11
http://www.prisonplanet.com/report-of-people-planting-bombs-on-911.html

Why isn't Happy George Norry, Our Enemy, covering this everyday as an important subject to defend American life he holds truly in contempt? Again, Alex Jones leaves every American to die victim to his NWO, before he will acknowledge TRUE evil in our world. George Noory, the evilest ACTUAL Enemy of History, Alex claims is a good guy for never allowing open discussion on 911, Afghanistan, Iraq, and so on, without selling his Zionist hate for our Humanity.

allowing the notion that he, and
his likewise cult, might just have something to
learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment
is to escape Bush, and his zionist media controllers
with excuses that don't hold water in any Court of
Thee. Alex refuses to allow Americans to know why
the Constitutional protections are there to defend
yourself, because if you did, you'd demand the
arrest of Bush for treason, and call Ron Paul a
sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth
because he's gotta be leading Earth's "Truthers"
at the pinnacle of his spear as a liar, where all
of History, is one badly drawn Alex Jones cartoon.

Obama Accused of Blackmail over Terror Trial Evidence

penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A

Top Cop Johnny Judge rules: Five years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all

around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist

documented war crimes? I sure would. It would make

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be

found by searching for a grunt pretending to be an ambassador to Romania. A case where the Judge's life was threatened by a "General", where if he didn't order the death of the innocent American citizen, the grunt with the General would murder US all right then and there. The Innocent American was murdered as forsaken for value shared by free men. dying.

Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR

Bush who told US Saddam wouldn't let the inspectors

truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions. Yet.

Obama set to allow Bush-era �torture flights�
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember corporatist Amerikan citizen, these torture victims that include children as younger than a hundred, had not been alleged to have ever committed a crime in their entire lives. Victims tortured to death for the pleasures of those Satanic, such as General Geoffry Miller, who tell US today as confidenced, they do it because, patsy wasted American soldiers will just refuse to hunt them down for formal executions. Let's change this for our Humanity in this future, to look back, and know, American males were men of the World, who stood for the principles enshrined within every living Constitution. A free man shall not be jailed, or tortured by anyone in our names as Governed, without the perpetrator tried publicly for execution as our Love of real Justice. As first degree mass murderers warranted death sentences under the War Crime Act ushered by Reagan!, all done in for our protections of their next innocent victim - ourselves. Or die a death in corporate tyranny worthy the title, cowardly traitors to God and Liberty. Blackwater, CACI, AEGIS, KBR and the like will all be hunted to extinction for refusing to quit their lawless Rape and mass murder, murders done for more stolen money as America's name high-jacked. The Lawless enemies shall be prosecuted by the honorable Soldiers of the Good old, Red White, and Blue. Count me at our words on this, I am,

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still

nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure

Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Daschle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real

treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the
view count? What is this business of a=a+1, the
top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!

"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

the Alex Jones', NWOers, the "truthers" money

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning torture and rape center for Neocon Freedom.

how it's spelt). But anyway, this is the truth.

The Zionist has bombed US, The People indiscriminately with out cause. It was Nazi Israeli that broke the truce to get killed Jews for money. They starve Jews in Israel to attract more charitable aid they can use elsewhere. They, as Nazis, will continue to murder Jews for money unless WE DEMAND, their formal trials and public executions. They have murdered our families, and they will pay will their lives for it as the directly responsible, and in no way, will escape our rages against them as the enemies of every Human Being Living for Freedom. Every Human that loves children. They HAVE ADMITTED to targeting the school girls for murder with lies they were caught doing. THEY DON'T GIVE YOU EVIDENCE. 'Ungodly Enemies of Life is the only way to describe it from here Tom. They again, are attacking People indiscriminately for murder as sadistic Satanic enemies of God'

Someone should ask what King Johnny, The King of the Jews has to say on this subject of a Zionist's complete absence of morality, as inhumanly bereft any common decency among our brothers and sisters. I mean for Christ's sake Tom, THEY ADMIT to sadistically targeting our children for MURDER - as some kinda Satanic demon whore to Pure Evil - aka. Wanted War Criminals for Public Trial. Just as the Nazis were for similar outrages. Let's hope men of America are least half they were then, but we are suspecting, they will as of usual, balk as cowardly slaves to the private banker man ruling their minds, it's a, no wonder. Where is there that purpose striving for a greater future living in a just society? http://uk.youtube.com/watch?v=zIQZ1-RFq6A

Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

"The view from the other side, that the Qassams are a retaliation for the siege that starves the one and a half million inhabitants of the Gaza Strip, [a prison death camp,] was not mentioned at all."

They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as
publicly confessed, 'it is Hamas WE blame',
not them as demonic child murderers. Hideously
evil as ungodly sadistic savages. Enemies of
YOU, enemies of them, and enemies of me, the
King of Jews Christ fellow from beyond the
grave. They are so evil to God and Man,
they tarnish everyone of US to not win justice
sooner by blaming the actual bad guys. Justice
is Freedom.

/ / Those white phosphorus shells used on the
Gazans are made in the USA according to Jane's
Defense. \ \

Again, these peoples are not Jews. Being
Jewish is a religion. These thieves of God
are Satanic in their LIES to betray the
common trust in our words, that bind all
worlds to victory, called freedom universal.
Even tales of the Devil have him keep his word,
with verses specifically condemning the self
to damnation for targeting the innocent for
death. God's the Word. Every word inside a
fool's paradise. Including the periods. Not as
like, I'm playing a word game, but that it in
wonder, is all strangely here. Example: The
Universe as it has existed always, is not
separate from our 'pauses', or faulty drawn
conclusions. The universe, in one sense, was
as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I
say no, study quantum physics, and know, I
live this.. our existence is not scientifically
separate from the timeless nature of
consciousness, proven as not only theoretical,
but actual. That is a first step at developing
a REAL relationship with the living Universe
if you want to as like an artist does - that
TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to

Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Again, Americans need to demand the arrest of the Judge and prosecutor for being openly evil demons, as TRUE enemies to freedom in America. But guess what? Americans will refuse to even phone Alex Jones, or George Noory to be hung up on. Just refuse as brain dead zombies - as known in this circle, McCainiacs. Did you hear Alex's NWOer yesterday state he doesn't want anyone to speak as Justice for Americans because to learn even the most basic of precepts for Justice, he can't pretend he is a Freedom Fighter begging US for more money? Like multi-millionaire Ron Paul, who gave the fixed election up to take our money and walk away. How much money in the millions do we have to pay them at GCN, before they will acknowledge the Iraq war is a war crime? THEY NEVER WILL, because the owner has a son who's into raping American women as lawless enemy of Life. Americans are indeed, selfish, like all the plane crash survivors telling US how they couldn't care less that Israeli nazis are openly targeting our Christian children for murder with their tax money, as unimportant, to how long they stood on a plane wing, now approaching it's third day, of wall to wall coverage. Telling us again of how

Christ saved your life as a lifeless degenerate. I, as Christ, am really starting to hate all Americans in total now. How difficult is it to pick up their phones? They don't, and I'm beginning to believe it's because, like GCN, they really don't care for the future of our Humanity being left for dead as continuing victims to EVIL liars.

Gaza conflict across all America

http://www.iraq-war.ru/article/186735

Stressing that Israel was "the first to stand up against pure evil." [See? A zionist Nazi argues it's good to get killed Jews by breaking truces with a prison death camp, cause look at all the free American Welfare money we can steal through kicking-back AIPAC members in Congress.]

"I demand that the use of images and headlines that misrepresent current events to the detriment of the State of Israel be stopped immediately," the petition went on. [and the 'judge' judges anything detrimental misrepresents the constant LYING nature of the Nazi Zionist thieving pirates of the Jewish Faith?]

This is detrimental to Zionist war criminals because it exposes their TRUE EVIL NATURE..

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease fire; and that Israel broke it, then unleashed a total starvation blockade on Gaza followed by flaming death from the sky aimed at schools, hospitals, ambulances, and children, and you dare call the people opposed to such barbarity a "mob?" \ \

Zionists are evil people who pretend they are honest, when lying directly to everyone. Blitzer reports Hammas broke the truce, he is lying to continue the murder of innocent peoples. Understand: Israeli Nazi state they will continue to murder our innocent Humanity until the rockets stop falling on Jews. Yet, they broke the truce, and murder Jews routinely with reckless abandon. Jews from the Bible as of "nigger" Ethiopian, are what the Zionist hate when warring GOD for apartheid, apartheid that is Humanity in Gaza. A zionist is a war criminal who speaks not against the neocon, but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable murderous nazi thieves of God as Just cause is. I am, and YOU are, you just maybe don't know it yet, or if ever. A zionist serves Satan to escape the neocon terrorists from their ungodly crimes on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these mass murderers of innocent peoples with deliberate lies, like from Blitzer. Blitzer will be tried, and executed a war criminal for stating Hamas broke the truce., Where, only two minutes earlier, he learned, that it was his Nazi partners. DEATH SENTENCE. It was on TV. BUT SEE? Ron Paul, the Libertarian, ain't going to be honest here. He'll lie cheat and steal Humanity's voice for Justice - like he did with OUR money. A typical Libertarian like Alex Jones who wants to blame "socialists",

"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

They are targeted by Obama who suggests

there is an argument to be made here. There isn't. Nazi Israeli DEMON LIARS broke the truce to kill Jews for money. They are godless enemies of Humanity. So it isn't that we are pro-Palestinian, it is that we are pro-Human. Zionists DESERVE to die, before US, the innocent, they target for murder for stolen cash gain. Like Obama has promised to do for AIPAC. But what about the rest of US 6 billion plus Obama? Who is it of US innocent folks do you wish to MURDER, or torture next as a Zionist war criminal for Satan Obama? Torturing kids is popular in Israel, tell US Obama, which American father will have his children tortured, or murdered sadistically by yourself as a whore for Nazi Israeli? tell us, we're not waiting.

It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by Obama. It's like, he's talking some jive about how now he'll NOT let the words of Hamas reach his ears. Israeli are attacking prisoners held criminally in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions over Our Rights to Live Free perhaps? A Hero adapting to the deaths scene?, or, a Bush whore committed to enslaving Humanity, all so he can say, he told US so. Big hero or big hero. Your NOT powerless to his vision of complete control over information. He refuses 911 info, Iraq war info, Israeli info. All so he doesn't have to look the fool, while Humanity dies with his insults against our wills to make something better of ourselves. Justice is what I will. Masturbate on your own time Mr. Alex Jones.

If he states again about how he knows everything, and is always right, and those that criticize him on ANYTHING are delusional, it's going about to make everyone further sick with this obscene take on what life means as Alex takes it. If I truly state two nickels make a dime, does that mean therefor they make a quarter also? If I say so like Alex would? He is an idiot. Truly. George Noory figures Hamas broke the truce, and that the Mideast solution is that Jews should be separated with special rights, as oppressors over the freedom of every Palestinian Prisoner, and what's Alex Jones gonna say about his 'truth telling freedom fighter' George to actual 'lame ass evil nazi traitor' George?, to YOU about how George is just trying to murder millions of helpless people as an offer for the final solution? We can expect Alex now to claim, Zionists should have special rights over Jews, all to maintain his FICTIONS on Noory being anything but the monster to Humanity he is. Just because Noory doesn't growl when talking about murdering all children in around the age of 15, or against soldiers who refuse criminal orders, does still make him a true fascist nazi enemy laughing at your murderers escaping to live freedom in our dying forsaken worlds. The bushmob doctored the NIE. Conned Congress, and Soldiers. Did 911, by closing criminal FBI investigations immediately. Alex and George don't seem to want US to know these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues,

ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,

Remember Israeli nazis to this day, insist as DEMONIC LIARS, Hamas broke the truce - as Hamas is responsible when they target school girls for slaughter. They said the UN were secretly attacking Jews, clearly a LIE as impossible to prove because it didn't happen. But facts are the furthest thing away from the godless false accuser Zionist con man or demon witch LIAR like Livini. FoxNews calls the demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect to understand what this means. See, LIAR Nazi Israeli broke the truce to get killed Jews for money. A regular fair for Nazi Israeli. Now, they state they will continue to indiscriminately murder humanity until the tin can rockets that travel miles stop killing Jews who hate Zionists. But importantly, it is Israel that wants Jews to die, so they can make off as Satanic with our stolen values. Just like the Bush family did with Hitler, that the Nazi Nation has no probs working gun in hand to wipe out Jews everywhere still to this day. Again, Nazi Israeli MURDERED JEWS in Lebanon as targeted. And leave Jews to starve to Death in Israel for more charitable aid they can use elsewhere. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover

the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete openly to defend it's criminal treasonous actions! Remember, Alex "the Conservative" thought McCain was the choice if you had to make one, earlier on, then changed his position, sort of, later by calling them all puppets not worth the effort, but .. Obama's idea's matter not, it's that his Birth Certificate is, no war too be fawned. Palin? who's she? McCain firebombed Vietnam as "war hero" for France? The Banker doesn't cover our loans? Matters little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against international law, it is against humanity and I think it is against what it means to be a decent person. You don't treat other people like this. Even if you disagree with him� maybe even if you fight with them, you don't treat civilians, children and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that nazi Israelis, use the argument that a tin can rocket traveled miles, to kill some innocent Jew as a direct hit (likely a person who hated godless NEOCON), all because that nazi state has OPENLY, as PUBLIC policy, stolen water and food including baby formula, along with a huge list of other atrocities, to punish God and Humanity since way back before three of four truces. AGAIN, Nazi Israeli always, as ungodly, break their truces. Why? Because YOU, or Christ as any Jew's life means nothing, to all the 'free' billions they'll get from given American worker wages. Look, Americans refuse to call for the arrest of Bush on their national, "truth telling" Coast to Coast radio program. Why? Because, for one, George Noory, (Alex Jones' best buds), has told US he's into killing innocent kids as powerful, and that 'bin Laden did it', Is good enough for US. You don't get a say here however how you will live or die. George Noory calls all grunts heroes, and those who refuse criminal orders, those he wishes to go ballistic on. Yes, it's true, George Noory is still alive and happy as ever.

Rise Up for innocent Life, or don't and see where it'll get you in the end.

Fallujah by the Sea: Aping America, Israel Unleashes Chemical Weapons in Gaza
http://uruknet.info/?p=m50412&hd=&size=1&l=e

Look at this picture of nazis indiscriminately slaughtering our Humanity, while on MSNBC they reported that the Nazis will continue to murder Humanity until a truce can be found, A truce that the Satanic enemies of God will naturally break, as they ALWAYS do. They are godless enemies of Life who wish to steal the Title of Jew from Christ. They targeted Jews in Lebanon with seven million land mines, and let Jews starve to death in Israel for more charitable aid they can steal from G-d's Good Will. When asked by Israeli newspapers why, it was said to kill a Jew is rewarding for the godless Zionist. Public record. Die bushite die.

Israeli plan to topple Hamas, re-instate Abbas

way of getting the gears rolling for this whole

so the "peace process" can remain forever in
formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war

rotting in a prison cell, or formally executed as
godless war criminals, we all will have one joyous
welcome in a heavenly future.. Until then, demand
Justice for US. That's YOU too. Angels included.
Who? I don't see no Johnny Wizard here anywhere,
We are Good to Go. Rise Up for innocent Life,

Israel Drops White Phosphorus Bombs, Littlest Victims Suffer
http://www.apfn.org/apfn/DU_Israel.htm

My friends, demonic evil forces do exist to STEAL the living rights from anyone of us, especially including the Jews. Remember, it is the zionist who steals God's good name through lies left unchallenged by private corporate interests tied to the CON of private banking in total. Christ is a Jew too. Israeli broke the truce knowing such action woud get killed Jews in Israel, a cash bonus! Like starving Jews do attest on a infomercial that ran for near 18 months across Canada. Then covered by the Israeli press, that the Zionist officials there actually enjoy the prospect of suffering Jews because it, OUR SUFFERING, will attract more charitable aid the ungodly criminal enemy can use elesewheres! Hitler revisited. I am the Son to God and I wouldn't lie to you about an issue as hughly Satanic as this.

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King that Hamas broke the truce, without any uttering of fact. While when the nazi israelis were accused, just minutes earlier, Mark Regev could say only silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

Gray Ghost

/ / Funny thing noone ever shows pictures of
the scumbag Hamas rockets falling on Israeli
civilians, but the nooz is full of Palies
suffering. Fuck you all I hope Israel
exterminates the vermin. \ \ He can advocate
the MURDER of innocent people for the neocon
liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their
murder rampages against Innocent Peoples for
'free' welfare money, as broke the truce with,
IDF funded Hamas on Nov. 4th. They have been
indiscriminately bombing People with excuses
that never do add up. Example: Nazi Israeli
stated they were in the right to murder ANYONE
in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have an excuse for bombing people indiscriminately to break a truce they signed on to. This isn't a one time, maybe two time occurrence, but every time in the last 60 plus years the zionists aligned with Hitler have. Satanic enemies of Humanity.

ANTI-SEMITE is FoxNews every time they assault God with "Israel, the Jewish State" to torture, steal, and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples homes in that nation run as thieves don't You know? Or as it is just open public knowledge that the Zionist excepts that 911 was actually a good thing for them as war criminals reaping the cash rewards for continuing capital murders?

/ / Ehud Barak promised that the war would continue �to the bitter end.� \ \

That is you there Barak promises to end bitterly as the innocent the demon targets for ungodly murder. How could ANY REAL MAN steal food from a Christian baby? How do they do it?, as the inhuman. (Like bushite do in Iraq, while on CNN in interview tell US, they are there war criming for neocon traitors to steal everything as "helping the Iraqi children". They offer no clean water, no food, just indiscriminate bombing campaigns of evil incarnate. True fascist nazi enemies of true freedom in America who advance censorship to anyone like myself. Why? They lose. They are not men but Satanic enemies of the King to Jews, the Messiah. I Am. Thieves to the scriptures of Hillel, and of Moses. Thieves to the intent of every true religious person, for God is everywhere. God is the Word, and the Word is Holy. So, fuck you and die bushite nazi traitors to American Justice, those of them who refuse US open free words to resolve their war criminal behaviors as is done in godless Israel today against INNOCENT

Christians. Done before another innocent other has our homes stolen, or is murdered by the lawless grunting bushite dumfuk enemies of Jesus Christ. I am King already, always have been, always will be. Live with it. The Koran is filled with great understandings on this relationship. Christ is mentioned more than Mohammad - and Mary can be understood as the mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise people will compete for bettering ourselves by understanding. Who the fuck are these illiterate monsters at CTV national television? and how can they willingly keep our soldiers in the dark dying that way by simply smiling? Are they experts in anything? are they respected researchers? writers?, politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with contempt for Humanity

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people,
like they do without apology, terrorism.
What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war

crime trials against the bushmob, including
CNN demons who report a total contempt for
YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included.
Think: who buys these demon lies to steal
further from our innocent Humanity? Zionists
do at CBC and CNN, who will murder America
by openly lying to destroy freedom. Example:
CNN reports Georgian nazis who targeted
children schools, churches and threw grenades
into our homes to murder as minions for Satan
are called freedom fighters. Just like the
Third Infantry, the new lawless police officers
of California, who can't be charged with rape
for example, because ONLY Rumsfeld can okay
such prosecutions. Hey who cares for Iraqi Rights
right?, for TV America's CNN with FoxNews and
George Norry doesn't, for it's only American
women and children now right nazi enemies? And
WE ALL KNOW, cowardly America refuses to even raise
their phones for these dying concerns. How can
George Norry continue to live happily dying
America for the neocons? How? they let them.
Alex Jones thinks George Norry is just
fantastic, so no, don't encourage the NWOers
to demand free communications, because if we
did, Alex Jones and the like, would factually
look like the idiots he is. (better to die
America than face this foolishness?) The
banker doesn't cover our loans, we do Alex.
So giving them trillions in American worker
wages is a bank robbery in progress. Simple.
NOT a diabolical ingenious plan, we, the simple
folk can't figure without the Alex Jonesers
geniuses of thought control developed by the
CFR, builderberg, the Boners and NASA.

The lite rail uses the Phoenix RWC system. Most of the traffic can
be heard on Simulcast "F", which is the Tempe new 700 Mhz channels.

The frequencies and talk groups can be found at
    www.radioreference.com

Click on the database. Select Arizona.   Select Maricopa County.
Then, select the Phoenix system.   You should find all you need
there.

They have Yaesu VR-500-PKG w/ NI-Cad Battery & Wall charger
at HRO for $179.95. I was thinking about getting this
continuous coverage receiver or the ICOM R5, demo model, for
$149.95 at HRO. The VR-500 has more modes than the R5, but
the R5 is built for the outdoors. I like carry a receiver
while I'm out doing foot patrols. I currently own a BC-246,
but the local public safety went digital and I can't afford
a $500 radio at this time. I can still monitor another
county public safety near by, but only with mag-mount
scanner antenna from Radio Shack. That not very portable,
but I don't walk that much, I guess. I like to listen to
SW, but that only really comes in at night.

I have a number of low power wildlife transmitters on turtles I am studying,
each a different frequency in the 166 to 167 mhz range. They transmit a
pulsed CW signal, approximately every one second, each pulse no longer than
1/10th of a second.

I would like to know, if I use a scanner with Hyperscan, can it find and
stop on signals this short. I can get a RS Pro-99 race scanner for
cheap.......can this sort of radio do this job for me?

Thanks
Jim

Nope, your scanner will not decode digital TV. Just P25 comms.

I have an AOR AR-3000A in perfect physical and operational condition. I am the original owner and purchased the radio in June 1993. This radio receives continuously from 100 kHz-2036 MHz in all modes (USB, LSB,CW,AM,NFM,WFM). The radio has been in a nonsmoking environment and has absolutely no problems regarding its operational status. I will also include the operators manual, power supply, original box for the radio, Because I have transitioned into HAM radio I don't use this radio much anymore so I have decided to put it up for sale. I am asking $400.00 + shipping for this excellent radio. Other reasonable offers will be considered.

Regards,
Bruce - N0JX

Totally frickin wrong on all accounts.

Federal law supercedes any like state law.
If a federal law says it is legal, no state may make it illegal.
And vice versa.

Ham radio license plates are issued by many states as vanity plates.
Anyone can drive these vehicles without the requirement of having a
ham radio in the vehicle.

IIRC the NY law says, "NO hand held devices". As most CB's are dash
mounted, they would not meet the law. VOX stands for voice operated,
which means in most cases, a driver would be wearing a headset and
thus not have anything in his hands. VOX is perfectly legal under
federal law.

Most modern portable ham radios also have external mikes, much like
police units do. So I do not believe one would be cited under the NY
law.

There is NO law in New York State (or any other state that I am aware of), which requires one to have a "working mobile ham radio" in a vehicle which has ham radio plates.

The only NYS "requirement" relating to ham plates is that the ham must send a copy of his license to the DMV when applying for the plates.

Would you be so kind as to post a link to this alleged law?

You seem to have a bad habit of just making stuff up, and then posting your fantasies as "facts".

They're not. Neither are radar detectors or full range *radio receivers* of any sort (including cell phone coverage). The latter "restriction" bought and paid for by the same telcos that have been illegally tapping your phone lines for the past 8+ years. Of course, if never challenged, they'll take as many of your freedoms as you'll give.

Federal law and International Treaty clearly state that monitoring *any*
frequency is legal.

Naturally.

Of course.

Does anyone care anymore?

Ok, so it sounds like there may not be a lot to hear.  I would think they'd
have to check-in with the Hospital enroute, No?  I didn't think it was legal
to use Nextels in an aircraft.

I'll try the frequencies mentioned.  Thanks for the info!

Hi everyone.

I recently got a Radioshack Pro-96 for Christmas, and already it's
giving me a low battery signal. Question is: If I change the batteries

Yes, it will be OK. The manual states on "memory is saved for an extended period of time" without batteries. And my 96 does just fine when changing batteries

BTW if you haven't, you will want to spring for rechargeables.

Will hold the settings,
just make sure you use the proper battery holder
for the batteries you use..

Yellow holder for rechargeables and

Black holder for non-rechargeables

(Page 26 of your owners manual)

FWIW:
I'm getting really good life and usage using the
RadioShack Nickel-metal-hydride rechargables in the
Pro-96   (2100mAh)
and my 96 gets a lot of use....everyday

I'll second your comments on the RS Nickel-metal-hydrides. I have them in
my Pro 96, Pro 97, and GRE 500 and all three are used daily.

That's why I'll never understand the people who use their MURS radios
to order food ahead of time from the fast food restaurant.

the food that is suppodsed to be hot is already cold enough by the
time you get to the window when you order it at the normal time
through the drive through.

Ordering it earlier would make it even colder.

good. the more confused BK employees are about it, the more they won't know exactly what to look for.

And I'm not about to tell THEM.

They're already confused anyways.

Whopperheads.

Although in my experience, recent Taco Bell employees are more confused than anyone else, no matter what Taco Bell restaurant you stop at.

And we have ways of knowing just how idiotic and airheaded you can all be.

Certain people know what I'm talking about and certain ways of how.

although we don't even need to do that to know.

Just driving through the drive through, ordering the food, and picking up the food is enough by itself to know, and then trying to exchange that for what you actually ordered only to have the Taco Bell employees (or other fast food employees) refuse to exchane it because they insist that that is what you ordered. Even tough you know it isn't.

What I am talking about is things like ordering a bean burrito and getting a taco instead. showing them your receipt and telling them what you ordered, them looking at the taco and saying "that IS a bean burrirto".

When exactly did THAT happen? I not defending these people because they ARE for the mopst part idiot's, but I refuse to believe they can look at an item, be told what it is, and still say it's something else. Especially a taco and a burrito. I thikn it's that YOU don't know what the hell your talking about. Would you happen to be a woman by chance? They usually have the most difficulty with drive-thru's.

I have a 12-250 weather receiver with audio problems. Radio Shack
support informed me that they didn't have a service manual or
schematic. Any chance someone here might have one?

Thanks

Geez, that will never survive usenet. Look for item 33030040.

I bought this scanner and returned it. The back wasn't photographed when I bought it else obviously I would have stayed clear of an obviously hacked up unit. It is actually worse than it looks. There are additional components soldered on the PCB near the antenna input.

I got most of my money back, less the cost to ship it back to the seller. That really pisses me off because I would have never bought the scanner if a photo of the back was included in the previous auction.

I've made two requests for the $10. I've give the seller a negative should they fail to pay me.

Pawn shop purchases are always dicey.

While what I learned in school agrees with what you say, 99.99 percent
of the hams have said exactly the opposite and have even said that
there
have been SEVERAL federal court rulings which ruled and upheld the
opposite of what you and I were taught.

I'M not very good at laws but there are several laws like this. One example is prostitution. There is no federal law banning it. In Nevada it is legal.

Can anyone recommend some software (for a PC and Windows OS) to control (and, more importantly, to program the memories of) an IC-R7100. I prefer free or shareware but commercial software is OK, provided a trial version is available.

I've done some Googling and, while there are several programmes about, I'm not overly impressed with what I've seen so far.

Sadly, HRD doesn't support the IC-R7100.

Ideally, I'd also like something to use it like my PCR1000 as a spectrum analyser.

Anyone know of an antenna mounted preamp that's good for scanner antennas.

Checked the mast mounted TV preamps but can't find any details on bandwidth.

Tested a Wingard UHF preamp I own. It cuts off well before 890Mhz (Ch 83).

Got a lot of channels in the 800mhz band in my area.

Thanks for any help

Bob

First, I'm not a lawyer.
In some states there is no law against "listening" to a scanner in a
car.
BUT the state law prohibits HAVING a scanner in a vehicle under the
motor vehicle code. In Michigan the term used was "equipping".

Net effect is the same as banning listening but it would also skirt
the federal issue. You can listen to it, but you can't have it.

To put it another way, you can listen but you can't drive. They can't
regulate radios but they can regulate driving.

Will the TV audio become digital when the switch to Digital TV happens? If so will it be capable of being monitored with traditional scanners?

The sound is encoded along with the video into the digital stream. Unless (or until) scanners include ATSC receive capabilities, you won't be able to do it that way. You can get a Set Top box like the analog converters and run the analog audio output anywhere, but you need video in order to navigate menues and setup the box.

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together on pro lawless torture against innocent 'others'? Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. Or, how about, No one deserves to be tortured for confessions on crimes left then unresolved for actual retribution. [Aegis OPENLY murders innocent families for more American paying for zionist monies - P2OG - YOUR Spouse, YOUR Child, YOUR family].

Following the crime scene leads of 911 to nab the actual evil doers is beyond the will of the

deaf, dumb and blind? with lawlessness gaining
for monetary loses due America as corporate
cheaters. We are Brilliant, of that much I am
certain. Conservatives are minimally, idiots.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Toture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

Johnny Law for Coast to Coast radio Host!

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US for here? Does he actually believe we hold no interest in being attacked as ourselves, the innocent forsaken? A reminder: an American was executed under Iraqi law without any evidence brought against the accused, while the grunts were offered an excuse to seek not the culprits at the terror scene. The case was lightly reviewed at democracynow, a year or two ago, and can be found by searching for a grunt pretending to be an ambassador to Romania. A case where the Judge's life was threatened by a "General", where if he didn't order the death of the innocent American citizen, the grunt with the General would murder US all right then and there. The Innocent American was murdered as forsaken for value shared by free men.

"Judges Bribed by Private Contractor to Sentence More Kids to Juvie Detention"
http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind control- but, the "truther" he referred to talked in the drama on there being NO PLANES! A dis-info bushite stooge if ever was one depicted with special effects. We suffer with his bullshit every day, knowing if we tried to phone, would not be granted a minute because I, in support of Freedom for America, make all bigots look truly dumb as fascists lashing out at nothingness to divide our masses. And apparently, he can't have America becoming greater for defending ourselves fairly through Judicial actions.

U.S. partner, not Hamas, firing rockets into Israel

/ / The probe found the Islamic Jihad rockets were actually fired by Fatah. \ \ Whom Israel in response to the confessed by all to be true facts, murdered innocent Christian children in Gaza as war criminals. Actually claimed it was regardless who shot the tin can rocket that struck no one harmlessly. They are not Jews, but of the evilest group of lawless nazi savages pirating the government of Israel away from US Jews. I demand open debate in America, and Americans refuse me by not likewise demanding international coverage on the Coast to Coast radio networks. Let's change this by communicating.

Obama set to allow Bush-era �torture flights�
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this crime warrants death in America according to the war crime act? Does he believe America just will never have a chance to speak for the interests of US as innocent Human beings he is planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember corporatist Amerikan citizen, these torture victims that include children as younger than a hundred, had not been alleged to have ever committed a crime in their entire lives. Victims tortured to death for the pleasures of those Satanic, such as General Geoffry Miller, who tell US today as confidenced, they do it because, patsy wasted American soldiers will just refuse to hunt them down for formal executions. Let's change this for our Humanity in this future, to look back, and know, American males were men of the World, who stood for the principles enshrined within every living Constitution. A free man shall not be jailed, or tortured by anyone in our names as Governed, without the perpetrator tried publicly for execution as our Love of real Justice. As first degree mass murderers

warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law". Evil enemy of everyone these demon fuks are. How difficult is it, to understand the facts they feign complete blindness on? They WANT to con you as the coward to life they are, willing to kill America to make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by beating off he knows everything already. And some, if not most, actually believe him without knowing squat either. It's sooo easy that way - no study required!! LIBERTARIAN HELL! Everything is not on

the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School

girls OFFICIALLY, Alex doesn't want to have to pay traffic tickets like the rest of US. What a douche bag to tell he LEADS our Truth movement I say. Now, I'm not saying he shouldn't contribute with the truths WE SHARE, far from it, it's just he can't have our cut off switch to silence our objections to his exposed foolishness, and/or blatant criminality. I'll give him a chance, for starters, to criticize any position I take while we all publically call on ourselves for assistance internationally. Like on his "buddy", George Noory, deserving to be tried Publicly for the traitor he is, and be formally executed after his day in Court. Our Courts. Teen soldiers have been conned to die by George Noory for the escape of the neocon terrorists who committed 911 with Condi, Runsfeld, Bush, Myers, Tommy Franks, and General Ahmad. AND HAPPY GEORGE NOORY KNOWS IT - and cons with lies naked to the ear of any who can listen or hit record. A NAKED traitor to the cause of Liberty if we ever knew one regarding the War Crime facts of Iraq. .And Ian Punnet is an evil godless enemy Bush whore who lies too to get YOU killed as the innocent soldier forsaken so don't forget.. It's YOUR life. It's God's Gift. Now support our rise for popular international debates to get these Neoconners behind bars awaiting Public Trials! "Public"thatsoyu!! Get to the Phone to call someone to care man.. Johnny Jesus has arrived! Justice Will Be Done in this, Our Kingdom to Come.

Justice to the war criminals of indiscriminate warfare would better serve ourselves to halt for our safety. The bushmob did 911.

Humanity Under Attack by the Zionist Enemy of Life

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW
http://www.youtube.com/watch?v=c9kwpxlZorI

Not only that but the BBC argued that to show innocent Human Beings suffering, in CRITICAL life threatening need of desperate food and water that Israeli nazi stole, (because they are unlawful murderous thieves), would have them look like they were partial to serving Humanity's interest in compassion for US humans. Over the Israeli terror Nazi tactics of indiscriminate slaughter for more Amerikan welfare. Wicked evil nazi bastards who too, DO NOT THINK IT BEST to report Peter Powers committed the London bombing., Oh yeah, and mercury is neural toxic, anti-psychotics make us crazy, and sodium fluoride makes us stoopider while weakening your body for big cash surgeries - ultimately leading to a profitable death for dah' winnahs.. So, they, the BBC-NWOers just needed to avoid the bath or shower, humidity, Pepsi's purified bottled water product lines, koolaids, swimming pools, Jacuzzi, Hot Tub, Sauna, private Whirl Pools, and.. blh blh blh

/ / the FBI says no.. There is not a thread of fact a zionist offers to form YOUR own mind in respect for your rights being equal to ours. \ \

Who is the guy who keeps writing such things,, and shouldn't he be recognized as Promotional to raise all spirits towards a better future? I'm with him.

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911, by closing criminal FBI investigations immediately. Alex and George don't seem to want US to know these FACTS that demand arrests of the culprits responsible for high treason against Johnny's America. Alex wants your money, and EVIL George, our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond

our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex

doesn't allow US to speak, more and more will understand to know why. I am a defender of all that is right and just in this world, because I don't need to lie like Alex does on a huge host of issues. I'm more like Jessie Ventura, in where I don't need/want to lie. If I end looking foolish, (of which I like never truly am), it's a benefit, because that way, I've learned something. Alex knows everything already, and 'is always right'. Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than admit he does NOT rule our 'Ocean of Truth'. I want the challenge of opposition through debate to PROVE my skills beyond reproach. Alex, every time, just hangs up on anyone who tries to improve our communications by factually speaking. Why? Because he IS TRULY deeply ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenement. .. Ok - but this is serious business that requires little dilly dally with what we'll have as

a side dish in Paradise Lost. We are talking
Human Lives have been destroyed by our inaction
to remedy these failures to communicate
effectively. and.. Jeeze, the weight of my
responsibilities, as just plain John, being
a/the Legos Man - for like the Family and
everythings, get's me never forgetting, all
we got are these words left dormant from the
power they truly possess in the minds of the
wise asses. And.. here I am. I'm a Talker of
Words looking to make a break in the
NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning
torture and rape center for Neocon
Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in
Gaza: not that hundreds of innocent people were
killed, not that over 5,000 were horribly injured
and not the sky-high human and monetary cost of
wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,

although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

�We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,�

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his faggot Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal

fraud in the derivatives market, where
the true value of said commodities were
backed by ZERO capital. ZERO DOLLARS. WORTH
NOTHING. So, think about who's truly giving
it always here until Johnny, the man who
came out of nowhere, arrived to explain
everything in five or six minutes.

Satanic hatred for the survival of our species. I beg you, hunt to bill the zionist war criminal who charges we will not succeed to see every last war criminal on this planet hunted down to complete extinction, by public trial, then Jewish firing squads. The Zionist has bombed US, The People indiscriminately with out cause. It was Nazi Israeli that broke the truce to get killed Jews for money. They starve Jews in Israel to attract more charitable aid they can use elsewhere. They, as Nazis, will continue to murder Jews for money unless WE DEMAND, their formal trials and public executions. They have murdered our families, and they will pay will their lives for it as the directly responsible, and in no way, will escape our rages against them as the enemies of every Human Being Living for Freedom. Every Human that loves children. They HAVE ADMITTED to targeting the school girls for murder with lies they were caught doing. THEY DON'T GIVE YOU EVIDENCE. [HEY WHAT THE.. THE LINK IS GONE ABOUT GODLESS
ZIONISTS MURDERING JEWS IN ISRAEL FOR MONEY!]

See my Jewish friends, these zionist liars
will never escape our love for Truth in this
our new age. Killing Jews for money is as
evil as found, negligently criminal, agreed?
Agreed.

'Ungodly Enemies of Life is the only way
to describe it from here Tom. They again,
are attacking People indiscriminately for
murder as sadistic Satanic enemies of God'

Someone should ask what King Johnny, The
King of the Jews has to say on this subject
of a Zionist's complete absence of morality,
as inhumanly bereft any common decency among
our brothers and sisters. I mean for Christ's
sake Tom, THEY ADMIT to sadistically
targeting our children for MURDER - as some
kinda Satanic demon whore to Pure Evil - aka.
Wanted War Criminals for Public Trial. Just
as the Nazis were for similar outrages. Let's
hope men of America are least half they were
then, but we are suspecting, they will as of
usual, balk as cowardly slaves to the private
banker man ruling their minds, it's a, no
wonder. Where is there that purpose striving
for a greater future living in a just society?
Where is the Christ in their Christianity?
to financially support the arming of such
unlawful Zionist killings in silence against
Innocent Christians?

For the Popular Will?

Alex Thomson shuts-up Israeli spokesman!
http://uk.youtube.com/watch?v=zIQZ1-RFq6A

Wow. The demon LIAR will also say Hammas broke
the truce, and Israeli started this by stealing
innocent peoples homes, then imprisoning
ourselves, the victims, in a death camp for
indiscriminate slaughter. While they continue
to STEAL OUR CHARITY by breaking truces. What
is it that YOU can't picture?

"The view from the other side, that the Qassams
are a retaliation for the siege that starves the
one and a half million inhabitants of the Gaza
Strip, [a prison death camp,] was not mentioned
at all."

Masada legend galvanises Israel
http://news.bbc.co.uk/2/hi/middle_east/7830416.stm

/ / they committed collective suicide - men killing
their own families, afterwards each other, until
one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN
DEFENSE OF OURSELVES IN OTHER WORDS? That is
right. They, as documented criminal, lose

every debate personally since before the dawn of
Civilization because their position is clearly
unsound. They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as
publicly confessed, 'it is Hamas WE blame',
not them as demonic child murderers. Hideously
evil as ungodly sadistic savages. Enemies of
YOU, enemies of them, and enemies of me, the
King of Jews Christ fellow from beyond the
grave. They are so evil to God and Man,
they tarnish everyone of US to not win justice
sooner by blaming the actual bad guys. Justice
is Freedom.

/ / Those white phosphorus shells used on the
Gazans are made in the USA according to Jane's
Defense. \ \

Again, these peoples are not Jews. Being
Jewish is a religion. These thieves of God
are Satanic in their LIES to betray the
common trust in our words, that bind all
worlds to victory, called freedom universal.
Even tales of the Devil have him keep his word,
with verses specifically condemning the self
to damnation for targeting the innocent for
death. God's the Word. Every word inside a
fool's paradise. Including the periods. Not as
like, I'm playing a word game, but that it in
wonder, is all strangely here. Example: The
Universe as it has existed always, is not
separate from our 'pauses', or faulty drawn
conclusions. The universe, in one sense, was
as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I
say no, study quantum physics, and know, I
live this.. our existence is not scientifically
separate from the timeless nature of
consciousness, proven as not only theoretical,
but actual. That is a first step at developing
a REAL relationship with the living Universe
if you want to as like an artist does - that
TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and

good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

CRIMINALS.

Canadians Stand Alone

Harper the proven war criminal
who will be going to prison, is the only person

to target murder Christian school girls. Canada,
join me in demanding Harper's Public trial as a
war criminal. Prison for Harper who took a
honorable soldier who stated he refused to commit
war crimes against innocent civilians, and placed
him without trial in prison. Without warrant for
arrest. Harper, the Nazi Appeaser, is a War
Criminal standing against the Queen.

"Or is this another, popular amerikan past time,

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care

less that Israeli nazis are openly targeting our Christian children for murder with their tax money, as unimportant, to how long they stood on a plane wing, now approaching it's third day, of wall to wall coverage. Telling us again of how Christ saved your life as a lifeless degenerate. I, as Christ, am really starting to hate all Americans in total now. How difficult is it to pick up their phones? They don't, and I'm beginning to believe it's because, like GCN, they really don't care for the future of our Humanity being left for dead as continuing victims to EVIL liars.

closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what

any rational person comes to understand. When you destroy bushite grunts who war God for rape, torture, and enslavement of our species, you save the innocent lives of their next victims. To hunt the godless bushite enemy, is to love Justice as our glorious Humanity winning over the lawless nazi grunts of the Third Infantry - who'll shoot anybody, blindly as cowards, led by a Saudi, Buford Blount. Their "leader" who left Iraqi's largest weapons depot undefended for looting. Qaqaa. Killed many a bushite nazi grunting lawless coward by his own treasonous brand. And mumbling bushite nazi grunts have what to say about American teens made valueless victims for Neocon bounties? "whore yay" That's about it..

Who does Obama think we are as 'United' together on pro lawless torture against innocent 'others'? Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. This is like, so profound. Gibson's condemnation is directly aimed at his own ideas of the subject he has no grasp of. Wow. profound. See though.. this "popular" FoxsNews celeb has zero interest in helping America succeed to defend freedom through lawful actions, because he has no sight of a better world blindly destroying itself. Hey Gibson! why don't you try and be a good guy for a change! No joke. Wow. Profound.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent people here as a traitor to Just cause. Just cause to live in a free society. Torture warrants the death penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison. Maybe fifteen if the dumfuk grunt, back from the war against Iraqi children as a traitor to American values, shows no remorse for his crimes against an American women either. Absolutely any cop or soldier who disagrees as true contempt for our freedoms with punishment against this nazi trash pirating our police uniform, WILL WARRANT death sentences all around to ACTUALLY defend liberty in my America. Any American father who prides in killing innocent Iraqis for the escape of the neocons for 911 is no father. And a wife should get the hell away from a male who enjoys murdering helpless innocent others. Children in such families should be challenged by relatives through the Courts to save the lives of our endangered offspring. Again, without water or food, Iraqi children are murdered by Neoconner grunts irrationally everyday with nothing to say, aka, without reason but as Satanic Bush whores, to make our God as Humanity suffer further for their escapes as actually selling freely, lawless zionist savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend America, for it speaks nothing for the arrest of the neocon traitors. traitors like themselves whom will murder innocent folks like your Self to steal our common values. Wouldn't you glory in seeing these savage grunts who on video, indiscriminately shoot innocent families, or bomb a city entirely, executed by Christian Patriot firing squads? or televised to fry in the electric chair for these documented war crimes? I sure would. It would make our world a much safer place to raise a family secure in knowing, bushite grunts as enemies of everyone, were hunted to extinction for their crimes against our Humanity. Hunted by Johnny Law, the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US for here? Does he actually believe we hold no interest in being attacked as ourselves, the innocent forsaken? A reminder: an American was executed under Iraqi law without any evidence brought against the accused, while the grunts were offered an excuse to seek not the culprits at the terror scene. The case was lightly reviewed at democracynow, a year or two ago, and can be found by searching for a grunt pretending to be an ambassador to Romania. A case where the Judge's life was threatened by a "General", where if he didn't order the death of the innocent American citizen, the grunt with the General would murder US all right then and there. The Innocent American was murdered as forsaken for value shared by free men.

http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind control- but, the "truther" he referred to talked in the drama on there being NO PLANES! A dis-info bushite stooge if ever was one depicted with special effects. We suffer with his bullshit every day, knowing if we tried to phone, would not be granted a minute because I, in support of Freedom for America, make all bigots look truly dumb as fascists lashing out at nothingness to divide our masses. And apparently, he can't have America becoming greater for defending ourselves fairly through Judicial actions.

Obama set to allow Bush-era �torture flights�
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/
articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember

corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law". Evil enemy of everyone these demon fuks are. How difficult is it, to understand the facts they feign complete blindness on? They WANT to con you as the coward to life they are, willing to kill America to make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying to teach you here. That is how Alex knowingly or otherwise, steals our rights, by beating off he knows everything already. And some, if not most, actually believe him without knowing squat either. It's sooo easy that way - no study required!! LIBERTARIAN HELL! Everything is not on the Internet, where it near should be, but regardless, a Libertarian can't be bothered to read anyway. "Free Talk Live" is the best example for this: the two hosts are unbelievably ignorant on just about every single subject under the sun, but beat CONSTANTLY, on how greatly wise they are as drop-outs. You wouldn't believe any of them when they speak on Freedom, if you simply understood, an innocent man does not deserve to be in OUR prisons, or tortured. Under any circumstances that Obama has excepted for our excuses. Magna Charta. But in Alex's 'genius' mind, he doesn't need to actually understand he is a for sure bigot, (measures another unfairly in a group HE concocts from blind hate or personal fear - typical CONSERVATIVE and/or racist) who has no problems with that at home, or at work. Provable in seconds by OPEN DEBATE, but Alex ain't gonna take our calls because, he can't for the lives of every People person thought of here, admit he could have something to learn, therefore, the NWO is unstoppable in his brain washed cult of indifference to Justice practiced for the benefit of all treated fairly. Why? He's not wise enough to respect the great minds of the audience, and I personally believe, he doesn't even have the good judgment to own a gun. (I mean, why wouldn't Alex find my stories of OUR Justice system triumphing by my single hand at least minimally beneficial to his blind cult followings? to not hang up on me immediately while spewing lie after lie on how I'm top secretly a dis-info NWO artist working for Bush? or whose voice sounds too friendly to trust? like he has done the last four times I've phoned - Hey! I can be an asshole if you want - no prob.) Perhaps it's near because, Alex Jones is blind, and as such, could actually be found guilty in Texas for murdering those two innocent black men shot in the back with his approval to release the murderer from a RIGHTFUL death sentence prosecution. "law of

Parties". He is a party to the crime, for he worked to support the release of the FOR SURE, FIRST DEGREE MURDERER. Sound like an America you could live with? I didn't think so either. I wanna be Alex's Attorney. Texas is a State of massive lawless corruption, as dire incompetence in legal affairs where they OFFICIALLY plan executions against innocent People not established to have harboured criminal intent! With Jury Trials!!!! !!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!! While Alex does express murderous criminal intent, and the Police chief calls him a good man for no scary pressures. What the fuck is wrong in Texas where they mess themselves like this regularly? Imagine, while Bush with the Neocons escape, and Zionist Israeli target to murder Christian School girls OFFICIALLY, Alex doesn't want to have to pay traffic tickets like the rest of US. What a douche bag to tell he LEADS our Truth movement I say. Now, I'm not saying he shouldn't contribute with the truths WE SHARE, far from it, it's just he can't have our cut off switch to silence our objections to his exposed foolishness, and/or blatant criminality. I'll give him a chance, for starters, to criticize any position I take while we all publically call on ourselves for assistance internationally. Like on his "buddy", George Noory, deserving to be tried Publicly for the traitor he is, and be formally executed after his day in Court. Our Courts. Teen soldiers have been conned to die by George Noory for the escape of the neocon terrorists who committed 911 with Condi, Runsfeld, Bush, Myers, Tommy Franks, and General Ahmad. AND HAPPY GEORGE NOORY KNOWS IT - and cons with lies naked to the ear of any who can listen or hit record. A NAKED traitor to the cause of Liberty if we ever knew one regarding the War Crime facts of Iraq. .And Ian Punnet is an evil godless enemy Bush whore who lies too to get YOU killed as the innocent soldier forsaken so don't forget.. It's YOUR life. It's God's Gift. Now support our rise for popular international debates to get these Neoconners behind bars awaiting Public Trials! "Public"thatsoyu!! Get to the Phone to call someone to care man.. Johnny Jesus has arrived! Justice Will Be Done in this, Our Kingdom to Come.

Justice to the war criminals of indiscriminate warfare would better serve ourselves to halt for our safety. The bushmob did 911.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent

like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.
Look for me coming soon!!

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom? Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies of a freeing Humanity striving for a just society. Obama needs to be arrested for this under the Law as it stands I'm sorry to say my friends. Why? Torture is illegal in all 50 states, (as Reagan directly planned), no matter where you ship the innocent victim to, or from! Read the War Crimes Act, then demand Justice today, otherwise, it's YOUR funeral. Obama wants to secretly torture Peoples here, while lying to US ALL that he doesn't!

A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,

Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,
not Torturers, not bank robbers, rapists, or
even petty thieves. Allan Watt isn't a bad guy,
he's just a chauvinist pretending he actually
knows something, when his real disability is
directly related to his absence in understanding
understandings. Doubt is a near foreign concept.
A challenge for Allan: can you get your 'genius
mind' around the fact that Peter Powers did the
London bombings, and not the Illuminati of 1463?
and if not, why are we so dumb to our present
plight that way? Don't get me wrong, Allen has
much to offer, it just isn't the issue right
now on saving our dying futures. Maybe I was
too hard on Allen, he is really actually kinda

cool. Alex Jones too has many incredible
moments of ecstatic clarity increasing in all
they joy of seeking enlightenment. .. Ok -
but this is serious business that requires
little dilly dally with what we'll have as
a side dish in Paradise Lost. We are talking
Human Lives have been destroyed by our inaction
to remedy these failures to communicate
effectively. and.. Jeeze, the weight of my
responsibilities, as just plain John, being
a/the Legos Man - for like the Family and
everythings, get's me never forgetting, all
we got are these words left dormant from the
power they truly possess in the minds of the
wise asses. And.. here I am. I'm a Talker of
Words looking to make a break in the
NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning
torture and rape center for Neocon
Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in
Gaza: not that hundreds of innocent people were
killed, not that over 5,000 were horribly injured
and not the sky-high human and monetary cost of
wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC personnel in the Gaza Strip during the war," an Israeli source said. "Some were killed; others went into hiding, and others escaped."

See? the demon enemy of God speaks no evidence as a TRAITOR to every Jew. A terrorist nation that still steals humanitarian aid in our public realm of left defenselessness. The false allegation deserves a death sentence by Jews against the war monger Zionist enemy. A cause that Iran should champion, if in fact!, this allegation by OFFICIAL WAR CRIMINALS WHO TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's face, unsubstantiated as patently, demonically false. As typical from any godless Zionist.

Where are the Americans asking for the formal arrest of Bush for high treason? Whoring for Alex Jones's contempt for REAL Justice? The ignorance of all American talk radio hosts speaks for itself. NO knowledge on why acts of high treason, are crimes against every American. The bushmob doctored the NIE, and Alex doesn't want Americans to know, because if they did, they ask, why does Alex do everything he can to escape those personally responsible for 911, while then asking for money to continue his fight against freedom in America. Again how much money do we have to pay Ron Paul or Alex Jones before they will allow the knowledge of the Iraq war against Human will is criminal? How much?

Obama! feel free to call on me to help out with a plan for judicial actions. That offer goes out to everyone in Palestine, Canada or Britain too. Russia, let's help out these fools by freely communicating, what say you? Justice for all is freedom to be. The Israeli cop killers must be brought to justice for war crimes. Those cops, were cops. And I, am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am an ACTUAL genius, and he is generally, an idiot. Today, he did one of his usual commentaries, however this time, he was pretty honest with himself, and his love for Ron Paul. Ron Paul sells incompetence, and Alex corrected correctly!. that a.. sorry Ron but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

�We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,�

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his faggot Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free'

loot for nothing, TRILLIONS, and are not
saying why should they help anyone else
up with charity?" Then went on to say, it
wasn't any of our business with what they
did with the money. (But for to cover criminal
fraud in the derivatives market, where
the true value of said commodities were

Israeli that broke the truce to get killed

Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An

Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to
Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge

the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

HUMAN

These war criminals need to be arrested for Murdering
LIES against the lives of every innocent Christian
and Jew. Godless zionist nazi bastards are as evil
as they are dumb. Get every man who defends freedom
truly to hunt down these satanic demon ENEMIES for
thee True Jewish Cause, to ask it why it lies as an
enemy to HUMANITY, to murder innocent others as
evil doing thief to Freedom. A thief of Jews
everywhere to know truly God as Love and Justice.
Not only will Americans celebrate these neocon criminal's
freedom to call for the murder of innocent Christians,
as he does without arrest, "Americans" too, will as
Satanic refuse to hunt the ungodly enemy of the Jewish
faith down as Nazi hunters. No, Americans, cowardly, are
committed to dying with the Nazi Elite, as such
to escape of the Neocon terrorists who participated
in the mass murder of America for more stolen money
as war criminals.

http://www.iraq-war.ru/article/186735

Stressing that Israel was "the first to stand up against pure evil." [See? A zionist Nazi argues it's good to get killed Jews by breaking truces with a prison death camp, cause look at all the free American Welfare money we can steal through kicking-back AIPAC members in Congress.]

"I demand that the use of images and headlines that misrepresent current events to the detriment of the State of Israel be stopped immediately," the petition went on. Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease fire; and that Israel broke it, then unleashed a total starvation blockade on Gaza followed by flaming death from the sky aimed at schools, hospitals, ambulances, and children, and you dare call the people opposed to such barbarity a "mob?" \ \

Zionists are evil people who pretend they are honest, when lying directly to everyone. Blitzer reports Hammas broke the truce, he is lying to continue the murder of innocent peoples. Understand: Israeli Nazi state they will continue to murder our innocent Humanity until the rockets stop falling on Jews. Yet, they broke the truce, and murder Jews routinely with reckless abandon. Jews from the Bible as of "nigger" Ethiopian, are what the Zionist hate when warring GOD for apartheid, apartheid that is Humanity in Gaza. A zionist is a war criminal who speaks not against the neocon, but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable murderous nazi thieves of God as Just cause is. I am, and YOU are, you just maybe don't know it yet, or if ever. A zionist serves Satan to escape the neocon terrorists from their ungodly crimes on 911.

Ron Paul:

US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these mass murderers of innocent peoples with deliberate lies, like from Blitzer. Blitzer will be tried, and executed a war criminal for stating Hamas broke the truce., Where, only two minutes earlier, he learned, that it was his Nazi partners. DEATH SENTENCE. It was on TV. BUT SEE? Ron Paul, the Libertarian, ain't going to be honest here. He'll lie cheat and steal Humanity's voice for Justice - like he did with OUR money. A typical Libertarian like Alex Jones who wants to blame "socialists", "Liberals", aka, all of innocent America. Blitzer is war criminal, who makes his own discussions. As is Ron. What an enemy to not mention the truce. THINK: IT IS THE ISSUE. But Ron plays the dummy to kill more with contempt for Freedom. Ron Paul, the bigot, asked, 'should we be doing this'? SEE? it's not first degree mass murders, no, according to Ron Paul, it's argumentative that indiscriminate mass killing is a good thing really. Remember, Ron Paul does not support arresting those who committed mass murder on 911 either. Or those who STOLE TRILLIONS. Or lawless Bush, the ACTUAL AntiChrist enemy of God. Ron Paul will watch America die for a stolen dollar. And Alex Jones will refuse all calls to label him good guy like himself warring order to our universe for it.

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom fighting away for his family, but not our own as dying innocent victims giving. Pick a side.

Remember: Sadistic authoritarian George Noory is a very real DEMON of Satan, who again, openly tells US, he wants to murder our species as the innocent forsaken, and Alex Jones doesn't hear a problem with that either. Love the bushite blindly, and they'll kill US for a dollar sukka.

Alex Jones is like the retarded brother we can't help but love because we're human. He is still retarded. And George Noory is still seriously evil as a traitor to the cause of Freedom in America. And Ron Paul is still slamming Ron Paul.

Ron Paul "Israel can not act without Washington's approval"

So, it is Ron's fault then by not mentioning the truce?, or as that, innocent People are being indiscriminately murdered in a death camp that he figures is argumentative? that innocent People are dying as targeted for mass genocide? Or is it the Ron who states YOU are to blame instead of himself for being there, not saying anything? HEY RON! Can you hear me now!

They are targeted by Obama who suggests there is an argument to be made here. There isn't. Nazi Israeli DEMON LIARS broke the truce to kill Jews for money. They are godless enemies of Humanity. So it isn't that we are pro-Palestinian, it is that we are pro-Human. Zionists DESERVE to die, before US, the innocent, they target for murder for stolen cash gain. Like Obama has promised to do for AIPAC. But what about the rest of US 6 billion plus Obama?

Who is it of US innocent folks do you wish to MURDER, or torture next as a Zionist war criminal for Satan Obama? Torturing kids is popular in Israel, tell US Obama, which American father will have his children tortured, or murdered sadistically by yourself as a whore for Nazi Israeli? tell us, we're not waiting.

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside while they sadistically destroy her meager gains, I grow weary with ourselves for not speaking right. Nazi Israeli are committed to deny US our God given rights as Innocent persons to speak freely for Justice realized. All because they STEAL our Lives for monetary gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by Obama. It's like, he's talking some jive about how now he'll NOT let the words of Hamas reach his ears. Being against war criminals, doesn't make you pro-Hamas, necessarily, it means your against war crimes to defend the lives of ourselves respected. Remember: He told US earlier during the campaign that he wouldn't fear speaking to anyone, Hamas especially, because he was confident he could win the discussion on Liberty, by principles that unite all free men. Now, he has promised the FBI's Most Wanted AIPAC, he will pretend to not hear any calls for fairness as all parties united by common cause. Johnny Who? Where did you go Obama? You were here, then.. pooof! you vanished into the loving shackles of convicted/ing criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE" organized war crime outfit, dedicated to deceiving the Public by lying. I am not Lying. I'm not saying I hold his associations as a measure of himself, I am concerned with him stating, he will not hear our cries for Justice, as then AIPAC cheered. I was as freaked out about it as you maybe yourself now, believing it as possible. Check it out for yourself, and wonder, just "who" is this person they tell us they're are going to take for as dying fools? I mean look at what happened to what's his name, when he sided similarly the same in error as hugely criminal? Come on be honest with us son, "Are you on drugs?". Maybe he's just been stressed with all of everything he is heaped to follow on, NOT to know by Blitzer, that Israeli broke

the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's
Chosen". Yeah, chosen for, "The Bad Example", of how

Hamas Workers and/or Troops? Out hiding in the mountains of Afghanistan you mean right? Satanic enemies of all Humanity I tell you. The most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are. It's a prison death camp, brought about by Israeli STEALING OUR Homes as ungodly thieves. Thieves who leave a Jew to starve to death in a garbage dump because, it'll attract more charitable aid The Zionist can use elsewhere. It's not a Jewish thing, it's a criminal matter. They STEAL innocent Peoples Homes in that country. God's Country? God would will such criminal offense? Which God? Not the God of Abraham, nor by the teachings of Hillel, Christ, Mohammad, or Confusion? So which absent God do you speak where WE can't speak as ourselves openly for Just Cause? Cat got your tongue? Israeli are attacking prisoners held criminally in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions over Our Rights to Live Free perhaps? A Hero adapting to the deaths scene?, or, a Bush whore committed to enslaving Humanity, all so he can say, he told US so. Big hero or big hero. Your NOT powerless to his vision of complete control over information. He refuses 911 info, Iraq war info, Israeli info. All so he doesn't have to look the fool, while Humanity dies with his insults against our wills to make something better of ourselves. Justice is what I will. Masturbate on your own time Mr. Alex Jones.

If he states again about how he knows everything, and is always right, and those that criticize him on ANYTHING are delusional, it's going about to make everyone further sick with this obscene take on what life means as Alex takes it. If I truly state two nickels make a dime, does that mean therefor they make a quarter also? If I say so like Alex would? He is an idiot. Truly. George Noory figures Hamas broke the truce, and that the Mideast solution is that Jews should be separated with special rights, as oppressors over the freedom of every Palestinian Prisoner, and what's Alex Jones gonna say about his 'truth telling freedom fighter' George to actual 'lame ass evil nazi traitor' George?, to YOU about how George is just trying to murder millions of helpless people as an offer for the final solution? We can expect Alex now to claim, Zionists should have special rights over Jews, all to maintain his FICTIONS on Noory being anything but the monster to Humanity he is. Just because Noory doesn't growl when talking about murdering all children in around the age of 15, or against soldiers who refuse criminal orders, does still

make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank
blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing
in things that are un-important to our struggles, but
for the fact, he states, you'll get free money for
nothing!! OUR ACTUAL PROBLEM. It reminds me of those
Ron Paul dollars... where Ron'll fix everything, cause
we, as a private company, are going to make YOUR money
instead... holy fuk mon.. Talk about the kettle calling
American racists. Thank God the FBI stepped in. (The
answer unfortunately is not nowhere as easy as Alex
would blindly lead you) - again, so I guess it will be,
Americans were just too far gone as illiterate
chauvinists, who cared too little for your freedom as
themselves degenerating. Why? To battle tyranny they
knew not Justice wins the day, and blamed innocent
groups gathered wherever, instead of following the crime
scene leads at the real murder scenes - like was once
done on TV and at the Movies. But even that was too
far above their doped down heads, to raise their finger
to dial a phone number.

How about stating "A lawless bushite enemy wars America
as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold
at less than it's value as a special treat, every
second or third week. Below wholesale. Now, really

think this thru. Do you think Alex is trying to con
you here? you bet. That is the Gold Racket. Diamonds
are another thing - where I've personally seen,
about a decade ago, a huge press that makes Diamonds
out of coal. Swear to God it's true. Costs to make
diamonds are pennies to the thousands paid to Zionists
who live in Israel calling for the murder of all
innocent Peoples. Where is the rich Zionist, grave
robbing Jew hater to demand Justice for our times?
Where? Pressing coal into diamonds, while advocating
the murder of our entire Human species. THEY WANT
TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am
last known to Life's enemies as Jesus Christ, the
Zionist's end every time. I'll have brought more
Zionists to their rightful dooms, than any other,
of any time, anywhere. I HATE Zionist bushite LIARS
to death, all because I Love Humanity too much, to
watch US die undefended as the innocent forsaken.
They can change their evil ways, but till now, often
not, benefiting off our suffering as war criminals
who simply lie as demons to steal our Human values.
Let's change this for our betterments. I mean the
Halo is a dead give away..

The head of GCN has a son warring God to rape American
women as lawless enemy in Iraq for the Neocon - again
NEVER mentioned as something worth fighting against for
Freedom in America - soldiers are suppose to REFUSE
criminal orders - but not when Alex is at the mike.
He will never mention the Bushmob doctoring the NIE
to con America for death as exampled, because it
doesn't fit his fictions, where all the bad guys
escape because they are geniuses headed by secrets
so powerful, nobody can ever know'em, except Alex.
He tells us near every day, he knows everything
already, and is never wrong, therefore you can't
criticize him. Bullshit. It's like he wants to be
wise like Johnny Gawd is, without doing anything like
studying for a test where the teacher actually does
know the issues. He told US today, the British came
up with concentration camps, from the Indians - who
spent all their lives murdering themselves. The
British 'invented' false imprisonment? The British
came up with the, Jews Killed Jesus? The British
invented Pope Gregory VII? I suppose Alex has never
heard of Ghettos. SEE? he just pulls shit out of
his ass, and calls it like it's truly pure gold you'd
wanna buy. Those, like your typical American have
no clues, so they figure, Life must be sorta so that
History is all one big Alex Jones NWO cartoon. What?
that the NWO did 911, and everything else that use
to instead, require criminal investigations to nab
the actual evil doers? Alex Jones IS the NWO he tells

US all we should be concerned about never stopping,
like it was in the DARK AGES. Justice Alex, why is
that hard for you as a "Conservative" to figure? Is
it because you are cowardly in the face of true
Liberty? Afraid that some People, on some Issues,
ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People, the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT target the IDF's Hamas, but only our innocent lives as a threat to LIFE and GOD. Remember: the Zionist LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false accusing enemy of God he is. Let US, as Humanity, hunt these real devils down, try them, and have them executed publicly for the benefit of God and Man. Understand: this REAL DEMON knows he's lying, no living man on Earth could spew the vile lies he does to excuse indiscriminate mass murder, or starvation, as this Zionist enemy of life sells to STEAL Your HOME, your Family, YOUR LIFE. An open enemy of God trying to STEAL the Title of Jew from Christ. EVIL ENEMY OF LIFE. See, when a bushite dies, you served Life well in defending their next INNOCENT target. BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE. BILL HIM FOR STATING bin Laden DID 911. BILL ANY Zionist FOR THIS TREASONOUS LIE. Why God asks? Because there isn't any evidence to support that Satanic lie. According to the FBI. And according to God, Zionists are not Jews, but of Satan as enemies of every life form in this Galaxy, Hunt him down, and bill him today for the love of God. You can 'hear' it in his voice.. how he lies TO YOU as a DEMON of a Hatred for Truth and Humanity. Facts, that are easily available, are not what he works to mislead others, others he hates, and wishes to murder for as ungodly sadistic pleasures as YOUR enemy. Bill him under American law for being pro-torture too while we're at it. Death to bushite, death to the murdering enemies of God's Love for Mankind, and enemies of TRUE Justice for Americans. The fuking demon enemy lies to you, as a con to STEAL your life, or just as soon, the life of another innocent other. Now, what are you going to do about it? Except his lies as exceptable, as he tries his hardest blatantly LYING to kill God and Justice in our Worlds? Not in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can Stretch On for Years for Americans, without Ever seeing a day in Court. '

Where are the arrests?, then firing squads for the Judges who 'judged' such criminality against freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury [FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion and counting.. And Congress 'slams' them for disappearing OUR MONEY. Slams with what?, a, don't do that again please butt sqeeze? It should be massive slammer time, with a return of all STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts are assisting in the mass murder of innocent Christians in Palestine. War crimes demanding death sentences. It isn't an argument that can be turned around. Nazi Israeli STEAL Peoples Homes without apology, as a function of their SATANIC government, while colectively bombing the INNOCENT victims who die because of it. It's a prison camp! they are denied water, food, shelter.. since four or five truces over that they've broken, every one. These are Satanic enemies, willing War Crimes against God, a God NOT loved by zionist American Nazis. And a Son as powerful as the four winds, ridiculed by Zionists, and American know nothings, for the continued debasement of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences for these blatant war crimes against Humanity committed by Amerikan Nazi Israeli Zionists? Along with the perpetrators of 911? WHYWHYWHYWHY. Russians! Can you help US out?

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they

jerk off, but where we gotta go to actually defend
ourselves? Steve has been on with Noory more
than a hundred times, and, we'd figure, Alex will
soon be delving into the Alien questions also.
Answerable by me in seconds, but ahhh.. like Noory,
doesn't want the truth of such a subject uttered,
just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that

22 miles? To kill a Jew standing outside in his

his time? Tin can rockets that contain no explosive

your dead, but really, what do you think the odds

Traitors to the Cause

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

UN: Israel Admits Claims About Attacked School Baseless

US military re-supplying Israel with ammunition through Greece

House and Senate Compete To See Who Can be Most Pro-Israel

This warrants the Death Sentence to Republicans who have committed America to these war crimes - DEATH SENTENCES. Christ DEMANDS these trials to start tonight on America's Coast to Coast radio program. It's called first degree mass murder.

Israel broke the truce on Nov. 4th, yet state they will continue to murder Humanity indiscriminately until a truce can be found that they will break, as always, Being the Satanic enemies of God and Man according to the Bible:

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Freedom Granted by Americans for Neocon Liberators

"Americans are having their heads velcroed to chairs and forced to take in nutritional supplements by a tube forcibly inserted through their noses by US guards."

These are People not charged with any criminal offense don't forget. Die bushite die you know is what I recommend, as does Reagan. A dead bushite means you've saved the life of their next victim, an Innocent Human Being guilty of no crimes. The war criminal enemy is the bushite, the Zionist, the LIAR neocon traitor to Life as this Universe, along with every dumfuk grunt who serves tyranny for the bushmob at Guantanamo, Iraq, or Afghanistan. It is a soldier's oath to obey lawful orders only, but Cheney they don't take out with American Law - how come? cowardly fascist nazi whores for Zionism's evil as the ungodly that's why. Cowards dying for the escape of the Neocons from the 911 scene as reported publicly. - Vs. US. That's we whoever you are.

Widespread Suffering and Death
http://www.youtube.com/watch?v=gVdee2iXSVk&feature=related

Notice no one shoots at the blimp fire bombing the entire neighborhoods. And if it's phosphorous, that smoke is already deadly toxic. That is why it warrants the Death Sentence under International Law when used against OUR Humanity, as the most evil of Nazi War Crimes ever. The neoCON LIARS are the LIARS conning you here on our TVs and Radio dramas, in where, they don't want to openly take our public calls for real Justice. Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression. So, them being "puppets" is even all the reason more to insist in their capture for trial by Jury. A Public

Jury of our Peers. Now, who's in with You? You can count me in. and I bet willed to action, we will find others to be something of ourselves too.. Justice and Liberty for All. Equal rights given is what true freedom is as measured. Translated from the 'Alien' dialectic to Amereeze jank vibe; where is the fucking evidence here Neocon traitors who false accuse to lead us off the straight and narrow? It leads to Bush, Cheney, Rumsfeld, and Condi that's why I figure, you figure, they figure, we figure, so... what are WE going to do about this sacrificing for godless tyranny further then as unrepresented?

Gaza Mosque Struck as Targeted by Israel Air Force 1 Jan. 2009 (Why so you may wonder they've had this string going now where a secondary something, then there! that proves something absolutely apparently, without the intellect to fairly judge anything, particularly themselves honestly as dishonorable thieves and murderers, targeting prisoners held hostage to their own camps. Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon for money. They want to bomb the HUGE sacred Jewish communities in Iran.. wonder why? Zionists are not Jews, for Jews don't steal in God's good name. Nor target innocent beings for stolen gains. A zionist is a thief to life, and as such, needs to be formally charged for their criminal offenses, given lawyers, and upon a successful prosecution, rot in a prison cell and/or pay restitutions. YES. why? so not another innocent person must fall in their place as next victim to a zionist's public commitment to lawless tyranny for evil intentions.

/ / It is just unacceptable to apply two standards of morality, one for Jews and another for non-Jews. For if what Israel is doing in Gaza is right, as Israel and her supporters maintain, then what the Nazis did in Europe several decades ago must have been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of God and Man. Don't think the NAZI Zionist like Bolton doesn't know this, with his friends at FoxNews.They WANT to rape, murder, and pillage America all her freedoms for the bounties of private banker frauds. The banker does not ever cover our loans, we do. So, why give them trillions of American worker waged dollars for nothing?. THEY DON'T COVER LOANS. See? that is what this war against God is all about. People of Humanity just seem to truly hate a guy like US as wise and Just. See, people hate US, because they can't for their lives disagree with Facts. Why won't YOU support these same rights and champion our demands for open communications. Johnny for Coast to Coast radio host.

US Again Stops UN Call for Gaza Truce

Who is this the "US" person?, and let's put him to death with Bolton and Kalilazad for the most serious of war crimes against OUR Humanity. Remember, Bolton was NEVER confirmed because, the Zionist could find no man or woman to say a single kind thing about him. FACT.

CNN: The Nazis Broke The Ceasefire!

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as DEMONIC LIARS, Hamas broke the truce - as Hamas is responsible when they target school girls for slaughter. They said the UN were secretly attacking Jews, clearly a LIE as impossible to prove because it didn't happen. But facts are the furthest thing away from the godless false accuser Zionist con man or demon witch LIAR like Livini. FoxNews calls the demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect to understand what this means. See, LIAR Nazi Israeli broke the truce to get killed Jews for money. A regular fair for Nazi Israeli. Now, they state they will continue to indiscriminately murder humanity until the tin can rockets that travel miles stop killing Jews who hate Zionists. But importantly, it is Israel that wants Jews to die, so they can make off as Satanic with our stolen values. Just like the Bush family did with Hitler, that the Nazi Nation has no probs working gun in hand to wipe out Jews everywhere still to this day. Again, Nazi Israeli MURDERED JEWS in Lebanon as targeted. And leave Jews to starve to Death in Israel for more charitable aid they can use elsewhere. Public knowledge not disputed by any living soul on this planet because, the Zionist government admits freely to this. Israeli think being Satanic is worth it, for all the money and lives they can steal as enemies to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from innocent god loving folks. US. But see the McCainiac HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.liveleak.com/view?i=ab0_1231290043

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED

Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete openly to defend it's criminal treasonous actions! Remember, Alex "the Conservative" thought McCain was the choice if you had to make one, earlier on, then changed his position, sort of, later by calling them all puppets not worth the effort, but .. Obama's idea's matter not, it's that his Birth Certificate is, no war too be fawned. Palin? who's she? McCain firebombed Vietnam as "war hero" for France? The Banker doesn't cover our loans? Matters little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against international law, it is against humanity and I think it is against what it means to be a decent person. You don't treat other people like this. Even if you disagree with him� maybe even if you fight with them, you don't treat civilians, children and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that nazi Israelis, use the argument that a tin can rocket traveled miles, to kill some innocent Jew as a direct hit (likely a person who hated

godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy
as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total

commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to
death in Israel for more charitable aid they can steal from
G-d's Good Will. When asked by Israeli newspapers why, it was
said to kill a Jew is rewarding for the godless Zionist.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass

murder of Americans occurred. Treason, of a, trust
WE don't have it in US to stand for our common

the living rights from anyone of us, especially

steals God's good name through lies left unchallenged
by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get

We can overcome this, and create a better world in the process. It's back to the simple things: open communications, and evidence, evidence, evidence to convince ourselves truly of anything. We are in a horrible dream right now, that we must arrive ourselves into for comforts. Arrest the Neocons for treason. That of course includes anti-gay faggot Bolton for his and Kalilizad's treasonous lies brodcasted on FoxNews these last few days. And Peter Powers for the London bombings while we are at it, then, we'll really being going places.

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King that Hamas broke the truce, without any uttering of fact. While when the nazi israelis were accused, just minutes earlier, Mark Regev could say only silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict

was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE in a car or truck in the entire nation of Lebanon, (especially in the Jewish communities) because like enemy "Gray Ghost" would say, all those innocent Peoples deserve TO DIE AS MURDER VICTIMS for his sadistic ungodly pleasures. Remember, Nazi Israeli didn't mention this until thousands has already been murdered, then even still, without radio, TV, or newspapers, telephones, or sky writing how were ONLY THE INNOCENT JEWS as officially targeted to know? Then the seven million land mines to kill innocent kids for generations. To the enemy of Life, Gray Ghost it matters not that Israeli started the conflict by sacrificing nazi vermined trashed as Satanic dumfuk enemy soldiers sent across the border, to Grey Ghost, all it knows, is Justice must not be allowed to win this game for our human race, for he would be truly seen as a sadistic enemy of Freedom, powerless, or rightly dead for his proud treasons against life in this universe.

ZIONIST DEMON LIARS TO SHOW HIT ON TRUCK FULL OF ROCKETS ACTUALLY HIT TRUCK FULL OF WELDING TANKS

Gawly je, I dunt no y dat detnt work-ed' - o wel, cary ohn my wayward Son.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have an excuse for bombing people indiscriminately to break a truce they signed on to. This isn't a one time, maybe two time occurrence, but every time in the last 60 plus years the zionists aligned with Hitler have. Satanic enemies of Humanity.

ANTI-SEMITE is FoxNews every time they assault God with "Israel, the Jewish State" to torture, steal, and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples homes in that nation run as thieves don't You know? Or as it is just open public knowledge that the Zionist excepts that 911 was actually a good thing for them as war criminals reaping the cash rewards for continuing capital murders?

/ / Ehud Barak promised that the war would continue �to the bitter end.� \ \

That is you there Barak promises to end bitterly as the innocent the demon targets for ungodly murder. How could ANY REAL MAN steal food from a Christian baby? How do they do it?, as the inhuman. (Like bushite do in Iraq, while on CNN in interview tell US, they are there war criming for neocon traitors to steal everything as "helping the Iraqi children". They offer no clean water, no food, just indiscriminate bombing campaigns of evil incarnate. True fascist nazi enemies of true freedom in America who advance censorship to anyone like myself. Why? They lose. They are not men but Satanic enemies of the King to Jews, the Messiah. I Am. Thieves to the scriptures of Hillel, and of Moses. Thieves

to the intent of every true religious person,
for God is everywhere. God is the Word, and
the Word is Holy. So, fuck you and die bushite
nazi traitors to American Justice, those of
them who refuse US open free words to resolve
their war criminal behaviors as is done in
godless Israel today against INNOCENT
Christians. Done before another innocent other

lawless grunting bushite dumfuk enemies of

relationship. Christ is mentioned more than

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in
anything? are they respected researchers? writers?,
politicians?, civil rights lawyers? - do they even
respect ourselves enough to be warned of vaccines?
NO, instead they LIE with such contempt for Humanity
I am surprised Canadians, don't speak out more..
perhaps they do, it's just CBC, CJOB, and the
Winnipeg Free Presses of our World make no attempt
to inform ourselves about it. They don't take my
thousands of calls, how about Yours?

Life is real to know, if you seek, and not go
so freaked out as Living is as it always has
been. Knowing God is cool, 'amazing', yeah,
whatever, but we are of too this real world
suffering for our lack of respect for a wise
person speaking. I WANT FREE PUBLIC DEBATE
FOR JUSTICE AS ALL INCLUDED. Now really, is
that too much for US to ask freely? What say
you Googler? Afraid I will truly make your
banker gods look like fools?, the gods we all
give more than half our lives to for nothing?
Don't want to look truly dumb as deathly
ignorant, so censor US all themmers you are
too in command of your Fate. So be it. See?
Stand in. I didn't even really do anything
there, yet it's written, it's done. A Miracle!
Imagine: your Christ! YOU. now what are you
going to do.. time is ending for you remember,
now what are you going to do? Will you pick

up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included.
Think: who buys these demon lies to steal
further from our innocent Humanity? Zionists
do at CBC and CNN, who will murder America
by openly lying to destroy freedom. Example:
CNN reports Georgian nazis who targeted
children schools, churches and threw grenades
into our homes to murder as minions for Satan
are called freedom fighters. Just like the
Third Infantry, the new lawless police officers
of California, who can't be charged with rape
for example, because ONLY Rumsfeld can okay
such prosecutions. Hey who cares for Iraqi Rights
right?, for TV America's CNN with FoxNews and
George Norry doesn't, for it's only American
women and children now right nazi enemies? And
WE ALL KNOW, cowardly America refuses to even raise
their phones for these dying concerns. How can
George Norry continue to live happily dying
America for the neocons? How? they let them.
Alex Jones thinks George Norry is just
fantastic, so no, don't encourage the NWOers
to demand free communications, because if we
did, Alex Jones and the like, would factually
look like the idiots he is. (better to die
America than face this foolishness?) The
banker doesn't cover our loans, we do Alex.
So giving them trillions in American worker
wages is a bank robbery in progress. Simple.
NOT a diabolical ingenious plan, we, the simple
folk can't figure without the Alex Jonesers
geniuses of thought control developed by the
CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for
godless Zionism are heroes, which includes South
African death squad goons who murder my nigger
friends. AEGIS. I call them lawless enemies of
God, deserving death sentences to save the lives
of their next innocent victims, Obama calls them
heroes warring for the escape of the neocon
traitors responsible for 911. Who are you going
to believe?

Look, I plead

Why is this story not where it should be? Who's interest does it serve by further dying Humanity to: we don't care about not stopping terrorist crimes in progress then? Don't be a Nazi. Why? Just because. THE 'suspect' WAS IN ON THE MASS MURDER OF US. Justice for All there you nitwits. Under who's command was he working?, and does Condi figure in there some where by sending TV America elsewhere? Who is set to gain money in the planned indiscriminate murderous bombings, and let's try, then execute them instead of US as innocent victims how about? King of Earth I am,

"General Mullen is pressing our authorities to
allow India to hit certain targets,"

In a normal world, Mullen would be questioned, then arrested, tried, and executed with Gates for trying TO KILL INNOCENT PEOPLE for cash profits stolen from God's America. But the nation is filled with cowardly know nothings.. how do we know this? They refuse to even pick up their phones to complain about DYING needlessly for the un-elected Zionist neocons. The TRAITORS who did their part to carry out 911. America only PRAISE real demon George Norry who openly lies to the ears of America, while advocating the indiscriminate slaughter of all children in around 15, because he claims, that way, you reduce the risk that they might sometime in the future own a gun to kill himself as a REAL bad guy. These REAL monsters will kill your American kids for cash. Why? Because YOU refuse to even raise your phones for concern. It's "just" your neighbor's kid who'll get the vaccine shot filled with toxins, drink the American Milk, chew the bubble gum, eat the Campbell's Soup, or drink the tainted water. The poisonous water containing sodium fluoride is in soft drinks, beer, and bottled purified water costing near 3 dollars that Pepsi openly confessed, they just get right from the poisoned public taps of Boston, unfiltered. TV America? where are you man? Why do you still refuse to raise your phones? You go in faith WITHOUT science, with reason?, without God, or even crave my words as the Great Son. Why do you forsake yourselves? Are you not worth the effort to say your own lives are worth something too?

Charlie Manson "Yes, your honor, I did authorize the killing of Sharon Tate and the rest, but you know, we need to focus on the future rather than the past!"

Bushite Nazi grunts of the Air Force have bombed more than a many innocent persons, claiming we as Humanity can't hold them to account for their murderous crimes of STEALING our lives. It is an oath soldiers give to obey lawful orders only, yet, a bushite's word means nothing. They bombed Samara for no reason but to die. They bombed

Fallujah for no reason but to die. No honor,
no courage, no manhood.

CNN Don't Want to Take our Questions

Cheney worked immediately after 911 to close
police investigations, as so reported
on Meet the Press, with the late Tim Russert.
Simple. Or cowardly like Alex Jones call him
just a puppet, and blame the NWO geniuses
hid away in far off places, manipulating to
secret out the blind idiots who don't truly
believe in elementary logic. This isn't
complicated.

Fed Refuses to Disclose Recipients of $2 Trillion

Bernard Madoff -- The $50 Billion Thief
http://www.youtube.com/watch?v=0IhJJXjxmHU

This spot where the Jews laugh at law men,
then get all their life savings stolen, is
THE classic in the halls of Zionist History.

Some say, Christ, the Jew, is a law man
too don't you know.

This is What Americans Are?

/ / the United States has refused to sign
a declaration presented Thursday at the
United Nations calling for worldwide
decriminalization of homosexuality. \ \

Again, this Zionist infiltration is
designed to divide our populations through
demonizations against the Innocent. There
is no crime in loving people despite what
GCN advertizes.

"The concessions made by the Olmert-Livni
government to the Syrians do not and will

not obligate a government that I shall head,"
Netanyahu said. The concessions of indiscriminately
murdering US repeatedly? Understand to know:
The Zionist is a Satanic demon enemy of Humanity
according to God, in the Bibles all timelessly.
Netanyahu, the demon, is so ungodly as evil
criminal, he will likely "win" Istraeli the Zionist
election on a public platform of godless tyranical
theft and murder. Remember, Israeli Zionists
funded the creation of Hamas to kill Jews in
Israel, and TRUE Jews also live in Lebanon, Iran,
Etheopia, Canada, and the North Pole, and we're
the "niggers" there too that Israeli despise -
like as they who PUBLICLY supported South Africa's
oppression of Innocent South Africans for stolen
monies. Satanic I tell you. Don't believe? in
innocence? That's the power of Peres, the devil.
Evil a zionist criminal is proudly. Peres will
tell you, all about when Zionists target to murder
little old ladies as he did on Larry King, it's
really not Satanic, because they'll blame the
murders on someone else completely different,
as US, the innocent. blatantly. In your face.
While CNN goes, uhuh, gotta kill those Jews in
Northern Lebanon. As Syrians too! Israeli dropped
seven million land mines on more than 170 towns
and villages given to them from Condi! a godly
nation of Jews? ANTI-SEMITE is FoxNews everytime
they assault God with "Israel, the Jewish State"
to torture, steal, and murder.?. ANTI-SEMITE!

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

MY LIFE HAS VALUE

"You can't count on Congress or the Courts to save yourselves"
Ron Paul - The oUtRAgiOuS fUnnY MaN

Ron Paul is a traitor. He didn't support arresting
Bush for 911, or for the killing of American teens by
doctoring the NIE. Now, Alex sells Ron Paul, is
his leader of OUR truth movement because he says
there's nothing he's going to do but blame poor
people, or socialists,

"The Liberals and the Socialists, along with
the Communists and the Gays, with the Muslims,

and Community Organizers with the freaks different
that me did the murders", said near all the retard
bigot Conservatives blindly false accusing.
Example: Condi says Pakistan's ISI committed the
murders, the FBI says no, there isn't a scintilla
of evidence to substantiate that. Condi says
Pakistan's ISI FOR SURE did the murders, the FBI
says no, there is not a whisper of fact to form
that conclusion. The "Army" says for sure Pakistan
did the murders, the FBI says no.. There is not
a thread of fact a zionist offers to form YOUR own
mind in respect for your rights being equal to ours.
Condi only tries to hypnotize the "Conservatives"
into believing something without understanding,
without knowing. Sean Hannity does this everyday
on purpose to kill innocent American teens.
Conservatives are universally ignorant People,
and sometimes, serious war criminals like Condi.
Taking US off the target of following the crime
scene leads at the real murder scene. The
"Conservative" mostly doesn't have the mind to
understand Justice is freedom, like the NWOers,
so they false accuse US as Innocent others, for
crimes they don't speak for as Our true defense.

I'm counting on you kids eating right, and
knowing you belong free here. I'm King Johnny.
Hi.

Anyway,

Imagine: Alex doesn't ask 'hero truth
teller' Ron Paul for a million or three for
advertising on Bush and Rumsfeld's prior plan
to invade Afghanistan for Enron. Why not?
Who's money is it still anyway? Ours. In
God we Trust. Wanna see a card trick?

Christ Loves Everyone!!

I can FIX Monstanto's GMO assualt.

How? by understanding the science
involved, that Monsanto DOES NOT, and Alex, not enough.
(look for works I've done A DECADE AGO FOR ANSWERS -
Google however has removed more than 20,000 documents
referencing my writings as of last month - do you care?
That a man such as great as I, will not be allowed to
give my works for free to Humanity any longer? -
People of Earth: undertand, many in America say YES!
here, because they truly HATE Humanity's cause of
Liberty and Justice for ALL. Google closed my

Jew_Boy_Johnny account, all because of vermin like
"shitskin Moslem", who openly message in the
hundreds daily for murdering innocent Moslems,
who pirate all of Google Groups with racist
nazi slurs, just needs simply complain I am anti-Semitic
- The Son Of Man - no trial, no questions, no answers!
I can not post more than three times every four to six
hours, otherwise, they close my accounts, while at the
same time then, go through years of my writing to
sadistically destroy more. They figure they have
something in our Courts to support their treason of
assisting in mass murder against America by Zionist
theives who steal the title Jew, as in godly? while
shitskin posts hundreds daily pirating everyone's
threads with his EVIL hatred for God and Humanity, if
not even more from Israel) Not the Alex Jonesers way,
but the actual way logically understood as where the
problem resides. DNA, as is life, is multi-dimensional.

Where is this
"Christ" that CBC, CNN, GCN, and RBN harp on
that speaks nothing for real Justice to the victims
of 911, or Iraq, or Afghanistan? Or the children of
South Osettia? Alex is near fit, but he is far from
sufficiant. Jack Blood was great, but Alex we guess
doesn't want him looking like he Rulez like US
too though. RBN has it's moments, yes, I guess that's
true.. Things do seem to be improving, what with
all the torturers and rapists wanting to come home
as brain damaged Zombie police officers. They don't
want the laws of freedom though, too complicated.
They'd rather hunt down our families from the
sky with bombs actually.. fuk, I hate EVERYONE
in America's Air Force, every last evil fuk. They
watch these videos and celebrate their complete
indiscriminate murderings that get killed so many
GIs - they celebrate the slaughter of our innocent
Humanity . George Noory will kill your American kids,
have no doubt, for, he already has.

CBC and CNN only smile to tell you all the great
things they do by denying OUR Humanity these truths.

America is a cowardly evil nation desperate
for excuses as still being run under by zionist
thieves.

Israeli Settlers call Ethiopian Jews "Niggers"
http://www.ynetnews.com/articles/0%2C7340%2CL-3633163%2C00.html

This isn't isolated. The Jews of Ethiopia, are the actual Jews of the Bible. These monstrosities that God knows as Israeli, are Satanic enemies of Man. They steal our homes, rape or torture our INNOCENT families, and bomb Jews as the did in Lebanon TARGETED as an OFFICIAL function of their evil "government". They actually, a few years ago, gathered all the darker skinned toddlers, and murdered them as an OFFICIAL government of SATANIC action. More than 100,000 "Nigger" toddlers, Jews, they murdered with radiation poisonings. Officially. Now, Americans GIVE them money to bomb innocent Christian families indiscriminately guilty of nothing. They steal their desperately needed food and medicine. They are thieves of the most vile evil natures. Example: the Zionist who STOLE 50 billion dollars from American Jews will not be ordered to give back the money! Sure, they tell you that SOME of the suckered Jews, will get a small portion of their investment returned, but only through the wages of American citizens, NOT by the Zionist THIEF, T-H-I-E-F, who you are told OFFICIALLY "lost" the money. (will he even spend a day in jail?) He lost it, ah shucks, just like the trillions "lost" to criminal trillioniare speculators. And like the banksters, who never covered a dime of the money for the fraudulent loans, but get to STEAL your homes, and now wish to charge US a renter, for a home Americans, the illiterate suckers, actually paid for, and will continue to until they speak above the laughter of a George Noory, or con man Bill O'Really, the true demon enemy. Or will instead? cowardly, will go like Alex Jones, naw, George Noory is a good guy, a happy guy, sure he speaks of the enjoyment in slaughtering defenseless innocent children, so what?, he's pleasantly happy to state all is well going ballistic against soldiers who refuse criminal orders from the Zionist neocon. Not a fuking dime!! Understand, this isn't just a, let's get the info out for People to know as Alex Jones sells to near overdose.. (we are mere mortals who work nine to nine Alex The Great.) CBC managers, all of them, have known since shortly after 911, that Bush and Cheney closed FBI investigations, they know that iron is on video flowing like water from the towers, THEY KNOW THIS because I personally told them. Yet, they smile as demon liars to die our teen soldiers CONNED deliberately. We need some serious police action in arrests of treason against all news celebs, who of course will get lawyers, (what they deny in happy silence to not mention against American torture victims) but will be shown conviction for their real contempt for the value of YOUR life my friend, our lives they watch indiscriminately die for lies they sell happily for stolen cash profits.

Dead Babies Can Take Care of Themselves
http://bellaciao.org/en/spip.php?article17872

/ / The FDA may not know a safe level but I damn sure do, that level is zero! \ \

But will Americans of America, even lift their phones against happy George Noory, CNN, and all that sees fit, to sit idly silently dying US victim in their corporate extravaganzas? I hear the magic money bag guys are in running the show from our central banking offices, in as a debasing culture of indifference to their own cowardly sacrifice. That's if we believe what we know of the fictions they sell ourselves. Georgia, Iraq, Afghanistan, and so on.. they lie to our world for criminal gains, gains they've seen near to overtaking them. Demand the arrest of Bush and Cheney for closing criminal investigations on 911 immediately after the crimes occurred. Then, without evidence, falsely accused an innocent man of the crime. A crime they knew enough of, to plan before hand the invasion of Afghanistan for Enron. Speak now, or, suffer to die in tyranny you nation of fascist cowards.. your move. Your baby.

Does this Work if The Judge is a Criminal?

http://rawstory.com/news/2008/DoJ_blocking_Obama_team_from_docs_1212.html

/ / The Justice Department has evaded a request from President-elect Barack Obama's transition team for documents about the secret programs of U.S. intelligence agencies. \ \ Torturing innocent People to death as guilty of nothing, or escaping bushite rapists who target American women in Uniform, while pushing heroin to enslave American teens for zionist grave robbers. Not in Johnny's America I'll tell you that right now.

It actually doesn't work that way though..
Justice is man.

A Zionist STEALING from Innocent Jewish Peoples targeted SPECIFICALLY. Somethings never change... Do you have any ideas on the fact, that a great many Zionists have been arrested over the decades for putting Nazi Swastikas on their own grave stones? Also, did you know an estimated more than 20 million Russians died to defeat madman Hitler? Who's banker was Zionist George W. Bush's grandfather? Do you know this yet?? Well, now we know we know, to be King I am here your servant. Just don't therefore figure I'm going to wash your feet now. Be American.

This is why it is outlawed by the American Constitution(s). Demon thieves must not be allowed to command mindless grunts who shoot people randomly for fun. As AEGIS and Blackwater, KBR enslavement camps along with Campbell�s Soup, is in part, their acceptable Business partners, warring Humanity as US innocent for stolen profits with poison. Teen grunts are admittingly from any you honestly ask, portrayed ignorant low life failures, drop out bushite vermins who want to in turn, victimize the innocent as they accept America, as them, must tyranny as cowards for traitor war criminals. Criminals like them in Afghanistan, who openly defend poppy fields to imprison American citizens say nothing on their trailer trashcan talk, internet forays for blatant complete disregard for suffering Mankind. These grunts of far off military dictator shipping nations, that the TV neocon wants patrolling our Americans streets, don't instead fight proud for our honorable Police Service successes - of whom play our Freedom game for the law books sighted as rights

heretowin. A force that claims they are lawlessly un-accountable, is a force of evil against our great lands. Friends, they hide nowhere in darkness, ready to be exposed for Public questioning. Soldiers were caught dressed as al-Qaida, murdering police officers, and when they were in jail, awaiting trial, the bushite grunters, broke them out!! With "American" Tanks commanded by a Saudi in some likelihood. (Buford 'where's the billions?' Blount is a Saudi military commander, who in his off time, also commands, the Third Infantry!) Posse Comitatus will be a good thing to impose as standing Law..?. You're the American Patriot Soldier. Need help? Well, I could be your make believe King for the time being.. by just simply, forwarding these life and death concerns as our own. We have some rights here Soldier to have Justice prevail as our benefaction. The bushmob did 911. Your call.. Don't be dumb now.
Your call..

Lawless enemy world of enslavement though naked ungodly tyranny?, or American Liberty as Justice believed for the victims of Guantanamo? False capital accusers who take our concern awry are our problem in fair Governance here, when we understand this, we will have conquered the world as the new orders. No evidence, person innocent. Torture? fuk you and die then. These be the glorious tales we tell of times ago, where men were men, and war criminal zionist nazis were hunted down to defend Life ourselves. When a bushite enemy of America dies, it's a glorious moment for all innocent Peoples defended from it's lawless terrorism. Give Free to Banker.. Loan Back Maybe? Paleeze..

Why We Do the Things We Do

Sales pitch: Mankind takes on the world as One with the calculators. Civilization DID happen! Correct math scores are not impossible to find as an answer to: why we do the things we do. Americans gave private interest bankers trillions on only Hopes that these, the most obscenely wealthy of all the upper classes, are going to graciously lend some of our own money, (we just gave them,) back to us... in dire need. at interest! It's for our benefit baby, don't you cry. This is just plain dumber than rocks Johnny Wizard says okay. And simply going to a gold standard is not the easy made NWO answer, it is accounting for ourselves that is going without questions. The private banker is highjacking our public authority for their private interest of exploitation.

Our governments are not holding Private Bankers to some kind of public authority to question who's interests are being devalued here. This is why the thing has been messed around for so long, We, the People, have been too foggy on super basic math skills as pronounced by, truly effective Jewish leadership. "The Private Banker DOES NOT cover our loans, we do." Read that again now. And acknowledging, we, as conscious, can succumb to suggestion without knowing what we are even saying sometimes really. Everyone wants to play the lead, but few are wanting guitar practices.

It get's easier as you try..

Answers: we need a tax on every buy and sell to limit speculation in the stock markets as it was prior, while openly discussing how the investigations are going, in returning the 700 mill that was given through for another means by Congress. For the private bankers to take that money elsewhere, is to neglect the problem persisting of home owners, and that mortgage issue they forgot US about. Why Americans desperately, at peril, gave the money to begin at.

Look, while arrests are transpiring, we'll then discuss using the re-cooped stolen money to finance all remaining mortgages on family homes at zero interest levels, upto, let's say for now: $500,000. It's an idea I'm putting out there to dialog on with you guys and Obama. Obama!! How's it going!! Hey man, we can work it out.. You don't seem like an impossible person to reach. Hey, make life interesting in ushering in a new peace plan by communicating. Now I know your all pals with everyone as government, as that is what a successful politician can do sometimes good, sometimes criminal. Obama, we can't let these con men go. These have been times of lawless wars against God as indiscriminate bombings, of torture, of slavery, of heroin pushing, of national looting of a Peoples Treasures. How much is too much for you my poorer brothers and sisters of the faith? Obama, let's believe in ourselves. These bankers are stuck crooks for no faulty but our own. It's still our money however.

King Johnny Earth, White House Jester. !

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is no cause for the Iraq war. Truly. Example: why bomb if you can go anywhere without delay? To only murder innocent People INCLUDING SOLDIERS to thieve from ourselves as war criminals is what any rational person comes to understand. When you destroy bushite grunts who war God for rape, torture, and enslavement of our species, you save the innocent lives of their next victims. To hunt the godless bushite enemy, is to love Justice as our glorious Humanity winning over the lawless nazi grunts of the Third Infantry - who'll shoot anybody, blindly as cowards, led by a Saudi, Buford Blount. Their "leader" who left Iraqi's largest weapons depot undefended for looting. Qaqaa. Killed many a bushite nazi grunting lawless coward by his own treasonous brand. And mumbling bushite nazi grunts have what to say about American teens made valueless victims for Neocon bounties? "whore yay" That's about it..

LETTERS NOW RELEASED PROVE-Bush Intervened-To Suppress Torture Evidence

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together on pro lawless torture against innocent 'others'? Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. Or, how about, No one deserves to be tortured for confessions on crimes left then unresolved for actual retribution. [Aegis OPENLY murders innocent families for more American paying for zionist monies - P2OG - YOUR Spouse, YOUR Child, YOUR family].

Following the crime scene leads of 911 to nab the actual evil doers is beyond the will of the deaf, dumb and blind? with lawlessness gaining for monetary loses due America as corporate cheaters. We are Brilliant, of that much I am certain. Conservatives are minimally, idiots.

Hey Gibson! why don't you try and be a good guy for a change! No joke. Wow. Profound.

Obama Accused of Blackmail over Terror Trial Evidence

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A Bike

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind

control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit

not be granted a minute because I, in support
of Freedom for America, make all bigots look truly

America becoming greater for defending ourselves
fairly through Judicial actions.

U.S. partner, not Hamas, firing rockets into Israel

innocent Christian children in Gaza as war criminals.

Obama set to allow Bush-era �torture flights�
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/

articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

traveling about five miles an hour, fire bombing thousands, and none have even a pullet gun, never mind an Iranian rocket launcher to shoot the Satanic demons down for God as Love? Why doesn't Hamas at least admit, like an Israeli General has, to be funded by Zionists for cash gains paid for by Zionist Amerika? Why? Why is it that Hamas suffered near no loses, but all the Cops who voted who knows, died murder victims trying to defend our family from Texan child rapists? Along with thousands of others targeted as innocent Peoples? Targeted. Why? Nazi Israeli broke the truce!! THINKTHINKTHINK Demand coverage! Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law". Evil enemy of everyone these demon fuks are. How difficult is it, to understand the facts they feign complete blindness on? They WANT to con you as the coward to life they are, willing to kill America to make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker
doesn't cover our loans - so why give them as much
as a taxed red penny?, let alone trillions as
officially unaccounted for? They are stealing the
cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will
tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a
bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity

this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying to teach you here. That is how Alex knowingly or otherwise, steals our rights, by beating off he knows everything already. And some, if not most, actually believe him without knowing squat either. It's sooo easy that way - no study required!! LIBERTARIAN HELL! Everything is not on the Internet, where it near should be, but regardless, a Libertarian can't be bothered to read anyway. "Free Talk Live" is the best example for this: the two hosts are unbelievably ignorant on just about every single subject under the sun, but beat CONSTANTLY, on how greatly wise they are as drop-outs. You wouldn't believe any of them when they speak on Freedom, if you simply understood, an innocent man does not deserve to be in OUR prisons, or tortured. Under any circumstances that Obama has excepted for our excuses. Magna Charta. But in Alex's 'genius' mind, he doesn't need to actually understand he is a for sure bigot, (measures another unfairly in a group HE concocts from blind hate or personal fear - typical CONSERVATIVE and/or racist) who has no problems with that at home, or at work. Provable in seconds by OPEN DEBATE, but Alex ain't gonna take our calls because, he can't for the lives of every People person thought of here, admit he could have something to learn, therefore, the NWO is unstoppable in his brain washed cult of indifference to Justice practiced for the benefit of all treated fairly. Why? He's not wise enough to respect the great minds of the audience, and I personally believe,

he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international

debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911, by closing criminal FBI investigations immediately. Alex and George don't seem to want US to know these FACTS that demand arrests of the culprits responsible for high treason against Johnny's America. Alex wants your money, and EVIL George, our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice for Americans because he loses out to better men that usher a greater life. He doesn't want the evidence of George W. Bush made public to defend American teen soldier's lives. The true fascist Alex Jones, who in silence supports the escape of Bush for treason, will fail our true voice for Justice in our times. WE DO NOT rule the truth we share equally committed to defend ourselves from lawlessness. And you'll never rule my right to speak freely over your intent to sell us all out for monetary swindles, just like Ron Paul did. Understand: Ron Paul doesn't even acknowledge 911 was an inside job, or, that Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that he challenged Bush for eight years - Bushite lying nazi traitor. Not only that, but he also ridiculed those who wish to blame Bush now for anything! Again, he doesn't want Justice where bad guys can't steal from ourselves unrepresented. Ron Paul is a multi-millioniare, made rich by charitable aid conned from Alex Jones' NWOers! Alex Jones doesn't have a problem with that, we do.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of

idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge

Unseen Gaza High Quality: Part 1 of 6

Why is it that numerous visits don't change the

top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi

government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.

Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,

not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hey! Johnny's new theme song playing when
I be bagging the bushite zionist whores of
the demon antichrist, Our Mr. Bush Jr. Bush
closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's
about it..

LETTERS NOW RELEASED PROVE-Bush Intervened-To Suppress Torture Evidence

This is called ungodly nazi war crimes against innocent Human beings.

Obama Gets Tough to Shield Bush Torturers
http://chris-floyd.com/component/content/article/3/1694-protection-racket-obama-gets-tough-to-shield-bush-torturers.html

Who does Obama think we are as 'United' together on pro lawless torture against innocent 'others'? Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. Or, how about, No one deserves to be tortured for confessions on crimes left then unresolved for actual retribution. [Aegis OPENLY murders innocent families for more American paying for zionist monies - P2OG - YOUR Spouse, YOUR Child, YOUR family].

Following the crime scene leads of 911 to nab the actual evil doers is beyond the will of the deaf, dumb and blind? with lawlessness gaining for monetary loses due America as corporate cheaters. We are Brilliant, of that much I am certain. Conservatives are minimally, idiots.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent people here as a traitor to Just cause. Just cause to live in a free society. Torture warrants the death penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US for here? Does he actually believe we hold no interest in being attacked as ourselves, the innocent forsaken? A reminder: an American was executed under Iraqi law without any evidence brought against the accused, while the grunts were offered an excuse to seek not the culprits at the terror scene. The case was lightly reviewed at democracynow, a year or two ago, and can be found by searching for a grunt pretending to be an ambassador to Romania. A case where the Judge's life was threatened by a "General", where if he didn't order the death of the innocent American citizen, the grunt with the General would murder US all right then and there. The Innocent American was murdered as forsaken for value shared by free men.

"Judges Bribed by Private Contractor to Sentence More Kids to Juvie Detention"
http://www.philly.com/philly/opinion/inquirer/20090128_Editorial__Judges_Sentenced.html

Christ speaks!! Echem.. This is called a criminal action to falsely imprison American children for more stolen money. Will the contractor be arrested, tried, then executed in America to defend American children? Unlikely, because it isn't as important as how fat Oprah is today, or as Alex Jones the bigot would say, on how daily, the hidden NWO elites are responsible for every criminal action against Liberty in America, not war crime dictating LIAR Bush who told US Saddam wouldn't let the inspectors in without corporate news correction, Bush, who closed Police investigations on 911 for Enron, KBR, and the Kissinger associates. And certainly not Bremer for personally stealing tens of billions, no no no, "just puppets" "just puppets" as instead, the Illuminati in other words not allowed spoken understood with Alex Jones NWOers. I want a free to speak arena where 50 percent of what Alex spews is truly dumber than stupid. Why? because he is controlled through his personal weakness of bigotry, to actually believe foolish things as factual. Examples are truly endless when we discuss Alex Jones' dumminess, but here is one example. Alex states 911 truthers were attacked in a TV show as NWO mind control- but, the "truther" he referred to talked in the drama on there being NO PLANES! A dis-info bushite stooge if ever was one depicted with special effects. We suffer with his bullshit every day, knowing if we tried to phone, would not be granted a minute because I, in support of Freedom for America, make all bigots look truly dumb as fascists lashing out at nothingness to divide our masses. And apparently, he can't have America becoming greater for defending ourselves fairly through Judicial actions.

Obama set to allow Bush-era �torture flights�
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this crime warrants death in America according to the war crime act? Does he believe America just will never have a chance to speak for the interests of US as innocent Human beings he is planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember corporatist Amerikan citizen, these torture victims that include children as younger than a hundred, had not been alleged to have ever committed a crime in their entire lives. Victims tortured to death for the pleasures of those Satanic, such as General Geoffry Miller, who tell US today as confidenced, they do it because, patsy wasted American soldiers will just refuse to hunt them down for formal executions. Let's change this for our Humanity in this future, to look back, and know, American males were men of the World, who stood for the principles enshrined within every living Constitution. A free man shall not be jailed, or tortured by anyone in our names as Governed, without the perpetrator tried publicly for execution as our Love of real Justice. As first degree mass murderers warranted death sentences under the War Crime Act ushered by Reagan!, all done in for our protections of their next innocent victim - ourselves. Or die a death in corporate tyranny worthy the title, cowardly traitors to God and Liberty. Blackwater, CACI, AEGIS, KBR and the like will all be hunted to extinction for refusing to quit their lawless Rape and mass murder, murders done for more stolen money as America's name high-jacked. The Lawless enemies shall be prosecuted by the honorable Soldiers of the Good old, Red White, and Blue. Count me at our words on this, I am,

Ungodly Israeli Nazi LIARS Continue to Murder Children after "Truce"

A truce means nothing to Hamas?, who states much of no complaints as in support of Israeli Nazi lies, why? Have you seen where a blimp is traveling about five miles an hour, fire bombing thousands, and none have even a pullet gun, never mind an Iranian rocket launcher to shoot the Satanic demons down for God as Love? Why doesn't Hamas at least admit, like an Israeli General has, to be funded by Zionists for cash gains paid for by Zionist Amerika? Why? Why is it that Hamas suffered near no loses, but all the Cops who voted who knows, died murder victims trying to defend our family from Texan child rapists? Along with thousands of others targeted as innocent Peoples? Targeted. Why? Nazi Israeli broke the truce!! THINKTHINKTHINK Demand coverage! Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies of American Liberty are eh? No concern whatsoever, for all the teen soldiers conned to die for those who committed 911 in NYC. The millions of bombing victims, the tortures, the rapes of American women, STILL, TO THIS DAY, left undefended by "the law". Evil enemy of everyone these demon fuks are. How difficult is it, to understand the facts they feign complete blindness on? They WANT to con you as the coward to life they are, willing to kill America to make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the

cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will
tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a
bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on

the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School

girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and

unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the

nazi bastards who too, DO NOT THINK IT BEST to

Oh yeah, and mercury is neural toxic, anti-psychotics

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule

the truth we share equally committed to defend ourselves from lawlessness. And you'll never rule my right to speak freely over your intent to sell us all out for monetary swindles, just like Ron Paul did. Understand: Ron Paul doesn't even acknowledge 911 was an inside job, or, that Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that he challenged Bush for eight years - Bushite lying nazi traitor. Not only that, but he also ridiculed those who wish to blame Bush now for anything! Again, he doesn't want Justice where bad guys can't steal from ourselves unrepresented. Ron Paul is a multi-millioniare, made rich by charitable aid conned from Alex Jones' NWOers! Alex Jones doesn't have a problem with that, we do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy of Humanity, much like everyone at Foxnews, CNN, BBC, and the CBC. Our revolution against the godless bushite shills, will not allow our revolution through speaking honestly, (to become of ourselves something greater), a chance to be televised for our benefits. Bush closed criminal investigations immediately after 911. According to the FBI and Senator Dashle. CNN says you have no power, Foxnews says you have no power, the BBC says you have no power, the CBC, the same, like Alex Jones NWOers... but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom? Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies of a freeing Humanity striving for a just society. Obama needs to be arrested for this under the Law as it stands I'm sorry to say my friends. Why? Torture is illegal in all 50 states, (as Reagan directly planned), no matter where you ship the innocent victim to, or from! Read the War Crimes Act, then demand Justice today, otherwise, it's YOUR funeral. Obama wants to secretly torture Peoples here, while lying to US ALL that he doesn't! A TRAITOR! Who also wants to give bankers 100s of billions of dollars more to disappear, that WE pay for, out our door, never to be seen as our own again.

Jack Blood interviews Richard Andrew Grove, an AIG insider and whistleblower http://video.google.com/videoplay?docid=6546044203900048624

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.

Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than admit he does NOT rule our 'Ocean of Truth'. I want the challenge of opposition through debate to PROVE my skills beyond reproach. Alex, every time, just hangs up on anyone who tries to improve our communications by factually speaking. Why? Because he IS TRULY deeply ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenement. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of

Words looking to make a break in the
NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning torture and rape center for Neocon Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in Gaza: not that hundreds of innocent people were killed, not that over 5,000 were horribly injured and not the sky-high human and monetary cost of wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC personnel in the Gaza Strip during the war," an Israeli source said. "Some were killed; others went into hiding, and others escaped."

See? the demon enemy of God speaks no evidence as a TRAITOR to every Jew. A terrorist nation that still steals humanitarian aid in our public realm of left defenselessness. The false allegation deserves a death sentence by Jews against the war monger Zionist enemy. A cause that Iran should champion, if in fact!, this allegation by OFFICIAL WAR CRIMINALS WHO TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's face, unsubstantiated as patently, demonically false. As typical from any godless Zionist.

Where are the Americans asking for the formal arrest of Bush for high treason? Whoring for Alex Jones's contempt for REAL Justice? The ignorance of all American talk radio hosts speaks for itself. NO knowledge on why acts of high treason, are crimes against every American. The bushmob doctored the NIE, and Alex doesn't want Americans to know, because if they did, they ask, why does Alex do everything he can to escape those personally responsible for 911, while then asking for money to continue his fight against freedom in America. Again how much money do we have to pay Ron Paul or Alex Jones before they will allow the knowledge of the Iraq war against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial actions. That offer goes out to everyone in Palestine, Canada or Britain too. Russia, let's help out these fools by freely communicating, what say you? Justice for all is freedom to be. The Israeli cop killers must be brought to justice for war crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am an ACTUAL genius, and he is generally, an idiot. Today, he did one of his usual commentaries, however this time, he was pretty honest with himself, and his love for Ron Paul. Ron Paul sells incompetence, and Alex corrected correctly!. that a.. sorry Ron but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

�We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,�

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his faggot Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

Support Johnny America for Coast to Coast Radio Host!

Nazi argues it's good to get killed Jews by
breaking truces with prison camp.

They shoot Peoples indiscriminately telling US

that's how evil they are to argue it's Your
fault though.

This post was passed to near everyone in our Secret Service defending Obama. Let US demand Justice for the Victims of 911, by warranting for the arrest of every Neocon Nazi Zionist pirate of OUR Jewish faith for Public trial on LYING for War Crimes against our dying Humanity. War Crimes against God.

A ZIONIST LIAR'S TRUCE

/ / live images of an Israeli helicopter hovering above the city and dropping its white phosphorous bombs on the city \ \

Again, the Zionist deserves to die by public trial today to defend the Jewish faith. Look at usenet. These demonic enemies go, 'yeah, Hamas broke the truce', they do it to kill you. To steal the lives of innocent Peoples to profit off our deaths as victim.

Zionists are Satanic Demon Liars of Satan

FIGHTBACK

Palestinian Children found with bullets lodged in their head

The Zionist is an
enemy to the God of Love and Justice, of Beauty, and Children. A zionist LIES with a hatred unmatched in Satanic hatred for the survival of our species. I beg you, hunt to bill the zionist war criminal who charges we will not succeed to see every last war criminal on this planet hunted down to complete extinction, by public trial, then Jewish firing squads. The Zionist has bombed US, The People indiscriminately with out cause. It was Nazi Israeli that broke the truce to get killed Jews for money. They starve Jews in Israel to attract more charitable aid they can use

elsewhere. They, as Nazis, will continue to murder Jews for money unless WE DEMAND, their formal trials and public executions. They have murdered our families, and they will pay will their lives for it as the directly responsible, and in no way, will escape our rages against them as the enemies of every Human Being Living for Freedom. Every Human that loves children. They HAVE ADMITTED to targeting the school girls for murder with lies they were caught doing. THEY DON'T GIVE YOU EVIDENCE. And when we get the facts, it's near always exactly the same thing: they steal our Homes, they STEAL our lives. God calls the Zionist Jew Enemy of the Synagogue to Satan!!

"We also need a massive overhaul in Our news channel prioritizing, including to add censorship free, open line public communications. Done to gain value in learning from the art of conversations. We need still to appreciate the values of a free society where Justice is above all, the measure of our success to communicate openly."

The Ungodly Murder of Innocent Men by Israeli Nazis

/ / At noon an Israeli military jeep with four soldiers entered Tameizi�s land. After 15 minutes the man was thrown, blindfolded and still handcuffed, into the back of the jeep. \ \

Let us not lose the focus of fact, that these people of ourselves live in a concentration, prison death camp, robbed of everything.
in Curfew near anywhere in "peace time". And still, to this day, do Nazi Israeli CONTINUE TO THIEVE the Homes of god loving folks in the region, guilty of no crime but to have been born into such brutal ungodly oppression against Civilization. And to see, face no TV opposition as American tax payers continuing to fund such war crimes in our absent names, is a crime on to ourselves if allowed to go unchallenged. Someone should ask what King Johnny, The
King of the Jews has to say on this subject
of a Zionist's complete absence of morality,
as inhumanly bereft any common decency among
our brothers and sisters. I mean for Christ's
sake Tom, THEY ADMIT to sadistically
targeting our children for MURDER - as some
kinda Satanic demon whore to Pure Evil - aka.
Wanted War Criminals for Public Trial. Just
as the Nazis were for similar outrages. Let's
hope men of America are least half they were
then, but we are suspecting, they will as of
usual, balk as cowardly slaves to the private
banker man ruling their minds, it's a, no
wonder. Where is there that purpose striving
for a greater future living in a just society?
Where is the Christ in their Christianity?
to financially support the arming of such
unlawful Zionist killings in silence against
Innocent Christians?

http://uk.youtube.com/watch?v=zIQZ1-RFq6A

Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

"The view from the other side, that the Qassams are a retaliation for the siege that starves the one and a half million inhabitants of the Gaza Strip, [a prison death camp,] was not mentioned at all."

/ / they committed collective suicide - men killing their own families, afterwards each other, until one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not

understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Harper complicit in Israeli war crimes

CRIMINALS.

Harper the proven war criminal
who will be going to prison, is the only person
on Earth that has publicly okayed Israeli Nazi
to target murder Christian school girls. Canada,
join me in demanding Harper's Public trial as a
war criminal. Prison for Harper who took a
honorable soldier who stated he refused to commit
war crimes against innocent civilians, and placed
him without trial in prison. Without warrant for
arrest. Harper, the Nazi Appeaser, is a War
Criminal standing against the Queen.

"Or is this another, popular amerikan past time,

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead
zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really

don't care for the future of our Humanity being left for dead as continuing victims to EVIL liars.

UN sites shelled with WPh after GPS coordinates given

Livini was reported to say today that, 'every innocent person targeted by Israeli, as such driving in ANY car, or on ANY bike, or walking down the street as then directly murdered, Hamas will be blamed for. Heil Hitler' Well, I made that last part up, but do you have the ears to hear the screams for mercy given by Humanity?, while this, the evilest of JEW KILLERS in the known universe, (targeted, and murdered countless Jews in Lebanon as one example), believes no man or woman living can speak directly against her wanting to MURDER even more as ungodly... 'Until the tin can rockets stop falling on Jews' standing in their detention centers, or living at the garbage dump BUT.... THEY BROKE THE TRUCE! THEY BROKE THE TRUCE. A thief of Jews everywhere to know truly God as Love and Justice. Not only will Americans celebrate these neocon criminal's freedom to call for the murder of innocent Christians, as he does without arrest, "Americans" too, will as Satanic refuse to hunt the ungodly enemy of the Jewish faith down as Nazi hunters.
